

OFFERING CIRCULAR

Avinor AS

(incorporated with limited liability in Norway)

€3,000,000,000

Euro Medium Term Note Programme

Under this €3,000,000,000 Euro Medium Term Note Programme (the **Programme**), Avinor AS (the **Issuer** or **Avinor**) may from time to time issue notes (the **Notes**) denominated in any currency agreed between the Issuer and the relevant Dealer (as defined below). The Notes may be issued in bearer form or uncertificated book entry form (the **VPS Notes**) cleared through the Norwegian Central Securities Depository, the *Verdipapirsentralen ASA* (the **VPS**).

The maximum aggregate nominal amount of all Notes from time to time outstanding under the Programme will not exceed €3,000,000,000 (or its equivalent in other currencies calculated as described in the Programme Agreement described herein), subject to increase as described herein.

The Notes may be issued on a continuing basis to one or more of the Dealers specified under “*Overview of the Programme*” and any additional Dealer appointed under the Programme from time to time by the Issuer (each a **Dealer** and together the **Dealers**), which appointment may be for a specific issue or on an ongoing basis. References in this Offering Circular to the **relevant Dealer** shall, in the case of an issue of Notes being (or intended to be) subscribed by more than one Dealer, be to all Dealers agreeing to subscribe such Notes.

An investment in Notes issued under the Programme involves certain risks. For a discussion of these risks see “Risk Factors”.

This Offering Circular has been approved as a base prospectus by the *Commission de Surveillance du Secteur Financier* (the **CSSF**), as competent authority under Regulation (EU) 2017/1129 (the **Prospectus Regulation**). The CSSF only approves this Offering Circular as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Approval by the CSSF should not be considered as an endorsement of the Issuer or of the quality of the Notes that are the subject of this Offering Circular. Investors should make their own assessment as to the suitability of investing in the Notes.

By approving this Offering Circular, the CSSF assumes no responsibility for the economic and financial soundness of the transactions contemplated by this Offering Circular or the quality or solvency of the Issuer. Application has been made to the Luxembourg Stock Exchange for Notes issued under the Programme (other than Exempt Notes (as defined below)) to be admitted to trading on the Luxembourg Stock Exchange’s regulated market and to be listed on the Official List of the Luxembourg Stock Exchange.

References in this Offering Circular to Notes being **listed** (and all related references) shall mean that such Notes have been admitted to trading on the Luxembourg Stock Exchange’s regulated market and have been admitted to the Official List of the Luxembourg Stock Exchange. VPS Notes will be listed on the Oslo Stock Exchange’s regulated market and, in this case, **listed** (and all related references) shall be construed accordingly. Each of the Luxembourg Stock Exchange’s regulated market and the Oslo Stock Exchange’s regulated market is a regulated market for the purposes of Directive 2014/65/EU (as amended, **MiFID II**).

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and certain other information which is applicable to each Tranche (as defined under “*Terms and Conditions of the Notes other than VPS Notes*” and “*Terms and Conditions of the VPS Notes*”) of Notes will (other than in the case of Exempt Notes (as defined below)) be set out in a final terms document (the **Final Terms**) which will be filed with the CSSF. Copies of Final Terms in relation to Notes to be listed on the Luxembourg Stock Exchange will also be published on the website of the Luxembourg Stock Exchange (www.luxse.com). In the case of Exempt Notes, notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and certain other information which is applicable to each Tranche will be set out in a pricing supplement document (the **Pricing Supplement**).

The Programme provides that Notes may be listed or admitted to trading, as the case may be, on such other or further stock exchanges or markets as may be agreed between the Issuer and the relevant Dealer. The Issuer may also issue unlisted Notes and/or Notes not admitted to trading on any market. The applicable Final Terms in respect of the issue of any such Notes will specify whether or not such Notes will be admitted to listing on the Official List of and to trading on the Luxembourg Stock Exchange (or any other listing authority, stock exchange and/or quotation system, if applicable). The applicable Pricing Supplement in respect of the issue of any Exempt Notes will specify whether or not such Exempt Notes will be admitted to listing or trading on any non-EEA listing authority, stock exchange and/or quotation system, if applicable.

This Offering Circular (as supplemented as at the relevant time, if applicable) is valid until 5 December 2024 in relation to Notes which are to be admitted to trading on a regulated market in the European Economic Area (the **EEA**) and/or offered to the public in the EEA other than in circumstances where an exemption is available under Article 1(4) and/or 3(2) of the Prospectus Regulation. The obligation to supplement this Offering Circular in the event of a significant new factor, material mistake or material inaccuracy does not apply when this Offering Circular is no longer valid.

The requirement to publish a prospectus under the Prospectus Regulation only applies to Notes which are to be admitted to trading on a regulated market in the EEA and/or offered to the public in the EEA other than in circumstances where an exemption is available under Article 1(4) and/or 3(2) of the Prospectus Regulation. References in this Offering Circular to **Exempt Notes** are to Notes for which no prospectus is required to be published under the Prospectus Regulation. **The CSSF has neither approved nor reviewed information contained in this Offering Circular in connection with Exempt Notes.**

The Issuer has been rated A by S&P Global Ratings Europe Limited (**S&P**) and A1 by Moody's Investors Service Ltd. (**Moody's**). S&P is established in the EEA and is registered under Regulation (EC) No. 1060/2009 (as amended) (the **CRA Regulation**). As such S&P is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website (at <http://www.esma.europa.eu/page/List-registered-and-certified-CRAs>) in accordance with the CRA Regulation. Moody's is established in the United Kingdom and is registered under Regulation (EC) No. 1060/2009 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (the **UK CRA Regulation**). Moody's is not established in the EEA and has not applied for registration under the CRA Regulation. Accordingly, the ratings issued by Moody's have been endorsed by Moody's Deutschland GmbH (**Moody's Deutschland**) in accordance with the CRA Regulation and have not been withdrawn. Moody's Deutschland is established in the EEA and registered under the CRA Regulation. As such Moody's Deutschland is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website (at <http://www.esma.europa.eu/page/List-registered-and-certified-CRAs>) in accordance with the CRA Regulation.

Notes issued under the Programme may be rated or unrated by either of the rating agencies referred to above. Where a Tranche of Notes is rated, such rating will be disclosed in the Final Terms (or Pricing Supplement, in the case of Exempt Notes) and will not necessarily be the same as the rating assigned to the Issuer by the relevant rating agency. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

IMPORTANT INFORMATION

This Offering Circular comprises a base prospectus in respect of all Notes other than Exempt Notes issued under the Programme for the purposes of Article 8 of the Prospectus Regulation. When used in this Offering Circular, **Prospectus Regulation** means Regulation (EU) 2017/1129.

The Issuer accepts responsibility for the information contained in this Offering Circular and the Final Terms or, in the case of Exempt Notes, the applicable Pricing Supplement for each Tranche of Notes issued under the Programme. To the best of the knowledge of the Issuer (having taken all reasonable care to ensure that such is the case) the information contained in this Offering Circular is in accordance with the facts and does not omit anything likely to affect the import of such information.

This Offering Circular is to be read in conjunction with all documents which are deemed to be incorporated in it by reference (see “*Documents Incorporated by Reference*”). This Offering Circular shall be read and construed on the basis that those documents are incorporated and form part of this Offering Circular.

Other than in relation to the documents which are deemed to be incorporated by reference (see “*Documents Incorporated by Reference*”), the information on the websites to which this Offering Circular refers does not form part of this Offering Circular and has not been scrutinised or approved by the CSSF.

The Dealers have not independently verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by the Dealers as to the accuracy or completeness of the information contained or incorporated in this Offering Circular or any other information provided by the Issuer in connection with the Programme. No Dealer accepts any liability in relation to the information contained or incorporated by reference in this Offering Circular or any other information provided by the Issuer in connection with the Programme.

No person is or has been authorised by the Issuer to give any information or to make any representation not contained in or not consistent with this Offering Circular or any other information supplied in connection with the Programme or the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Dealers.

Neither this Offering Circular nor any other information supplied in connection with the Programme or any Notes (a) is intended to provide the basis of any credit or other evaluation or (b) should be considered as a recommendation by the Issuer or any of the Dealers that any recipient of this Offering Circular or any other information supplied in connection with the Programme or any Notes should purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer. Neither this Offering Circular nor any other information supplied in connection with the Programme or the issue of any Notes constitutes an offer or invitation by or on behalf of the Issuer or any of the Dealers to any person to subscribe for or to purchase any Notes.

Neither the delivery of this Offering Circular nor the offering, sale or delivery of any Notes shall in any circumstances imply that the information contained in it concerning the Issuer is correct at any time subsequent to its date or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Dealers expressly do not undertake to review the financial condition or affairs of the Issuer during the life of the Programme or to advise any investor in Notes issued under the Programme of any information coming to their attention.

IMPORTANT – EEA RETAIL INVESTORS – If the Final Terms in respect of any Notes (or Pricing Supplement, in the case of Exempt Notes) includes a legend entitled “Prohibition of Sales to EEA Retail Investors”, the Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the **EEA**).

For these purposes, a **retail investor** means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the **PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

IMPORTANT – UK RETAIL INVESTORS – If the Final Terms in respect of any Notes (or Pricing Supplement, in the case of Exempt Notes) includes a legend entitled "Prohibition of Sales to UK Retail Investors", the Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (**UK**). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (the **EUWA**); or (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the **UK PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

MiFID II product governance / target market – The Final Terms in respect of any Notes (or Pricing Supplement, in the case of Exempt Notes) may include a legend entitled "MiFID II Product Governance" which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593 (the **MiFID Product Governance Rules**), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules.

UK MiFIR product governance / target market – The Final Terms in respect of any Notes (or Pricing Supplement, in the case of Exempt Notes) may include a legend entitled "UK MiFIR Product Governance" which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a distributor) should take into consideration the target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the **UK MiFIR Product Governance Rules**) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the UK MiFIR Product Governance Rules, any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the UK MiFIR Product Governance Rules.

EU BENCHMARKS REGULATION

Amounts payable on Floating Rate Notes issued under the Programme may be calculated by reference to EURIBOR, NIBOR and/or STIBOR as specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Notes). As at the date of this Offering Circular, the European Money Markets Institute (as administrator of EURIBOR), Norske Finansielle Referanser AS (as administrator of NIBOR) and Swedish Financial Benchmark Facility AB (as administrator of STIBOR) are included in ESMA's register of administrators under Article 36 of the Regulation (EU) No. 2016/1011 (the **EU Benchmarks Regulation**).

IMPORTANT INFORMATION RELATING TO THE USE OF THIS OFFERING CIRCULAR AND OFFERS OF NOTES GENERALLY

This Offering Circular does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Offering Circular and the offer or sale of Notes may be restricted by law in certain jurisdictions. The Issuer and the Dealers do not represent that this Offering Circular may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer or the Dealers which is intended to permit a public offering of any Notes or distribution of this Offering Circular in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Offering Circular nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Offering Circular or any Notes may come must inform themselves about, and observe, any such restrictions on the distribution of this Offering Circular and the offering and sale of Notes. In particular, there are restrictions on the distribution of this Offering Circular and the offer or sale of Notes in the United States, the EEA (including, for these purposes, the Kingdom of Norway, The Netherlands and Belgium), the UK, Japan and Singapore, see "*Subscription and Sale*".

The Notes may not be a suitable investment for all investors. Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor may wish to consider, either on its own or with the help of its financial and other professional advisers, whether it:

- (i) has sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Offering Circular or any applicable supplement;
- (ii) has access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) has sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understands thoroughly the terms of the Notes and is familiar with the behaviour of financial markets; and
- (v) is able to evaluate possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Legal investment considerations may restrict certain investments. The investment activities of certain investors are subject to investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended, (the **Securities Act**) and are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons (see “*Subscription and Sale*”).

Notes denominated in NOK may not be offered, sold or delivered in Norway or to or for the benefit of persons domiciled in Norway, unless in compliance with the regulations relating to the offer of VPS Notes and the registration in the VPS (as defined herein) of VPS Notes.

PRESENTATION OF INFORMATION

In this Offering Circular, all references to:

- **U.S. dollars** refer to United States dollars;
- **NOK** refers to Norwegian Kroner;
- **Sterling** and **£** refer to pounds sterling; and
- **euro** and **€** refer to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended.

STABILISATION

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the Stabilisation Manager(s) (or persons acting on behalf of any Stabilisation Manager(s)) in the applicable Final Terms or Pricing Supplement may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, stabilisation may not necessarily occur. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Notes is made and, if begun, may cease at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment must be conducted by the relevant Stabilisation Manager(s) (or persons acting on behalf of any Stabilisation Manager(s)) in accordance with all applicable laws and rules.

NOTIFICATION UNDER SECTION 309B(1)(C) OF THE SFA

In connection with Section 309B of the Securities and Futures Act 2021 of Singapore (as modified or amended from time to time, the **SFA**) and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the **CMP Regulations 2018**), unless otherwise stated in the Final Term in respect of any Notes (or Pricing Supplement in respect of any Exempt Notes), all Notes to be issued under the Programme shall be prescribed capital markets products (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

See “<i>Form of the Notes</i>” below.</p>
Fixed Rate Notes:	Fixed interest will be payable on such date or dates as may be agreed between the Issuer and the relevant Dealer and on redemption and will be calculated on the basis of such Day

Count Fraction as may be agreed between the Issuer and the relevant Dealer.

Floating Rate Notes:

Floating Rate Notes will bear interest at a rate determined:

- (a) on the basis of the reference rate set out in the applicable Final Terms; or
- (b) in the case of Exempt Notes, on such other basis as may be agreed between the Issuer and the relevant Dealer (as indicated in the applicable Pricing Supplement).

The margin (if any) relating to such floating rate will be agreed between the Issuer and the relevant Dealer for each Series of Floating Rate Notes.

Floating Rate Notes may also have a maximum interest rate, a minimum interest rate or both.

Interest on Floating Rate Notes in respect of each Interest Period, as agreed prior to issue by the Issuer and the relevant Dealer, will be payable on such Interest Payment Dates, and will be calculated on the basis of such Day Count Fraction, as may be agreed between the Issuer and the relevant Dealer.

Zero Coupon Notes:

Zero Coupon Notes will be offered and sold at a discount to their nominal amount and will not bear interest.

Benchmark Replacement:

In the case of Floating Rate Notes, if a Benchmark Event occurs, then the Issuer shall use its reasonable endeavours to appoint an Independent Adviser to determine a Successor Rate, failing which, an Alternative Rate and, in either case, the applicable Adjustment Spread and any Benchmark Amendments (each term as defined in the Terms and Conditions of the Notes other than the VPS Notes and the Terms and Conditions of the VPS Notes), as further described in Condition 4.2(h) of the Terms and Conditions of the Notes other than the VPS Notes and Condition 4.2(i) of the Terms and Conditions of the VPS Notes.

Exempt Notes:

The Issuer may agree with any Dealer that Exempt Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes and this general description of the Programme, in which event the relevant provisions will be included in the applicable Pricing Supplement.

Redemption:

The applicable Final Terms or, in the case of Exempt Notes, the applicable Pricing Supplement will indicate either that the relevant Notes cannot be redeemed prior to their stated maturity (other than for taxation reasons or following an Event of Default) or that such Notes will be redeemable at the option of the Issuer and/or the Noteholders upon giving notice to the Noteholders or the Issuer, as the case may be, on a date or dates specified prior to such stated maturity and at a price or prices and on such other

terms as may be agreed between the Issuer and the relevant Dealer.

Unless previously redeemed or purchased and cancelled, each Note, which is not a Zero Coupon Note or an Exempt Note, will be redeemed at an amount equal to at least 100 per cent. of its nominal amount on its scheduled maturity date.

Notes having a maturity of less than one year may be subject to restrictions on their denomination and distribution, see “*Certain Restrictions - Notes having a maturity of less than one year*” above.

Denomination of Notes:

The Notes will be issued in such denominations as may be agreed between the Issuer and the relevant Dealer save that the minimum denomination of each Note will be such amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency, see “*Certain Restrictions - Notes having a maturity of less than one year*” above, and save that the minimum denomination of each Note will be €100,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency).

Taxation:

All payments in respect of the Notes will be made without deduction for or on account of withholding taxes imposed by any Tax Jurisdiction as provided in Condition 7 of the Terms and Conditions of the Notes other than VPS Notes and Condition 7 of the Terms and Conditions of the VPS Notes. In the event that any such deduction is made, the Issuer will, save in certain limited circumstances provided in Condition 7 of the Terms and Conditions of the Notes other than VPS Notes and Condition 7 of the Terms and Conditions of the VPS Notes, be required to pay additional amounts to cover the amounts so deducted.

Negative Pledge:

The terms of the Notes will contain a negative pledge provision as further described in Condition 3 of the Terms and Conditions of the Notes other than VPS Notes and Condition 3 of the Terms and Conditions of the VPS Notes.

Cross Default:

The terms of the Notes will contain a cross default provision as further described in Condition 9 of the Terms and Conditions of the Notes other than VPS Notes and Condition 9 of the Terms and Conditions of the VPS Notes.

Status of the Notes:

The Notes will constitute direct, unconditional, unsubordinated and (subject to the provisions of Condition 3 of the Terms and Conditions of the Notes other than VPS Notes and Condition 3 of the Terms and Conditions of the VPS Notes) unsecured obligations of the Issuer and will rank *pari passu* among themselves and (save for certain obligations required to be preferred by law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Issuer, from time to time outstanding.

Rating:

The Issuer has been rated A by S&P and A1 by Moody's. Series of Notes issued under the Programme may be rated or unrated. Where a Series of Notes is rated, such rating will be disclosed in the applicable Final Terms or, in the case of Exempt Notes, the applicable Pricing Supplement, and will not necessarily be the same as the rating assigned to the Issuer by the relevant rating agency. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

Listing and admission to trading:

Application has been made to the CSSF to approve this document as a base prospectus. Application has also been made for Notes (other than Exempt Notes) issued under the Programme to be listed and admitted to trading on the regulated market of the Luxembourg Stock Exchange.

Applications may be made to list VPS Notes and admit VPS Notes to trading on the regulated market of the Oslo Stock Exchange. Any such applications will be in accordance with applicable laws and regulations governing the listing of VPS Notes on the Oslo Stock Exchange from time to time.

Notes may be listed or admitted to trading, as the case may be, on other or further stock exchanges or markets agreed between the Issuer and the relevant Dealer in relation to the Series. Notes which are neither listed nor admitted to trading on any market may also be issued.

The applicable Final Terms or, in the case of Exempt Notes, the applicable Pricing Supplement will state whether or not the relevant Notes are to be VPS Notes or not and whether such Notes are to be listed and/or admitted to trading and, if so, on which stock exchanges and/or markets.

Governing Law:

The Notes (other than the VPS Notes) and any non-contractual obligations arising out of or in connection with such Notes will be governed by, and shall be construed in accordance with, English law.

The VPS Notes (save for Conditions 2, 12, 13 and 14 of the Terms and Conditions of the VPS Notes) and any non-contractual obligations arising out of or in connection with such Notes will be governed by, and shall be construed in accordance with, English law. Conditions 2, 12, 13 and 14 of the Terms and Conditions of the VPS Notes will be governed by and construed in accordance with Norwegian law.

The VPS Notes must comply with the Norwegian Securities Depository Act of 15 March 2019 No. 6, as amended from time to time, and the holders of VPS Notes will be entitled to the rights and subject to the obligations and liabilities which arise under this Act and any related regulations and legislation.

Selling Restrictions:

There are restrictions on the offer, sale and transfer of the Notes in the United States, the EEA (including, for these purposes, the Kingdom of Norway, The Netherlands and Belgium), the UK, Japan, Singapore and such other restrictions as may be required in connection with the offering and sale of a particular Tranche of Notes, see “*Subscription and Sale*”.

United States Selling Restrictions:

Regulation S, Category 2. TEFRA C or D/TEFRA not applicable, as specified in the applicable Final Terms or, in the case of Exempt Notes, the applicable Pricing Supplement.

RISK FACTORS

In purchasing Notes, investors assume the risk that the Issuer may become insolvent or otherwise be unable to make all payments due in respect of the Notes. There is a wide range of risks which individually or together could result in the Issuer becoming unable to make all payments due. It is not possible to identify all such risks, as the Issuer may not be aware of all relevant risks and certain risks which it currently deems not to be material may become material as a result of the occurrence of events outside the Issuer's control. The Issuer has identified in this Offering Circular a number of risks which could materially adversely affect its business and ability to make payments due.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

Prospective investors should also read the detailed information set out elsewhere in this Offering Circular and reach their own views prior to making any investment decision.

FACTORS THAT MAY AFFECT THE ISSUER'S ABILITY TO FULFIL ITS OBLIGATIONS UNDER NOTES ISSUED UNDER THE PROGRAMME

In the text below the risks that are considered most material, are presented first.

Risks related to air traffic volumes

The traffic income of the Issuer and its subsidiaries (the **Group**) could decline as a result of a reduction in flights, passengers or other factors outside the Group's control. The Group generates traffic income from airport charges and air traffic charges based on passenger numbers, maximum total aircraft weight and distance flown. There are no specific operating contracts with the airlines operating at the Group's airports. There can therefore be no assurance as to the level of the Group's future traffic income from any one or more airline operators.

Decisions by, legal disputes with, financial difficulties at, or the failure of, a significant airline customer, or the withdrawal of their landing rights, could lead to a reduction in flights and passenger numbers and/or failure or delay in recovering airport charges or air traffic charges. The effect of decisions by or events at, airlines that have a major presence at the Group's airports could have a particularly material adverse effect on traffic income for the Group. No airline has a contractual obligation with Avinor regarding the use of any Avinor airport nor to maintain a specified traffic volume. A high degree of fixed capacity costs and regulated staffing levels make the Group's earnings and financial value vulnerable to changes in air traffic volumes.

The number of passengers using the airports may be affected by several other factors, including:

- Terror, pandemics, epidemics, volcanic eruptions, extreme weather and similar events of great consequence for operational production or demand for air transport
- Regulatory changes, including travel restrictions, imposed by the Norwegian or other governments
- Changes in demand for air transport
- Decisions by airlines regarding the number, type and capacity of aircraft, as well as the routes on which particular aircraft are utilised
- Macroeconomic events (including changes in fuel prices and currency exchange rates) whether affecting the global economy or the Norwegian economy
- Competition from non-Avinor Norwegian airports or non-Norwegian airports

- Wars, riots or political action
- Industrial action
- Health scares
- Bad weather at the Group's airports or other airports
- Changes in domestic or international regulation, including for instance international trade liberalisation developments such as Open Skies
- The quality of services and facilities, including the impact of construction projects
- The development of efficient and viable alternatives to air travel, including the improvement or expansion of existing surface transport systems, the introduction of new transport links or technology and the increased use of communications technology

Furthermore, a decrease in passenger numbers or other factors outside the Group's control could reduce non-traffic income. The Group's principal sources of non-traffic income include retail concession fees, car parking income, property rental income and income from the provision of operational facilities and utilities.

Retail concession fees are driven by passenger numbers and propensity of passengers to spend in the shops at the airports. Levels of retail income at the airports may also be affected by changes in the mix of long and short-haul and transfer, origin and destination passengers; economic factors, including exchange rates and changes in duty free regimes; retail tenant failures; lower retail yields on lease re-negotiations; redevelopments or reconfiguration of retail facilities at the airports, which can lead to a temporary or permanent decline in retail concession fees; reduced competitiveness of the airport retail offering; stricter hand luggage and other carry on restrictions; and reduced shopping time as a result of more rigorous and time consuming security procedures. Car parking income could be reduced as a result of increased competition from other modes of transport to the airports, such as buses and trains, as well as increased competition from off-site car parks and targets set for public transport shares. Other non-traffic income could be reduced as a result of a decrease in demand from airport users, such as car rental operators and airlines leasing check-in counters.

Duty free shopping for tobacco and alcohol in Avinor's airports is subject to specific quotas on volumes per passenger, as set out in Norwegian law. Duty free shopping in Avinor's airports is based on primarily turnover based lease agreements between third party tenants and Avinor, and changes in these quotas in the future may negatively impact Avinor's commercial income.

Any of the foregoing factors could have a material adverse effect on the Group's business, financial condition and results of operations, and therefore affect the ability of the Issuer to fulfil its obligations under the Notes.

Risks regarding international and national measures to reduce climate changes

Climate risk is traditionally separated into physical risks and transition risks. Physical risks are related to the direct consequences of climate changes, such as higher temperatures and more extreme weather. Transition risks are related to society's adjustments to climate changes, such as new legislations, new technology and changed demand from investors and consumers.

Physical risks can, if not planned for properly, impact punctuality and regularity and increase future operational costs and investment. Transition risk can include national and international policy intervention and consumer preferences and thus affect demand for air travel. Any of the foregoing risks could have a material adverse effect on the Group's business and financial condition, and therefore affect the ability of the Issuer to fulfil its obligations under the Notes.

Risks related to investment activities

The Group runs on-going investment programs to update, renew and maintain airport infrastructure and other assets. The ability to manage these investment programs within set time and cost frames is vital for its profitability. Inherent project risk and changes in financing regimes and political trends, may affect the liability of these investments and, as a result, the financial condition of the Group. Due to the COVID-19 pandemic in 2020 and 2021, Avinor postponed certain investment activities, which caused a back log of required maintenance of assets and other investment activities to be prioritised ahead of potential new investment opportunities for the coming years. See also “*Description of the Issuer – Planned and on-going development projects*”.

On a general basis there are technical, economic and regulatory risks associated with all air navigation projects, and the failure to successfully implement such projects could have a material adverse effect on the Group’s business and results of operations, and therefore affect the ability of the Issuer to fulfil its obligations under the Notes.

Credit risk

The Group’s credit risks are mainly connected to airlines and air traffic-related industries. To the extent such customers cannot fulfil their obligations to the Group, this could have a material adverse effect on the Group’s business, financial condition and results of operations.

The Group has guidelines to limit exposure to possible losses. The Group has not made any third-party guarantees.

Maximum risk exposure is illustrated by the carried amounts of the financial assets, including derivatives in Avinor’s balance sheet. Avinor’s policy is that counterparties in financial contracts, including derivative transactions should have a minimum credit rating of BBB+ or similar, so the perceived credit risk is limited. On this basis, Avinor considers the credit risk connected to derivatives on its balance sheet as small. The Group’s assessment is that its maximum credit exposure is illustrated by the carried amounts of trade receivables and other short-term assets. A failure by the Issuer to effectively manage its credit risks could have a material adverse effect on the Group’s finances and therefore affect the ability of the Issuer to fulfil its obligations under the Notes.

Financial market risks

Foreign exchange risk

The Group is exposed to foreign exchange risk with respect to the value of NOK against other currencies caused by income and expenses in foreign currency. The Group’s income from en-route charges is exposed to foreign exchange risk while some contractual payments are stipulated in foreign currencies. A failure by the Issuer to effectively manage its foreign exchange risk could have a material adverse effect on the Group’s finances and therefore affect the ability of the Issuer to fulfil its obligations under the Notes.

Interest rate risk

The Group is exposed to interest rate risk through its financial activities. Parts of the Group’s borrowings are issued at floating interest rates, which means that the Group’s finance cost is influenced by changes in the interest rates. The objective of the Group’s interest rate risk management is to keep the volatility of future interest costs within acceptable limits. The Group’s policy is to hedge the interest rate of all long-term loans such that at least 60 per cent. of its total debt at all times is hedged for at least 12 months. A failure by the Issuer to effectively manage its interest rate risk could have a material adverse effect on the Group’s finances and therefore affect the ability of the Issuer to fulfil its obligations under the Notes.

Liquidity and funding risk

Liquidity risk is the risk that the Group will not be able to meet its financial obligations when they are due. Avinor depends on the availability of funding and credit to finance future development plans and projects and/or to refinance existing facilities and debt. No assurance can be given that the capital markets and/or syndication markets in which banks operate will be accessible and able to provide debt financing in such amounts and on such terms as may be required at the relevant time.

A failure by the Issuer to effectively manage its liquidity and funding risks could result in the Issuer not being able to meet its financial obligations when they fall due, and therefore have a material adverse effect on the Group's finances. As a result, this may affect the ability of the Issuer to fulfil its obligations under the Notes.

Power price risk

The Group is a consumer of electrical power, and its financial performance is hence exposed to the power price. In order to mitigate power price risk, the Group has entered into bilateral physical power contracts with the Norwegian state-owned renewable energy producer Statkraft Energi AS. Statkraft Energi AS has a credit rating of A (stable outlook) by Standard and Poor's as of July 2023 and A- (stable outlook) by Fitch as of January 2023. At the date of the Offering Circular approximately 100 per cent of the Group's anticipated power consumption for 2024 is covered by such contracts as well as some of the consumption for the years 2025 - 2028. Anticipated consumption in 2024 is approximately 225 GWh. The market value of these contracts as of the financial period ended 30 September 2023 was -98 million NOK.

Inflation risk

The Norwegian economy has, in 2022 and the first half of 2023, been characterised by rising and accelerating inflation, however with decelerating inflation growth after June 2023. Measured by the Consumer Price Index, the year-on-year increase in Norway was 4.0 per cent as of October 2023. To address inflationary pressures, global central banks have had to accelerate monetary policy normalisation and tighten financial conditions.

The Group is reliant on its ability and capacity to complete on-going projects on time and at cost and within the defined quality requirements. Inflation in the building and construction industry, and other business-critical service areas, may hamper the Group's ability to complete projects according to plan and budget, which could have a material adverse effect on the Group's business and results of operations, and therefore affect the ability of the Issuer to fulfil its obligations under the Notes.

General costs, non-project related, such as salaries are also impacted negatively by rising inflation. Avinor's ability to increase revenues from customers accordingly is limited because airline charges are set by the Ministry of Transport (the MT) independently of the development in inflation.

Rising inflation and increases in interest rate globally leads to diminishing purchase power for consumers which may cause a further reduction in travelling volumes as there is a risk that consumers will not prioritise leisure travels. Businesses may also cut back on travel activities due to rising inflation and a rising cost base.

Risks related to regulatory issues

The business framework within which Avinor operates is influenced by political decisions and potential changes in applicable regulatory framework, including tax regulations, aviation charges regulation, changes in security and safety regulations, as well as general conditions and regulations applicable to the aviation industry at large in the Norwegian market and the ongoing politically led process of strengthening Avinor's financial results through potential changes in regulations regarding income, scope of services, asset-base and the overall financing model of Avinor. These factors may influence the Group's production capacity, revenue or profits.

Several regulatory issues may in general have an impact on the Group's financial position, including:

- Changes in sectoral policy guidelines and social obligations
- Changes in regulatory requirements relating to safety, security, aviation charges, environment and information and communications technology
- Changes in current requirements concerning airport structure, service and quality level
- Changes in framework conditions relating to continued commercial business development
- Changes in the framework conditions relating to duty free sales

Any of these factors could have a material adverse effect on the Group's business, financial condition and results of operations, and therefore affect the Issuer's ability to meet its obligations under the Notes.

Environmental issues

Aviation affects both the local and the global environment. The environmental impact of the airport business relates primarily to aircraft noise; local air-, water- and ground pollution; and aircraft emissions that may have an impact on the global climate.

The Group is subject to several environmental laws, regulations, environmental expectations and reporting requirements, which are changing and evolving over time. Most significantly, individual environmental permits are granted for all of Avinor's 43 airports, in accordance with the Pollution Control Act. These regulate matters such as discharges of de-icing chemicals, firefighting foams and risk assessments at the airport. With regards to aircraft noise, the Oslo Airport is subject to specific regulation, whereas the other airports are regulated by the general noise requirements under the Pollution Control Act. The Group is also subject to legislation which regulates, amongst other things, biodiversity and cultural heritage. However, lack of compliance with the relevant regulations may result in withdrawal of permits which are required to keep airports open and a consequent reduction in income, which will have an impact on the Group's business and results of operations and therefore affect the Issuer's ability to meet its obligations under the Notes. For further information, see "*Description of the Issuer – Operations – Corporate social responsibility – Environmental Efforts*".

PFAS

PFAS are fluorine organic compounds that were previously added to fire foam, and which have spread to the ground at the airports where such foams were used and they are now leaking out to the surrounding natural environment. These pollutants pose a risk of damage to the local natural environment and human health. Norway has committed internationally to reducing emissions and leakage of these compounds.

As of the date of this Offering Circular, clean-up operations have been completed or are ongoing at seven airports. Pursuant to an order from the Norwegian Environment Agency, clean-up at six more airports is planned to be completed by 2027, in addition to mapping the pollution situation at a further 11 airports. The total cost for these activities is uncertain but expected to be significant, however subject to choice of technology. Total provision related to external environment clean-up costs as of 30 September 2023 is NOK 946.5 million. The provision related to external environment clean-up will be updated in future accounting periods when more information is available. Avinor has an ongoing dialogue with the Norwegian Environment Agency on the topic.

Please also see section "*Corporate Social Responsibility - Environmental Efforts – PFAS*" for further details

State ownership of Avinor AS

Political and economic policies of the Norwegian state could affect the Group's business and financial position, and therefore affect the Issuer's ability to meet its obligations under the Notes. This may be reflected in

decisions relating to the pursuance of the Group's commercial and financial interests, including those relating to dividend distribution policy and/or its strategy on development and operation of airports and air navigation services.

The consideration by the MT to separate the ownership of the Avinor owned subsidiary, Avinor Flysikring AS, from Avinor, has for the time being put on hold by the MT. Avinor has received no indications as to if, or when, this discussion will be continued.

A disposal of any or all the shares in Avinor Flysikring AS on arm's length terms will, however, not constitute an Event of Default as defined in the Terms and Conditions of the Notes other than the VPS Notes or the Terms and Conditions of the VPS Notes.

Geopolitical change

All of Avinor's assets and business activities are located in Norway, however with a key role in the Norwegian aviation sector, Avinor is exposed to international sectors such as a transportation and tourism. Political, economic or social instability in international regions with significant traffic volumes to or from Avinor's airports could adversely affect Avinor's business, causing Avinor financial loss.

Political instability, civil disorder, strikes, insurrections, acts of terrorism, acts of war, sanctions, trade disputes or other forms of instability and unrest may also result in hostile actions against other regions' aviation infrastructure, airport staff, digital aviation infrastructure and may result in limited or no traffic between the regions subject to these activities and Avinor's airports which may disrupt or curtail Avinor's operations, business opportunities and may cause negative financial implications for Avinor.

Russia's invasion of Ukraine in February 2022 has affected the world economy and the aviation industry, however as of the date of this Offering Circular, consequences for Avinor are considered limited but may potentially escalate and adversely affect Avinor as the conflict continues and Avinor will continue to monitor the situation. Norway and other major economies including the US, the UK, and the EU have imposed multiple sanctions against Russia, as well as certain Russian individuals and companies. Russian airlines are banned from Norwegian and other countries' air spaces. In addition to not being able to fly to, or over, certain countries, the conflict has contributed to increased prices on Avinor's input factors such as fuel, insurance prices, and increased security which ultimately leads to increased prices on air travel. Hence, the conflict might lead to reduced travel activity as a result of the increased cost of air travel, and this will impact the revenues of Avinor

FACTORS WHICH ARE MATERIAL FOR THE PURPOSE OF ASSESSING THE MARKET RISKS ASSOCIATED WITH NOTES ISSUED UNDER THE PROGRAMME

Risks related to the structure of a particular issue of Notes

A range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

If the Issuer has the right to redeem any Notes at its option, this may limit the market value of the Notes concerned and an investor may not be able to reinvest the redemption proceeds in a manner which achieves a similar effective return.

An optional redemption feature is likely to limit the market value of Notes. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an

effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

If the Notes include a feature to convert the interest basis from a fixed rate to a floating rate, or vice versa, this may affect the secondary market and the market value of the Notes concerned.

Fixed/Floating Rate Notes are Notes which bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Such a feature to convert the interest basis, and any conversion of the interest basis, may affect the secondary market in, and the market value of, such Notes as the change of interest basis may result in a lower interest return for Noteholders. Where the Notes convert from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. Where the Notes convert from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on those Notes and could affect the market value of an investment in the relevant Notes.

Notes which are issued at a substantial discount or premium may experience price volatility in response to changes in market interest rates.

The market values of securities issued at a substantial discount (such as Zero Coupon Notes) or premium to their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for more conventional interest-bearing securities. Generally, the longer the remaining term of such securities, the greater the price volatility as compared to more conventional interest-bearing securities with comparable maturities.

Regulation and reform of benchmarks may adversely affect the value of Notes linked to or referencing such “benchmarks”.

Interest rates and indices which are deemed to be “benchmarks” (including EURIBOR, NIBOR and STIBOR) are the subject of national and international regulatory guidance and proposals for reform. Some of these reforms are already effective whilst others are still to be implemented. These reforms may cause such benchmarks to perform differently than in the past, to disappear entirely, or have other consequences which cannot be predicted. Any such consequence could have a material adverse effect on any Notes referencing such a benchmark.

The EU Benchmarks Regulation applies, subject to certain transitional provisions, to the provision of benchmarks, the contribution of input data to a benchmark and the use of a benchmark within the EU. Among other things, it (i) requires benchmark administrators to be authorised or registered (or, if non-EU-based, to be subject to an equivalent regime or otherwise recognised or endorsed) and (ii) prevents certain uses by EU supervised entities of benchmarks of administrators that are not authorised or registered (or, if non-EU based, not deemed equivalent or recognised or endorsed). Regulation (EU) 2016/1011 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (the **UK Benchmarks Regulation**) among other things, applies to the provision of benchmarks and the use of a benchmark in the UK. Similarly, it prohibits the use in the UK by UK supervised entities of benchmarks of administrators that are not authorised by the FCA or registered on the FCA register (or, if non-UK based, not deemed equivalent or recognised or endorsed).

The EU Benchmarks Regulation and/or the UK Benchmarks Regulation, as applicable, could have a material impact on any Notes linked to or referencing a benchmark in particular, if the methodology or other terms of the benchmark are changed in order to comply with the requirements of the EU Benchmarks Regulation and/or the UK Benchmarks Regulation, as applicable. Such changes could, among other things, have the effect of reducing, increasing or otherwise affecting the volatility of the published rate or level of the relevant benchmark.

More broadly, any of the international or national reforms, or the general increased regulatory scrutiny of benchmarks, could increase the costs and risks of administering or otherwise participating in the setting of a benchmark and complying with any such regulations or requirements.

The euro risk-free-rate working group for the euro area has published a set of guiding principles and high level recommendations for fallback provisions in, amongst other things, new euro denominated cash products (including bonds) referencing EURIBOR. The guiding principles indicate, amongst other things, that continuing to reference EURIBOR in relevant contracts (without robust fallback provisions) may increase the risk to the euro area financial system. On 11 May 2021, the euro risk-free rate working group published its recommendations on EURIBOR fallback trigger events and fallback rates.

Such factors may have (without limitation) the following effects on certain benchmarks: (i) discouraging market participants from continuing to administer or contribute to a benchmark; (ii) triggering changes in the rules or methodologies used in the benchmark and/or (iii) leading to the disappearance of the benchmark. Any of the above changes or any other consequential changes as a result of international or national reforms or other initiatives or investigations, could have a material adverse effect on the value of and return on any Notes linked to, referencing, or otherwise dependent (in whole or in part) upon, a benchmark.

Each of the Terms and Conditions of the Notes other than the VPS Notes and the Terms and Conditions of the VPS Notes provide for certain fallback arrangements in the event that a Benchmark Event (as further described in the Terms and Conditions of the Notes other than the VPS Notes and the Terms and Conditions of the VPS Notes) occurs. Such fallback arrangements will result in any Note linked to or referencing such benchmark performing differently than they would if the relevant benchmark were to continue to apply in its current form. No consent of the Noteholders, Couponholders, or VPS Noteholders, as applicable, shall be required in connection with effecting any relevant fallback arrangements.

In certain circumstances (including where, following the occurrence of a Benchmark Event, the Independent Adviser appointed by the Issuer fails to make the necessary determination of a Successor Rate or Alternative Rate or (in either case) the applicable Adjustment Spread (each as defined in the conditions of the Notes)), the ultimate fallback for the purposes of calculation of the Rate of Interest for a particular Interest Period may result in the Rate of Interest for the last preceding Interest Period being used. This may result in the effective application of a fixed rate for Floating Rate Notes based on the rate which was last observed on the Relevant Screen Page. In addition, due to the uncertainty concerning the availability of successor rates and alternative rates and the involvement of an Independent Adviser, the relevant fallback provisions may not operate as intended at the relevant time.

Investors should consult their own independent advisers and make their own assessment about the potential risks imposed by the EU Benchmarks Regulation and/or the UK Benchmarks Regulation, as applicable, or any of the international or national reforms and the possible application of the benchmark replacement provisions of Notes in making any investment decision with respect to any Notes referencing a benchmark.

Risks related to Notes generally

Set out below is a description of material risks relating to the Notes generally:

The conditions of the Notes contain provisions which may permit their modification without the consent of all investors.

The Terms and Conditions of the Notes other than VPS Notes and the Terms and Conditions of the VPS Notes contain provisions for calling meetings of Noteholders to consider and vote upon matters affecting their interests generally, or to pass resolutions in writing or through the use of electronic consents. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting or, as the case may be, did not sign the written resolution or give their consent electronically, and including those Noteholders who voted in a manner contrary to the majority.

The Terms and Conditions of the Notes other than VPS Notes also provide that the Issuer and the Agent may, without the consent of holders of Notes other than VPS Notes, agree to any modification of the Notes other than VPS Notes, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law. Any such modification shall be binding on the holders of Notes other than VPS Notes and the Couponholders as described in Condition 14 of the Terms and Conditions of the Notes other than VPS Notes.

The VPS Trustee Agreement provides that the VPS Trustee may, without the consent of the holders of VPS Notes, make certain modifications to the Terms and Conditions of the VPS Notes or the VPS Trustee Agreement without the prior consent or sanction of such holders of VPS Notes, as further detailed in the Terms and Conditions of the VPS Notes and the VPS Trustee Agreement. The VPS Trustee must notify the holders of VPS Notes of a proposal to effect such modification and the holders of VPS Notes then have at least five Business Days to protest. If a protest is made, then the relevant modification will not be made. If there is no protest, then the relevant modification will be binding on the holders of VPS Notes.

Where the Issuer encounters, or is likely to encounter, financial difficulties that are affecting, or will or may affect, its ability to carry on business as a going concern, it may propose a Restructuring Plan (a **Plan**) with its creditors under Part 26A of the Companies Act 2006 (introduced by the Corporate Insolvency and Governance Act 2020) to eliminate, reduce, prevent or mitigate the effect of any of those financial difficulties. Should this happen, creditors whose rights are affected are organised into creditor classes and can vote on any such Plan (subject to being excluded from the vote by the English courts for having no genuine economic interest in the Issuer). Providing that one class of creditors (who would receive a payment, or have a genuine economic interest in the Issuer) has approved the Plan, and in the view of the English courts any dissenting class(es) who did not approve the Plan are no worse off under the Plan than they would be in the event of the “relevant alternative” (such as, broadly, liquidation or administration), then the English court can sanction the Plan where it would be a proper exercise of its discretion. A sanctioned Plan is binding on all creditors and members, regardless of whether they approved it. Any such sanctioned Plan in relation to the Issuer may, therefore, adversely affect the rights of Noteholders and the price or value of their investment in the Notes, as it may have the effect of modifying or disapplying certain terms of the Notes (by, for example, writing down the principal amount of the Notes, modifying the interest payable on the Notes, the maturity date or dates on which any payments are due or substituting the Issuer).

Norwegian Withholding Tax

Norway has imposed a withholding tax on certain payments of interest from 1 July 2021. The rules limit the scope of this withholding tax to interest payments made to related parties resident within low tax jurisdictions. If any withholding or deduction is made for or on account of withholding tax imposed by Norway due to the application of the Norwegian Tax Act, payments by the Issuer to Noteholders who are related parties (as such term is defined in the Norwegian Tax Act section 10-82) of the Issuer and are tax resident in low-tax jurisdictions (as such term is defined in the Norwegian Tax Act section 10-63) may be affected, given that the Issuer does not have to pay any additional amounts in respect thereof pursuant to Condition 7(d) (in the case of Notes other than VPS Notes) and Condition 7(b) (in the case of VPS Notes). Consequently, in such event the affected Noteholders will only be entitled to receive interest payments under the Notes net of withholding tax; meaning that the amount of the payment due from the Issuer will be made after any withholding or deduction is made for or on account of the Norwegian Tax Act. Potential investors should consult their professional advisers as to the tax consequences of the Norwegian Tax Act in Norwegian law in relation to their investment in the Notes.

Potential Issuer Redemption for Tax Reasons

If the Issuer has or will become obliged to pay additional amounts as provided in Condition 7 (in the case of both Notes other than VPS Notes and VPS Notes), the Issuer may (subject to the conditions set out therein) exercise its right to redeem the Notes pursuant to Condition 6.2 (in the case of both Notes other than VPS and VPS Notes).

As the withholding tax regime is in effect prior to the Issue Date of any Notes, the Issuer cannot use this to exercise its right to redeem the Notes pursuant to Condition 6.2, however, it cannot be excluded that Norway could extend the withholding tax regime to a wider range of creditors in the future, including one or more holder of Notes. Hence, there is a risk that an extension of the withholding tax rules on payments under the Notes will entitle the Issuer to redeem the Notes prior to their stated maturity.

The value of the Notes could be adversely affected by a change in English law or Norwegian law or administrative practice.

The Terms and Conditions of the Notes other than VPS Notes and any non-contractual obligations arising out of or in connection with such Notes are based on English law in effect as at the date of this Offering Circular.

The Terms and Conditions of the VPS Notes (save for Conditions 2, 12, 13 and 14 of the Terms and Conditions of the VPS Notes) and any non-contractual obligations arising out of or in connection with such Notes are based on English law; Conditions 2, 12, 13 and 14 of the Terms and Conditions of the VPS Notes are governed by Norwegian law, in each case as in effect as at the date of this Offering Circular.

No assurance can be given as to the impact of any possible judicial decision or change to English or Norwegian law or administrative practice after the date of this Offering Circular and any such change could materially adversely impact the value of any Notes affected by it.

Investors who hold less than the minimum Specified Denomination may be unable to sell their Notes and may be adversely affected if definitive Notes are subsequently required to be issued.

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts in excess of the minimum Specified Denomination that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system would not be able to sell the remainder of such holding without first purchasing a principal amount of Notes at or in excess of the minimum Specified Denomination such that its holding amounts to a Specified Denomination. Further, a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes at or in excess of the minimum Specified Denomination such that its holding amounts to a Specified Denomination.

If such Notes in definitive form are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Risks related to the market generally

Set out below is a description of material market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

An active secondary market in respect of the Notes may never be established or may be illiquid and this would adversely affect the value at which an investor could sell his Notes.

Notes may have no established trading market when issued, and one may never develop. If a market for the Notes does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies, are being issued to a single

investor or a limited number of investors or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities.

If an investor holds Notes which are not denominated in the investor's home currency, he will be exposed to movements in exchange rates adversely affecting the value of his holding. In addition, the imposition of exchange controls in relation to any Notes could result in an investor not receiving payments on those Notes.

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the **Investor's Currency**) other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-equivalent value of the principal payable on the Notes and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate or the ability of the Issuer to make payments in respect of the Notes. As a result, investors may receive less interest or principal than expected, or no interest or principal.

The value of Fixed Rate Notes may be adversely affected by movements in market interest rates.

Investment in Fixed Rate Notes involves the risk that if market interest rates subsequently increase above the rate paid on the Fixed Rate Notes, this will adversely affect the value of the Fixed Rate Notes.

Credit ratings assigned to the Issuer or any Notes may not reflect all the risks associated with an investment in those Notes.

One or more independent credit rating agencies may assign credit ratings to the Issuer or the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised, suspended or withdrawn by the rating agency at any time.

In general, European regulated investors are restricted under CRA Regulation from using credit ratings for regulatory purposes in the EEA, unless such ratings are issued by a credit rating agency established in the EEA and registered under the CRA Regulation (and such registration has not been withdrawn or suspended, subject to transitional provisions that apply in certain circumstances). Such general restriction will also apply in the case of credit ratings issued by third country non-EEA credit rating agencies, unless the relevant credit ratings are endorsed by an EEA-registered credit rating agency or the relevant third country rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended, subject to transitional provisions that apply in certain circumstances).

Investors regulated in the UK are subject to similar restrictions under the UK CRA Regulation. As such, UK regulated investors are required to use for UK regulatory purposes ratings issued by a credit rating agency established in the UK and registered under the UK CRA Regulation. In the case of ratings issued by third country non-UK credit rating agencies, third country credit ratings can either be: (a) endorsed by a UK registered credit rating agency; or (b) issued by a third country credit rating agency that is certified in accordance with the UK CRA Regulation. Note this is subject, in each case, to (a) the relevant UK registration, certification or endorsement, as the case may be, not having been withdrawn or suspended, and (b) transitional provisions that apply in certain circumstances.

If the status of the rating agency rating the Notes changes for the purposes of the CRA Regulation and/or the UK CRA Regulation, relevant regulated investors may no longer be able to use the rating for regulatory purposes in the EEA or the UK, as applicable, and the Notes may have a different regulatory treatment, which may impact the value of the Notes and their liquidity in the secondary market.

Following the publication of this Offering Circular a supplement may be prepared by the Issuer and approved by the CSSF in accordance with Article 23 of the Prospectus Regulation. Statements contained in any such supplement (or contained in any document incorporated by reference therein) shall, to the extent applicable, be deemed to modify or supersede statements contained in this Offering Circular or in a document which is incorporated by reference in this Offering Circular. Any statement so modified or superseded shall not, except as so modified or superseded, constitute a part of this Offering Circular.

Any information in the documents described above that is not referred to above is not incorporated in, and shall not form part of, this Offering Circular. Any such non-incorporated parts of a document referred to herein are either deemed not relevant for an investor or are otherwise covered elsewhere in this Offering Circular.

The Issuer will, in the event of any significant new factor, material mistake or material inaccuracy relating to information included in this Offering Circular which is capable of affecting the assessment of any Notes, prepare a supplement to this Offering Circular or publish a new Offering Circular for use in connection with any subsequent issue of Notes.

FORM OF THE NOTES

Any reference in this section to “applicable Final Terms” shall be deemed to include a reference to “applicable Pricing Supplement” where relevant.

The Notes of each Series will be in either bearer form, with or without interest coupons and/or talons attached or, in the case of VPS Notes, uncertificated book entry form.

Bearer Notes

Each Tranche of Notes other than VPS Notes will be in bearer form and will initially be issued in the form of a temporary global note (a **Temporary Global Note**) or, if so specified in the applicable Final Terms, a permanent global note (a **Permanent Global Note**) which, in either case, will:

- (i) if the Global Notes are intended to be issued in new global note (NGN) form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the **Common Safekeeper**) for Euroclear Bank SA/NV (**Euroclear**) and Clearstream Banking S.A. (**Clearstream, Luxembourg**); and
- (ii) if the Global Notes are not intended to be issued in NGN Form, be delivered on or prior to the original issue date of the Tranche to a common depositary (the **Common Depositary**) for Euroclear and Clearstream, Luxembourg or any other agreed clearing system.

Where the Global Notes issued in respect of any Tranche are in NGN form, the applicable Final Terms will also indicate whether or not such Global Notes are intended to be held in a manner which would allow Eurosystem eligibility. Any indication that the Global Notes are to be so held does not necessarily mean that the Notes of the relevant Tranche will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria. The Common Safekeeper for NGNs will either be Euroclear or Clearstream, Luxembourg or another entity approved by Euroclear and Clearstream, Luxembourg.

Whilst any Note is represented by a Temporary Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Global Note if the Temporary Global Note is not intended to be issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Agent.

On and after the date (the **Exchange Date**) which is 40 days after a Temporary Global Note is issued, interests in such Temporary Global Note will be exchangeable (free of charge) upon a request as described therein either for (a) interests in a Permanent Global Note of the same Series or (b) definitive Notes of the same Series with, where applicable, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of definitive Notes, to such notice period as is specified in the applicable Final Terms), in each case against certification of beneficial ownership as described above unless such certification has already been given. The holder of a Temporary Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Global Note for an interest in a Permanent Global Note or for definitive Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Global Note will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may be) of the

Permanent Global Note if the Permanent Global Note is not intended to be issued in NGN form) without any requirement for certification.

The applicable Final Terms will specify that a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Notes with, where applicable interest coupons and talons attached upon either (a) not less than 60 days written notice from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) to the Agent as described therein or (b) only upon the occurrence of an Exchange Event. For these purposes, **Exchange Event** means that (i) an Event of Default (as defined in Condition 9) of the Terms and Conditions of the Notes other than the VPS Notes and Condition 9 of the Terms and Conditions of the VPS Notes has occurred and is continuing, or (ii) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Permanent Global Note in definitive form. The Issuer will promptly give notice to Noteholders in accordance with Condition 13 of the Terms and Conditions of the Notes other than the VPS Notes and Condition 11 of the Terms and Conditions of the VPS Notes if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Agent.

The following legend will appear on all Notes (other than Temporary Global Notes), receipts and interest coupons relating to such Notes where TEFRA D is specified in the applicable Final Terms:

“ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE.”

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Notes or interest coupons and will not be entitled to capital gains treatment in respect of any gain on any sale, disposition, redemption or payment of principal in respect of Notes or interest coupons.

Notes which are represented by a Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

Pursuant to the Agency Agreement (as defined under “*Terms and Conditions of the Notes other than the VPS Notes*”), the Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes at a point after the Issue Date of the further Tranche, the Notes of such further Tranche shall be assigned a common code and ISIN which are different from the common code and ISIN assigned to Notes of any other Tranche of the same Series until such time as the Tranches are consolidated and form a single Series, which shall not be prior to the expiry of the distribution compliance period (as defined in Regulation S under the Securities Act) applicable to the Notes of such Tranche.

A Note may be accelerated by the holder thereof in certain circumstances described in Condition 9 of the Terms and Conditions of the Notes other than the VPS Notes and Condition 9 of the Terms and Conditions of the VPS Notes. In such circumstances, where any Note is still represented by a Global Note and the Global Note (or any part thereof) has become due and repayable in accordance with the Terms and Conditions of such Notes and payment in full of the amount due has not been made in accordance with the provisions of the Global Note then from 8.00 p.m. (London time) on such day holders of interests in such Global Note credited to their accounts with Euroclear and/or Clearstream, Luxembourg, as the case may be, will become entitled to proceed directly against the Issuer on the basis of statements of account provided by Euroclear and/or Clearstream,

Luxembourg on and subject to the terms of a deed of covenant (the **Deed of Covenant**) dated 15 December 2017 and executed by the Issuer.

The Issuer may agree with any Dealer that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes, in which event a new Offering Circular will be made available which will describe the effect of the agreement reached in relation to such Notes.

VPS Notes

Each Tranche of VPS Notes will be issued in uncertificated and dematerialised book entry form. Legal title to the VPS Notes will be evidenced by book entries in the records of the VPS. On the issue of such VPS Notes, the Issuer will send a letter to the VPS Trustee, with copies sent to the Agent and the VPS Agent (the **VPS Letter**), which letter will set out the terms of the relevant issue of VPS Notes in the form of a Final Terms supplement attached thereto. On delivery of a copy of such VPS Letter including the relevant Final Terms to the VPS and notification to the VPS of the subscribers and their VPS account details by the relevant Dealer, the account operator acting on behalf of the Issuer will credit each subscribing account holder with the VPS with a nominal amount of VPS Notes equal to the nominal amount thereof for which it has subscribed and paid.

Settlement of sale and purchase transactions in respect of VPS Notes in the VPS will take place two Oslo business days after the date of the relevant transaction. Transfers of interests in the relevant VPS Notes will only take place in accordance with the rules and procedures for the time being of the VPS.

VPS Notes may not be exchanged for bearer Notes and *vice versa*.

General

Any reference herein to Euroclear and/or Clearstream, Luxembourg and/or VPS shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms.

FORM OF FINAL TERMS

Set out below is the form of Final Terms which will be completed for each Tranche of Notes other than Exempt Notes issued under the Programme.

[PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (**EEA**). For these purposes, a **retail investor** means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, **MiFID II**); (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation (as defined below). Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the **PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.]¹

[PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (**UK**). For these purposes, a **retail investor** means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (**EUWA**); (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the **UK PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.]²

[MiFID II product governance – Solely for the purposes of [the/each] manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, **MiFID II**)[**MiFID II**]; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturer['s/s'] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer['s/s'] target market assessment) and determining appropriate distribution channels.]

[UK MIFIR product governance / Professional investors and ECPs only target market – Solely for the purposes of [the/each] manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (**COBS**), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of [the European Union (Withdrawal)

¹ Legend to be included on front of the Final Terms if the Notes potentially constitute "packaged" products and no key information document will be prepared in the EEA or the Issuer wishes to prohibit offers to EEA retail investors for any other reason, in which case the selling restriction should be specified to be "Applicable".

² Legend to be included on front of the Final Terms if the Notes potentially constitute "packaged" products and no key information document will be prepared in the UK or the Issuer wishes to prohibit offers to UK retail investors for any other reason, in which case the selling restriction should be specified to be "Applicable".

Act 2018 / EUWA] (**UK MiFIR**); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any [distributor / person subsequently offering, selling or recommending the Notes (a **distributor**)] should take into consideration the manufacturer['s/s'] target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the **UK MiFIR Product Governance Rules**) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer['s/s'] target market assessment) and determining appropriate distribution channels.]

[**Notification under Section 309B(1)(c) of the Securities and Futures Act 2001 of Singapore, as modified or amended from time to time (the SFA)** – *[To insert notice if classification of the Notes is not “prescribed capital markets products”, pursuant to Section 309B of the SFA or Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products)]*]¹

2. RATINGS

Ratings: [The Notes to be issued [[have been]/[are expected to be]] rated]:

[insert details]] by [insert the legal name of the relevant credit rating agency entity(ies) and associated defined terms].

Each of [defined terms] is established in the [European Economic Area/United Kingdom] and is registered under Regulation (EC) No. 1060/2009 (as amended) [as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018] (the [UK] CRA Regulation).

[Need to include a brief explanation of the meaning of the ratings if this has previously been published by the rating provider.]

(The above disclosure should reflect the rating allocated to Notes of the type being issued under the Programme generally or, where the issue has been specifically rated, that rating.)

3. INTERESTS OF NATURAL AND LEGAL PERSONS INVOLVED IN THE ISSUE

[Save for any fees payable to [] (the [Managers]/[Dealers]), so far as the Issuer is aware, no person involved in the issue of the Notes has an interest material to the offer. The [Managers/Dealers] and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform other services for, the Issuer and its affiliates in the ordinary course of business - Amend as appropriate if there are other interests]

[(When adding any other description, consideration should be given as to whether such matters described constitute “significant new factors” and consequently trigger the need for a supplement to the Offering Circular under Article 23 of the Prospectus Regulation.)]

4. USE OF PROCEEDS AND ESTIMATED NET PROCEEDS

- (i) Use of Proceeds: [See “Use of Proceeds” in the Offering Circular/*Give details*]

FORM OF PRICING SUPPLEMENT

Set out below is the form of Pricing Supplement which will be completed for each Tranche of Exempt Notes, whatever the denomination of those Notes, issued under the Programme.

[PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the **EEA**). For these purposes, a **retail investor** means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (**MiFID II**); (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (the **Prospectus Regulation**). Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the **PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.]¹

[PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (**UK**). For these purposes, a **retail investor** means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (**EUWA**); (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the **UK PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.]²

[MiFID II product governance – Solely for the purposes of [the/each] manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, **MiFID II**)[**MiFID II**]; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturer['s/s'] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer['s/s'] target market assessment) and determining appropriate distribution channels.]

[UK MIFIR product governance / Professional investors and ECPs only target market – Solely for the purposes of [the/each] manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (**COBS**), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of [the European Union (Withdrawal) Act 2018 / EUWA] (**UK MiFIR**); and (ii) all channels for distribution of the Notes to eligible counterparties

¹ Legend to be included on front of the Pricing Supplement if the Notes potentially constitute "packaged" products and no key information document will be prepared in the EEA or the Issuer wishes to prohibit offers to EEA retail investors for any other reason, in which case the selling restriction should be specified to be "Applicable".

² Legend to be included on front of the Pricing Supplement if the Notes potentially constitute "packaged" products and no key information document will be prepared in the UK or the Issuer wishes to prohibit offers to UK retail investors for any other reason, in which case the selling restriction should be specified to be "Applicable".

and professional clients are appropriate. Any [distributor / person subsequently offering, selling or recommending the Notes (a **distributor**)] should take into consideration the manufacturer['s/s'] target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the **UK MiFIR Product Governance Rules**) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer['s/s'] target market assessment) and determining appropriate distribution channels.]

[Notification under Section 309B(1)(c) of the Securities and Futures Act 2001 of Singapore, as modified or amended from time to time (the SFA) – [To insert notice if classification of the Notes is not “prescribed capital markets products”, pursuant to Section 309B of the SFA or Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products)]]¹

PART A – CONTRACTUAL TERMS

[Any person making or intending to make an offer of the Notes may only do so in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Regulation or to supplement a prospectus pursuant to Article 23 of the Prospectus Regulation, in each case, in relation to such offer.]²

[This document constitutes the Pricing Supplement for the Notes described herein. This document must be read in conjunction with the Offering Circular dated 5 December 2023 [as supplemented by the supplement dated [date] [and [date]], (the **Offering Circular**). Full information on the Issuer and the offer of the Notes is only available on the basis of the combination of this Pricing Supplement and the Offering Circular. Copies of the Offering Circular may be obtained from [].]

The following alternative language applies if the first tranche of an issue which is being increased was issued under an Offering Circular with an earlier date.

[Terms used herein shall be deemed to be defined as such for the purposes of the [Terms and Conditions of the Notes other than VPS Notes] [the Terms and Conditions of the VPS Notes] (the **Conditions**) set forth in the Offering Circular dated [17 December 2014 / 14 December 2016/ 13 December 2019 / 16 December 2021 / 16 December 2022] which are incorporated by reference in the Offering Circular dated 5 December 2023.]

[Include whichever of the following apply or specify as “Not Applicable”. Note that the numbering should remain as set out below, even if “Not Applicable” is indicated for individual paragraphs or subparagraphs. Italics denote directions for completing the Final Terms.]

TERMS AND CONDITIONS OF THE NOTES OTHER THAN THE VPS NOTES

The following are the Terms and Conditions of the Notes other than the VPS Notes, which will be incorporated by reference into each Global Note (as defined below) and each definitive Note, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Pricing Supplement in relation to any Tranche of Exempt Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes. The applicable Final Terms or, in the case of Exempt Notes, the applicable Pricing Supplement (or in either case the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to “Form of Final Terms” or “Form of Pricing Supplement”, as applicable, for a description of the content of the Final Terms or Pricing Supplement which will specify which of such terms are to apply in relation to the relevant Notes.

This Note is one of a Series (as defined below) of Notes issued by Avinor AS (the **Issuer**) pursuant to the Agency Agreement (as defined below).

References herein to the **Notes** shall be references to the Notes of this Series and shall mean:

- (a) in relation to any Notes represented by a global Note (a **Global Note**), units of each Specified Denomination in the Specified Currency;
- (b) any Global Note; and
- (c) any definitive Notes issued in exchange for a Global Note.

The Notes and the Coupons (as defined below) have the benefit of an Agency Agreement (such Agency Agreement as amended and/or supplemented and/or restated from time to time, the **Agency Agreement**) dated 5 December 2023 and made between the Issuer, BNP Paribas, Luxembourg Branch as issuing and principal paying agent and agent bank (the **Agent**, which expression shall include any successor agent, and together with any additional or successor paying agents appointed from time to time, the **Paying Agents**).

The final terms for this Note (or the relevant provisions thereof) are set out in Part A of the Final Terms attached to or endorsed on this Note which complete these Terms and Conditions (the **Conditions**) or, if this Note is a Note which is neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Regulation (an **Exempt Note**), the final terms (or the relevant provisions thereof) are set out in Part A of the Pricing Supplement and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the Conditions, replace or modify the Conditions for the purposes of this Note. References to the **applicable Final Terms** are, unless otherwise stated, to Part A of the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note. Any reference in the Conditions to **applicable Final Terms** shall be deemed to include a reference to **applicable Pricing Supplement** where relevant. The expression **Prospectus Regulation** means Regulation (EU) 2017/1129.

Interest bearing definitive Notes have interest coupons (**Coupons**) and, in the case of Notes which, when issued in definitive form, have more than 27 interest payments remaining, talons for further Coupons (**Talons**) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Global Notes do not have Coupons or Talons attached on issue.

Any reference to **Noteholders** or **holders** in relation to any Notes shall mean the holders of the Notes and shall, in relation to any Notes represented by a Global Note, be construed as provided below. Any reference herein to **Couponholders** shall mean the holders of the Coupons and shall, unless the context otherwise

requires, include the holders of the Talons. As used herein, **Tranche** means Notes which are identical in all respects (including as to listing and admission to trading) and **Series** means a Tranche of Notes together with any further Tranche or Tranches of Notes which (a) are expressed to be consolidated and form a single series and (b) have the same terms and conditions or terms and conditions which are the same in all respects save for the amount and date of the first payment of interest thereon and the date from which interest starts to accrue.

The Noteholders and the Couponholders are entitled to the benefit of the Deed of Covenant (such Deed of Covenant as modified and/or supplemented and/or restated from time to time, the **Deed of Covenant**) dated 15 December 2017 and made by the Issuer. The original of the Deed of Covenant is held by the common depositary for Euroclear (as defined below) and Clearstream, Luxembourg (as defined below).

Copies of the Agency Agreement and the Deed of Covenant (i) are available for inspection or collection during normal business hours at the specified office of each of the Paying Agents or (ii) may be provided by email to a Noteholder following their prior written request to any Paying Agent and provision of proof of holding and identity (in a form satisfactory to the relevant Paying Agent). If the Notes are to be admitted to trading on the regulated market of the Luxembourg Stock Exchange the applicable Final Terms will be published on the website of the Luxembourg Stock Exchange (www.luxse.com). If this Note is an Exempt Note, the applicable Pricing Supplement will only be obtainable by a Noteholder holding one or more Notes and such Noteholder must produce evidence satisfactory to the Issuer and the relevant Paying Agent as to its holding of such Notes and identity. The Noteholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement, the Deed of Covenant and the applicable Final Terms which are applicable to them. The statements in the Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement.

Words and expressions defined in the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in the Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

In the Conditions, **euro** means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended.

1. FORM, DENOMINATION AND TITLE

The Notes are in bearer form and, in the case of definitive Notes, serially numbered, in the currency (the **Specified Currency**) and the denominations (the **Specified Denomination(s)**) specified in the applicable Final Terms. Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination.

This Note may be a Fixed Rate Note, a Floating Rate Note or a Zero Coupon Note, or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

Definitive Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in the Conditions are not applicable.

Subject as set out below, title to the Notes and Coupons will pass by delivery. The Issuer and the Paying Agents will (except as otherwise required by law) deem and treat the bearer of any Note or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear Bank SA/NV (**Euroclear**) and/or Clearstream Banking S.A. (**Clearstream, Luxembourg**), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of

Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and the Paying Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the Issuer and any Paying Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions **Noteholder** and **holder of Notes** and related expressions shall be construed accordingly.

Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be. References to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in Part B of the applicable Final Terms.

2. STATUS OF THE NOTES

The Notes and any relative Coupons are direct, unconditional, unsubordinated and (subject to the provisions of Condition 3) unsecured obligations of the Issuer and rank *pari passu* among themselves and (save for certain obligations required to be preferred by law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Issuer, from time to time outstanding.

3. NEGATIVE PLEDGE

3.1 Negative Pledge

So long as any of the Notes remains outstanding, the Issuer will not, and the Issuer will procure that none of its Subsidiaries will, create or have outstanding any mortgage, charge, lien, pledge or other security interest (each a **Security Interest**) upon, or with respect to, any of the present or future business, undertaking, assets or revenues (including any uncalled capital) of the Issuer and/or any of its Subsidiaries to secure any Relevant Indebtedness (as defined below) unless the Issuer, in the case of the creation of the Security Interest, before or at the same time and, in any other case, promptly, takes any and all action necessary to ensure that:

- (a) all amounts payable by it under the Notes and the Coupons are secured by the Security Interest equally and rateably with the Relevant Indebtedness; or
- (b) such other Security Interest or guarantee or other arrangement (whether or not it includes the giving of a Security Interest) is provided as is approved by an Extraordinary Resolution (as defined in the Agency Agreement) of the Noteholders.

3.2 Interpretation

In these Conditions:

- (a) **Relevant Indebtedness** means (i) any present or future indebtedness (whether being principal, premium, interest or other amounts) for or in respect of any notes, bonds, debentures, debenture stock, loan stock or other securities which are for the time being quoted, listed or ordinarily dealt in on any stock exchange, over-the-counter or other securities market and (ii) any guarantee or indemnity of any such indebtedness; and

- (b) **Subsidiary** means, in relation to the Issuer, any company (i) in which the Issuer holds a majority of the voting rights, (ii) of which the Issuer is a member and has the right to appoint or remove a majority of the board of directors or (iii) of which the Issuer is a member and controls a majority of the voting rights, and includes any company which is a Subsidiary of a Subsidiary of the Issuer.

4. INTEREST

4.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in the Conditions, **Fixed Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (a) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note; or
- (b) in the case of Fixed Rate Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction.

The resultant figure (including after application of any Fixed Coupon Amount or Broken Amount to the Calculation Amount in the case of Fixed Rate Notes in definitive form) shall be rounded to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

In the Conditions:

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 4.1:

- (a) if “Actual/Actual (ICMA)” is specified in the applicable Final Terms:
 - (i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **Accrual**

Period) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (I) the number of days in such Determination Period and (II) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or

(ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:

(A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and

(B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and

(b) if “30/360” is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360;

Determination Period means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

sub-unit means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

4.2 Interest on Floating Rate Notes

(a) Interest Payment Dates

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In the Conditions, **Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date or the relevant payment date if the Notes become payable on a date other than an Interest Payment Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 4.2(a)(ii) above, the Floating Rate Convention, such Interest Payment Date (a) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (ii) below shall apply *mutatis mutandis* or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In the Conditions, **Business Day** means:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and each Additional Business Centre specified in the applicable Final Terms;
- (b) if T2 is specified as an Additional Business Centre in the applicable Final Terms, a day on which the Trans-European Automated Real-time Gross Settlement Express Transfer System or any successor or replacement for that system (**T2**) is open; and
- (c) either (i) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (ii) in relation to any sum payable in euro, a day on which T2 is open.

(b) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified below.

The Rate of Interest for each Interest Period will, subject as provided below and in Condition 4.2(e), be either:

- (i) the offered quotation; or

- (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being either EURIBOR, NIBOR or STIBOR as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) as at the Specified Time on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent or the Calculation Agent, as applicable. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent or the Calculation Agent, as applicable, for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of (i) above, no such offered quotation appears or, in the case of (ii) above, fewer than three such offered quotations appear, in each case as at the Specified Time, the Issuer shall appoint a Determination Agent and the Determination Agent shall request each of the Reference Banks to provide it with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Determination Agent with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Determination Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Determination Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Determination Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Determination Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the Norwegian inter-bank market (if the Reference Rate is NIBOR) or the Stockholm inter-bank market (if the Reference Rate is STIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Determination Agent with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Determination Agent it is quoting to leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the Norwegian inter-bank market (if the Reference Rate is NIBOR) or the Stockholm inter-bank market (if the Reference Rate is STIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

In the case of Exempt Notes, if the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Pricing Supplement as being other than EURIBOR, NIBOR or STIBOR,

the Rate of Interest in respect of the Notes will be determined as provided in the applicable Pricing Supplement.

In this Condition 4.2(b):

Determination Agent means a leading investment bank which is an active market participant in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR), the Stockholm inter-bank market (if the Reference Rate is STIBOR) or the Norwegian inter-bank market (if the Reference Rate is NIBOR);

Reference Banks means (x) in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, (y) in the case of a determination of NIBOR, the principal Oslo office of four major banks in the Oslo inter-bank market or (z) in the case of a determination of STIBOR, the principal Stockholm office of four major banks in the Stockholm inter-bank market, in each case selected by the Determination Agent or as specified in the applicable Final Terms; and

Specified Time means 11.00 a.m. (Brussels time) if the Reference Rate is EURIBOR, 11.00 a.m. (Stockholm time) if the Reference Rate is STIBOR or 12.00 noon (Oslo time) if the Reference Rate is NIBOR.

(c) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(d) Determination of Rate of Interest and calculation of Interest Amounts

The Agent or the Calculation Agent, as applicable, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Agent or the Calculation Agent, as applicable, will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Floating Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount

(determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 4.2:

- (i) if “Actual/Actual (ISDA)” or “Actual/Actual” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if “Actual/365 (Sterling)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if “Actual/360” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (vi) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30;

- (vii) if “30E/360 (ISDA)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30.

(e) Linear Interpolation

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Agent or the Calculation Agent, as applicable, by straight line linear interpolation by reference to two rates based on the relevant Reference Rate one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for the period of time next shorter or, as the

case may be, next longer, then the Agent or the Calculation Agent, as applicable, shall determine such rate at such time and by reference to such sources as it determines appropriate.

For the purposes of this Condition 4.2(e) **Designated Maturity** means the period of time designated in the Reference Rate.

(f) Notification of Rate of Interest and Interest Amounts

The Agent or the Calculation Agent, as applicable, will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes are for the time being listed (by no later than the first day of each Interest Period) and notice thereof to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will promptly be notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 13. For the purposes of this paragraph, the expression **London Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(g) Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4.2 by the Agent or the Calculation Agent, as applicable, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the other Paying Agents and all Noteholders and Couponholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the Noteholders or the Couponholders shall attach to the Agent or the Calculation Agent, as applicable, in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(h) Benchmark Discontinuation

(i) *Independent Adviser and Issuer*

If a Benchmark Event occurs in relation to an Original Reference Rate at any time when these Conditions provide for any remaining Rate of Interest (or any component part thereof) to be determined by reference to such Original Reference Rate, then the Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4.2(h)(ii)) and, in either case, an Adjustment Spread (in accordance with Condition 4.2(h)(iii)), and any Benchmark Amendments (in accordance with Condition 4.2(h)(iv)).

An Independent Adviser appointed pursuant to this Condition 4.2(h)(i) shall act in good faith and (in the absence of bad faith or fraud) shall have no liability whatsoever to the Issuer, the Agent, any Calculation Agent, the Noteholders or the Couponholders for any determination made by it pursuant to Condition 4.2(h).

(ii) *Successor Rate or Alternative Rate*

If the Independent Adviser determines that:

- (A) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 4.2(h)(iii)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4.2(h)); or
- (B) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 4.2(h)(iii)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4.2(h)).

(iii) *Adjustment Spread*

If any Successor Rate or Alternative Rate is determined in accordance with Condition 4.2(h)(ii), the Independent Adviser shall determine an Adjustment Spread (which may be expressed as a specified quantum or a formula or methodology for determining the applicable Adjustment Spread (and, for the avoidance of doubt, an Adjustment Spread may be positive, negative or zero)), which Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a relevant component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

(iv) *Benchmark Amendments*

If any Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread is determined in accordance with this Condition 4.2(h) and the Independent Adviser determines (A) that amendments to these Conditions are necessary to follow market practice or to ensure the proper operation of such Successor Rate or Alternative Rate and/or (in either case) the applicable Adjustment Spread (such amendments, the **Benchmark Amendments**) and (B) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4.2(h)(v), without any requirement for the consent or approval of Noteholders or Couponholders, vary these Conditions to give effect to such Benchmark Amendments with effect from the date specified in such notice.

(v) *Notices*

The Issuer will promptly notify the Agent, any Calculation Agent and, in accordance with Condition 13, the Noteholders and Couponholders promptly of any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments determined under this Condition 4.2(h). Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

The Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread and the Benchmark Amendments (if any) will (in the absence of manifest error or bad faith in the determination of the Successor Rate or Alternative Rate and the applicable Adjustment Spread and the Benchmark Amendments (if any)) be binding on the Issuer, the Agent, any Calculation Agent, the Noteholders and the Couponholders as of their effective date.

(vi) *Survival of Original Reference Rate*

Without prejudice to the obligations of the Issuer under the provisions of this Condition 4.2(h), the Original Reference Rate and the fallback provisions provided for in Condition 4.2(b) will

continue to apply unless and until a Benchmark Event has occurred in respect of the relevant Original Reference Rate.

(vii) *Fallbacks*

If, following the occurrence of a Benchmark Event and in relation to the determination of the Rate of Interest (or any component part thereof) on the relevant Interest Determination Date, no Successor Rate or Alternative Rate (as applicable) or (in either case) applicable Adjustment Spread is determined and notified to the Agent or the Calculation Agent, if any, in each case in accordance with this Condition 4.2(h), prior to such Interest Determination Date, the Original Reference Rate will continue to apply for the purposes of determining such Rate of Interest (or any component part thereof) on such Interest Determination Date, with the effect that the fallback provisions provided for in Condition 4.2(b) will (if applicable) continue to apply to such determination.

For the avoidance of doubt, this Condition 4.2(h)(vii) shall apply to the determination of the Rate of Interest (or any component part thereof) on the relevant Interest Determination Date only, and the Rate of Interest (or any component part thereof) applicable to any subsequent Interest Period(s) is subject to the subsequent operation of, and to adjustment as provided in, this Condition 4.2(h).

(viii) *Definitions*

In these Conditions:

Adjustment Spread means either (x) a spread (which may be positive, negative or zero), or (y) a formula or methodology for calculating a spread, which in either case is to be applied to the Successor Rate or the Alternative Rate (as the case may be) in accordance with Condition 4.2(h)(iii), and is the spread, formula or methodology which:

- (A) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or
- (B) in the case of an Alternative Rate or (where (A) above does not apply) in the case of a Successor Rate, the Independent Adviser determines is recognised or acknowledged as being in customary market usage in international debt capital markets transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); or
- (C) (if the Independent Adviser determines that neither (A) nor (B) above applies) the Independent Adviser determines to be appropriate, having regard to the objective, to the extent reasonably practicable in the circumstances, of reducing or eliminating any economic prejudice or benefit (as the case may be) to Noteholders and Couponholders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate (as the case may be);

Alternative Rate means an alternative to the Original Reference Rate which the Independent Adviser determines in accordance with Condition 4.2(h)(ii) has replaced the Original Reference Rate in customary market usage in the international debt capital markets for the purposes of determining floating rates of interest (or the relevant component part thereof) for debt securities with a commensurate interest period and in the same Specified Currency as the Notes, or if the Independent Adviser determines that there is no such rate, such other rate as

the Independent Adviser determines in its sole discretion is most comparable to the Original Reference Rate;

Benchmark Amendments has the meaning given to it in Condition 4.2(h)(iv);

Benchmark Event means, with respect to an Original Reference Rate:

- (A) the Original Reference Rate ceasing to be published for at least five Business Days or ceasing to exist or be administered; or
- (B) the later of (1) the making of a public statement by the administrator of the Original Reference Rate that it will, on or before a specified date, cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate) and (2) the date falling six months prior to the specified date referred to in (B)(1); or
- (C) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been permanently or indefinitely discontinued; or
- (D) the later of (1) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate will, on or before a specified date, be permanently or indefinitely discontinued and (2) the date falling six months prior to the specified date referred to in (D)(1); or
- (E) the later of (1) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that means the Original Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences, in each case on or before a specified date and (2) the date falling six months prior to the specified date referred to in (E)(1); or
- (F) it has or will prior to the next Interest Determination Date become unlawful for the Issuer, the Agent, the Calculation Agent or any Paying Agent to calculate any payments due to be made to any Noteholder or Couponholder using the Original Reference Rate; or
- (G) the making of a public statement by the supervisor of the administrator of such Original Reference Rate announcing that such Original Reference Rate is no longer representative or may no longer be used;

Independent Adviser means an independent financial institution of international repute or an independent financial adviser with appropriate expertise in the international debt capital markets appointed by the Issuer, at its own expense, under Condition 4.2(h)(i);

Original Reference Rate means the benchmark or screen rate (as applicable) originally specified for the purposes of determining the relevant Rate of Interest (or any component part thereof) in respect of any Interest Period(s) (provided that if, following one or more Benchmark Event(s), such originally-specified benchmark or screen rate (or any Successor Rate or Alternative Rate which has replaced it) has been replaced by a (or a further) Successor Rate or Alternative Rate and a Benchmark Event subsequently occurs in respect of such Successor Rate or Alternative Rate, the term **Original Reference Rate** shall include any such Successor Rate or Alternative Rate);

Relevant Nominating Body means, in respect of an Original Reference Rate:

- (A) the central bank for the currency to which the Original Reference Rate relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the Original Reference Rate; or
- (B) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (1) the central bank for the currency to which the Original Reference Rate relates, (2) any central bank or other supervisory authority which is responsible for supervising the administrator of the Original Reference Rate, (3) a group of the aforementioned central banks or other supervisory authorities or (4) the Financial Stability Board or any part thereof; and

Successor Rate means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body.

4.3 Accrual of interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13.

5. PAYMENTS

5.1 Method of payment

Subject as provided below:

- (a) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); and
- (b) payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7 and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 7) any law implementing an intergovernmental approach thereto.

5.2 Presentation of definitive Notes and Coupons

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in Condition 5.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)).

Fixed Rate Notes in definitive form (other than Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A **Long Maturity Note** is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

5.3 Payments in respect of Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes or otherwise in the manner specified in the relevant Global Note, where applicable, against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made either on such Global Note by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

5.4 General provisions applicable to payments

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (a) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (b) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (c) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

5.5 Payment Day

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, **Payment Day** means any day which (subject to Condition 8) is:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits):
 - (i) in the case of Notes in definitive form only, in the relevant place of presentation; and
 - (ii) in each Additional Financial Centre (other than T2) specified in the applicable Final Terms;
- (b) if T2 is specified as an Additional Financial Centre in the applicable Final Terms, a day on which T2 is open; and
- (c) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (B) in relation to any sum payable in euro, a day on which T2 is open.

5.6 Interpretation of principal and interest

Any reference in the Conditions to **principal** in respect of the Notes shall be deemed to include, as applicable:

- (a) any additional amounts which may be payable with respect to principal under Condition 7;
- (b) the Final Redemption Amount of the Notes;
- (c) the Early Redemption Amount of the Notes;
- (d) the Optional Redemption Amount(s) (if any) of the Notes;
- (e) the Residual Call Early Redemption Amount (if any) of the Notes; and
- (f) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in the Conditions to **interest** in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7.

6. REDEMPTION AND PURCHASE

6.1 Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms (which, in the case of Notes other than Zero Coupon Notes or Exempt Notes, shall be an amount equal to at least 100 per cent. of its nominal amount) in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

6.2 Redemption for tax reasons

Subject to Condition 6.7, the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note), on giving not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Agent and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), if:

- (a) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 7) or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes; and
- (b) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition 6.2, the Issuer shall deliver to the Agent to make available at its specified office to the Noteholders (i) a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting

forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and (ii) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

Notes redeemed pursuant to this Condition 6.2 will be redeemed at their Early Redemption Amount referred to in Condition 6.7 below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

6.3 Redemption at the option of the Issuer (Issuer Call)

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer may, having given not less than the minimum period nor more than the maximum period of notice specified in applicable Final Terms to the Noteholders in accordance with Condition 13 (which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all or (if redemption in part is specified as being applicable in the applicable Final Terms) some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. If redemption in part is specified as being applicable in the applicable Final Terms, any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms.

In the case of a partial redemption of Notes, the Notes to be redeemed (**Redeemed Notes**) will (i) in the case of Redeemed Notes represented by definitive Notes, be selected individually by lot, not more than 30 days prior to the date fixed for redemption and (ii) in the case of Redeemed Notes represented by a Global Note, be selected in accordance with the rules of Euroclear and/or Clearstream, Luxembourg, (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 13 not less than 15 days prior to the date fixed for redemption.

In this Condition 6.3, **Optional Redemption Amount(s)** means:

- (a) if Reference Bond Basis is specified in the applicable Final Terms, (A) the outstanding principal amount of the relevant Note or (B) if higher, the sum, as determined by the Calculation Agent, of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed (not including any portion of such payments of interest accrued to the date of redemption) discounted to the Optional Redemption Date on an annual basis (assuming a 360 day year consisting of twelve 30 day months) at the Reference Rate plus the Optional Redemption Margin specified in the applicable Final Terms, where:

CA Selected Bond means a government security or securities (which, if the Specified Currency is euro, will be a German *Bundesobligationen*) selected by the Calculation Agent as having a maturity comparable to the remaining term of the Notes to be redeemed that would be utilised, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes;

Calculation Agent means a leading investment, merchant or commercial bank appointed by the Issuer for the purposes of calculating the Optional Redemption Amount, and notified to the Noteholders in accordance with Condition 13;

Reference Bond means (A) if CA Selected Bond is specified in the applicable Final Terms, the relevant CA Selected Bond or (B) if CA Selected Bond is not specified in the applicable Final Terms, the security specified in the applicable Final Terms;

Reference Bond Price means (i) the average of five Reference Market Maker Quotations for the relevant Optional Redemption Date, after excluding the highest and lowest Reference Market Maker Quotations, (ii) if the Calculation Agent obtains fewer than five, but more than one, such Reference Market Maker Quotations, the average of all such quotations, or (iii) if only one such Reference Market Maker Quotation is obtained, the amount of the Reference Market Maker Quotation so obtained;

Reference Market Maker Quotations means, with respect to each Reference Market Maker and any Optional Redemption Date, the average, as determined by the Calculation Agent, of the bid and asked prices for the Reference Bond (expressed in each case as a percentage of its principal amount) quoted in writing to the Calculation Agent at the Quotation Time specified in the applicable Final Terms on the Reference Rate Determination Day specified in the applicable Final Terms;

Reference Market Makers means five brokers or market makers of securities such as the Reference Bond selected by the Calculation Agent or such other five persons operating in the market for securities such as the Reference Bond as are selected by the Calculation Agent in consultation with the Issuer; and

Reference Rate means, with respect to any Optional Redemption Date, the rate per annum equal to the equivalent yield to maturity of the Reference Bond, calculated using a price for the Reference Bond (expressed as a percentage of its principal amount) equal to the Reference Bond Price for such Optional Redemption Date. The Reference Rate will be calculated on the Reference Rate Determination Day specified in the applicable Final Terms; or

- (b) if Reference Bond Basis is not specified in the applicable Final Terms, such amount(s) as are specified in, or determined in the manner specified in, these Conditions as completed by the applicable Final Terms.

6.4 Issuer Residual Call

If Issuer Residual Call is specified as being applicable in the applicable Final Terms and, at any time, the outstanding aggregate nominal amount of the Notes is 20 per cent. or less of the aggregate nominal amount of the Series issued (other than as a result (in whole or in part) of a partial redemption of the Notes pursuant to Condition 6.3), the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note), on giving not less than 30 and not more than 60 days' notice to the Noteholders in accordance with Condition 13 (which notice shall be irrevocable and shall specify the date fixed for redemption) at the Residual Call Early Redemption Amount together, if appropriate, with interest accrued to (but excluding) the date of redemption.

6.5 Redemption at the option of the Noteholders (Investor Put)

If Investor Put is specified as being applicable in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 13 not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms, the Issuer will, upon the expiry of such notice, redeem such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise the right to require redemption of this Note under this Condition 6.5 the holder of this Note must, if this Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a **Put Notice**) and in which the holder must specify a bank account to which payment is to be made under this Condition 6.5 and the Put Notice must be accompanied by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control. If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note under this Condition 6.5 the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary or common safekeeper, as the case may be, for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg by a holder of any Note pursuant to this Condition 6.5 shall be irrevocable except where, prior to the due date of redemption, an Event of Default has occurred and is continuing, in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this Condition 6.5 and instead to declare such Note forthwith due and payable pursuant to Condition 9.

6.6 Redemption at the option of the Noteholders (Change of Control Put Event)

If Change of Control Put is specified as being applicable in the applicable Final Terms and at any time while any Note remains outstanding a Change of Control occurs, the holder of each Note will have the option (the **Change of Control Put Option**) (unless, prior to the giving of the Change of Control Put Event Notice (as defined below), the Issuer gives notice of its intention to redeem the Notes under Condition 6.2) to require the Issuer to redeem or, at the Issuer's option, to purchase (or procure the purchase of) that Note on the Optional Redemption Date (Change of Control) (as defined below) at its principal amount together with (or, where purchased, together with an amount equal to) accrued interest to but excluding the Optional Redemption Date (Change of Control).

A **Change of Control** shall be deemed to occur if the Kingdom of Norway ceases to (a) own, directly or indirectly, 100 per cent. of the issued share capital of the Issuer, or (b) control the Issuer, and for the purposes of this definition **control** means the power to direct the management and policies of the Issuer or to control the composition of its board of directors or other equivalent body, whether through the ownership of share capital, by contract or otherwise.

If a Change of Control occurs the Issuer shall, within 14 days of the occurrence of the Change of Control, give notice (a **Change of Control Put Event Notice**) to the Noteholders in accordance with Condition 13 specifying the nature of the Change of Control and the circumstances giving rise to it and the procedure for exercising the option contained in this Condition 6.6.

To exercise the right to require redemption or, as the case may be, purchase of this Note under this Condition 6.6 the holder of this Note must, if this Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the period (the **Put Period**) of 45 days after that on which a Change of Control Put Event Notice is given, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a **Put Exercise Notice**) and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition 6.6

accompanied by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Exercise Notice, be held to its order or under its control. If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption or, as the case may be, purchase of this Note under this Condition 6.6 the holder of this Note must, within the Put Period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary or common safekeeper, as the case may be, for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time.

Any Put Exercise Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg given by a holder of any Note pursuant to this Condition 6.6 shall be irrevocable except where, prior to the due date of redemption or purchase, as applicable, an Event of Default has occurred and is continuing, in which event such holder, at its option, may elect by notice to the Issuer to withdraw the Put Exercise Notice given pursuant to this Condition 6.6 and instead to declare such Note forthwith due and payable pursuant to Condition 9.

The Paying Agent to which this Note and Put Exercise Notice are delivered will issue to the holder concerned a non-transferable receipt (a **Change of Control Put Option Receipt**) in respect of this Note so delivered or, in the case of a Global Note or Note in definitive form held through Euroclear or Clearstream, Luxembourg, notice so received. The Issuer shall redeem or, at the option of the Issuer, purchase (or procure the purchase of) each Note in respect of which a Change of Control Put Option Receipt has been issued on the date (the **Optional Redemption Date (Change of Control)**) which is the seventh day after the last day of the Put Period, unless previously redeemed or purchased. Payment in respect of any Note so delivered will be made, if the holder duly specified a bank account to which payment is to be made in the Put Exercise Notice, on the Optional Redemption Date (Change of Control) by transfer to that bank account and in every other case on or after the Optional Redemption Date (Change of Control), in each case against presentation and surrender or (as the case may be) endorsement of such Change of Control Put Option Receipt at the specified office of any Paying Agent in accordance with the provisions of this Condition 6.6.

6.7 Early Redemption Amounts

For the purpose of Condition 6.2 above and Condition 9:

- (a) each Note (other than a Zero Coupon Note) will be redeemed at its Early Redemption Amount; and
- (b) each Zero Coupon Note will be redeemed at its Early Redemption Amount calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

RP means the Reference Price;

AY means the Accrual Yield expressed as a decimal; and

y is the Day Count Fraction specified in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date

fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (iii) Actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 365)

6.8 Purchases

The Issuer or any Subsidiary of the Issuer may at any time purchase Notes (provided that, in the case of definitive Notes, all unmatured Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. All Notes so purchased may be held, reissued, resold or, at the option of the Issuer, surrendered to a Paying Agent for cancellation.

6.9 Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and any Notes purchased and cancelled pursuant to Condition 6.8 above (together with all unmatured Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

6.10 Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 6.1, 6.2, 6.3, 6.4, 6.5 or 6.6 above or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 6.7(b) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13.

7. TAXATION

All payments of principal and interest in respect of the Notes and Coupons by or on behalf of the Issuer will be made without withholding or deduction for or on account of any present or future taxes or duties (**Taxes**) of whatever nature imposed or levied by or on behalf of any Tax Jurisdiction unless such withholding or deduction is required by law. In such event, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note or Coupon:

- (a) presented for payment in the Kingdom of Norway; or

- (b) the holder of which is liable for such taxes or duties in respect of such Note or Coupon by reason of his having some connection with a Tax Jurisdiction other than the mere holding of such Note or Coupon; or
- (c) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Day (as defined in Condition 5.5); or
- (d) on account of any Taxes that are payable pursuant to the Norwegian Tax Act section 10-80 on payments to related parties (as such term is defined in the Norwegian Tax Act section 10-82) tax resident in a low-tax jurisdiction (as such term is defined in the Norwegian Tax Act section 10-63).

As used herein:

- (i) **Tax Jurisdiction** means the Kingdom of Norway or any political subdivision or any authority thereof or therein having power to tax; and
- (ii) the **Relevant Date** means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 13.

8. PRESCRIPTION

The Notes and Coupons will become void unless claims in respect of principal and/or interest are made within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5.2 or any Talon which would be void pursuant to Condition 5.2.

9. EVENTS OF DEFAULT

9.1 Events of Default

If any one or more of the following events (each an **Event of Default**) shall occur and be continuing:

- (a) if default is made in the payment in the Specified Currency of any principal or interest due in respect of the Notes or any of them and the default continues for a period of seven days (in the case of principal) or 14 days (in the case of interest); or
- (b) if the Issuer fails to perform or observe any of its other obligations under the Conditions and (except in any case where the failure is incapable of remedy when no such continuation or notice as is hereinafter mentioned will be required) the failure continues for the period of 30 days next following the service by a Noteholder on the Issuer of notice requiring the same to be remedied; or
- (c) if (i) any Indebtedness for Borrowed Money (as defined below) of the Issuer or any of its Material Subsidiaries is declared or otherwise becomes due and repayable prematurely by reason of an event of default (however described); (ii) the Issuer or any of its Material

Subsidiaries fails to make any payment in respect of any Indebtedness for Borrowed Money on the due date for payment (after the expiry of any originally applicable grace period); (iii) any security given by the Issuer or any of its Material Subsidiaries for any Indebtedness for Borrowed Money becomes enforceable; or (iv) default is made by the Issuer or any of its Material Subsidiaries in making any payment due under any guarantee and/or indemnity given by it in relation to any Indebtedness for Borrowed Money of any other person; provided that no event described in this Condition 9.1(c) shall constitute an Event of Default unless the relevant amount of Indebtedness for Borrowed Money or other relative liability due and unpaid, either alone or when aggregated (without duplication) with other amounts of Indebtedness for Borrowed Money and/or other liabilities due and unpaid relative to all (if any) other events specified in (i) to (iv) above, amounts to at least €20,000,000 (or its equivalent in any other currency); or

- (d) if any order is made by any competent court or resolution passed for the winding up or dissolution of the Issuer or any of its Material Subsidiaries, save (i) for the purposes of reorganisation on terms previously approved by an Extraordinary Resolution (as defined in the Agency Agreement) or (ii) in the case of a Material Subsidiary of the Issuer, in connection with a Permitted Reorganisation; or
- (e) if (i) the Issuer ceases or threatens to cease to carry on the whole or a substantial part of its business, or if any of the Issuer's Material Subsidiaries ceases or threatens to cease to carry on the whole or substantially the whole of its business, save in each case (A) for the purposes of reorganisation on terms previously approved by an Extraordinary Resolution or (B) in connection with a Permitted Reorganisation or a Permitted Disposal, or (ii) the Issuer or any of its Material Subsidiaries stops or threatens to stop payment of, or is unable to, or admits inability to, pay, its debts (or any class of its debts) as they fall due, or is deemed unable to pay its debts pursuant to or for the purposes of any applicable law, or is adjudicated or found bankrupt or insolvent; or
- (f) if (A) proceedings are initiated against the Issuer or any of its Material Subsidiaries under any applicable liquidation, insolvency, composition, reorganisation or other similar laws, or an application is made (or documents filed with a court) for the appointment of an administrative or other receiver, manager, administrator or other similar official, or an administrative or other receiver, manager, administrator or other similar official is appointed, in relation to the Issuer or any of its Material Subsidiaries or, as the case may be, in relation to the whole or a substantial part of the undertaking or assets of any of them, or an encumbrance takes possession of the whole or a substantial part of the undertaking or assets of any of them, or a distress, execution, attachment, sequestration or other process is levied, enforced upon, sued out or put in force against the whole or a substantial part of the undertaking or assets of any of them and (B) in any case (other than the appointment of an administrator) is not discharged within 45 days; or
- (g) if the Issuer or any of its Material Subsidiaries initiates or consents to judicial proceedings relating to itself under any applicable liquidation, insolvency, composition, reorganisation or other similar laws (including the obtaining of a moratorium) or makes a conveyance or assignment for the benefit of, or enters into any composition or other arrangement with, its creditors generally (or any class of its creditors) or any meeting is convened to consider a proposal for an arrangement or composition with its creditors generally (or any class of its creditors),

then any holder of a Note may, by written notice to the Issuer at the specified office of the Agent, effective upon the date of receipt thereof by the Agent, declare any Note held by it to be forthwith due and payable whereupon the same shall become forthwith due and payable at its Early Redemption

Amount, together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind.

9.2 Definitions

For the purposes of the Conditions:

- (a) **Indebtedness for Borrowed Money** means any indebtedness (whether being principal, premium, interest or other amounts) for or in respect of any notes, bonds, debentures, debenture stock, loan stock or other securities or any borrowed money or any liability under or in respect of any acceptance or acceptance credit;
- (b) **Material Subsidiary** means at any time a Subsidiary of the Issuer:
 - (i) whose total operating income (consolidated in the case of a Subsidiary which itself has Subsidiaries) or whose total assets (consolidated in the case of a Subsidiary which itself has Subsidiaries) represent in each case (or, in the case of a Subsidiary acquired after the end of the financial period to which the then latest audited consolidated accounts of the Issuer and its Subsidiaries relate, are equal to) not less than five (5) per cent. of the consolidated total operating income of the Issuer, or, as the case may be, consolidated total assets, of the Issuer and its Subsidiaries taken as a whole, all as calculated respectively by reference to the then latest audited accounts (consolidated or, as the case may be, unconsolidated) of such Subsidiary and the then latest audited consolidated accounts of the Issuer and its Subsidiaries, provided that in the case of a Subsidiary of the Issuer acquired after the end of the financial period to which the then latest audited consolidated accounts of the Issuer and its Subsidiaries relate, the reference to the then latest audited consolidated accounts of the Issuer and its Subsidiaries for the purposes of the calculation above shall, until consolidated accounts for the financial period in which the acquisition is made have been prepared and audited as aforesaid, be deemed to be a reference to such first-mentioned accounts as if such Subsidiary had been shown in such accounts by reference to its then latest relevant audited accounts, adjusted as deemed appropriate by the Issuer;
 - (ii) to which is transferred the whole or substantially the whole of the undertaking and assets of a Subsidiary of the Issuer which immediately prior to such transfer is a Material Subsidiary, provided that the transferor Subsidiary shall upon such transfer forthwith cease to be a Material Subsidiary and the transferee Subsidiary shall cease to be a Material Subsidiary pursuant to this subparagraph (ii) on the date on which the consolidated accounts of the Issuer and its Subsidiaries for the financial period current at the date of such transfer have been prepared and audited as aforesaid but so that such transferor Subsidiary or such transferee Subsidiary may be a Material Subsidiary on or at any time after the date on which such consolidated accounts have been prepared and audited as aforesaid by virtue of the provisions of subparagraph (i) above or, prior to or after such date, by virtue of any other applicable provision of this definition; or
 - (iii) to which is transferred an undertaking or assets which, taken together with the undertaking or assets of the transferee Subsidiary, generated (or, in the case of the transferee Subsidiary being acquired after the end of the financial period to which the then latest audited consolidated accounts of the Issuer and its Subsidiaries relate, generate operating income equal to) not less than five (5) per cent. of the consolidated total operating income of the Issuer, or represent (or, in the case aforesaid, are equal to) not less than five (5) per cent. of the consolidated total assets of the Issuer and its Subsidiaries taken as a whole, all as calculated as referred to in subparagraph (i)

above, provided that the transferor Subsidiary (if a Material Subsidiary) shall upon such transfer forthwith cease to be a Material Subsidiary unless immediately following such transfer its undertaking and assets generate (or, in the case aforesaid, generate operating income equal to) not less than five (5) per cent. of the consolidated total operating income of the Issuer, or its assets represent (or, in the case aforesaid, are equal to) not less than five (5) per cent. of the consolidated total assets of the Issuer and its Subsidiaries taken as a whole, all as calculated as referred to in subparagraph (i) above, and the transferee Subsidiary shall cease to be a Material Subsidiary pursuant to this subparagraph (iii) on the date on which the consolidated accounts of the Issuer and its Subsidiaries for the financial period current at the date of such transfer have been prepared and audited but so that such transferor Subsidiary or such transferee Subsidiary may be a Material Subsidiary on or at any time after the date on which such consolidated accounts have been prepared and audited as aforesaid by virtue of the provisions of subparagraph (i) above or, prior to or after such date, by virtue of any other applicable provision of this definition,

all as more particularly defined in the Agency Agreement;

- (c) **Permitted Disposal** means a disposal of any or all of the Issuer's air navigation services division on arm's length terms; and
- (d) **Permitted Reorganisation** means any disposal by any of the Issuer's Subsidiaries or (for the purposes of Condition 9.1(e)(i) only) the Issuer (such entity the **disposing entity**), to the Issuer or any of other Subsidiary of the Issuer, of the whole or substantially the whole of the disposing entity's business.

10. REPLACEMENT OF NOTES, COUPONS AND TALONS

Should any Note, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Coupons or Talons must be surrendered before replacements will be issued.

11. PAYING AGENTS

The names of the initial Paying Agents and their initial specified offices are set out below. If any additional Paying Agents are appointed in connection with any Series, the names of such Paying Agents will be specified in Part B of the applicable Final Terms.

The Issuer is entitled to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

- (a) there will at all times be an Agent;
- (b) so long as the Notes are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority; and
- (c) there will at all times be a Paying Agent in a jurisdiction within Europe, other than the jurisdiction in which the Issuer is incorporated.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5.4. Notice of any variation, termination, appointment or change in Paying Agents will be given to the Noteholders promptly by the Issuer in accordance with Condition 13.

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

12. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8.

13. NOTICES

All notices regarding the Notes will be deemed to be validly given if published (a) in a leading English language daily newspaper of general circulation in London and (b) if and for so long as the Notes are admitted to trading on, and listed on the Official List of, the Luxembourg Stock Exchange and the rules of that exchange so require, in a daily newspaper of general circulation in Luxembourg and/or on the Luxembourg Stock Exchange's website, www.luxse.com. It is expected that any such publication in a newspaper will be made in the *Financial Times* in London and the *Luxemburger Wort* or the *Tageblatt* in Luxembourg. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading including publication on the website of the relevant stock exchange or relevant authority if required by those rules. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) or such websites the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published on the website of the relevant stock exchange or relevant authority and/or in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the holders of the Notes on the second day after the day on which the said notice was given to Euroclear and Clearstream, Luxembourg.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

14. MEETINGS OF NOTEHOLDERS AND MODIFICATION

The Agency Agreement contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes, the Coupons or any of the provisions of the Agency Agreement. Such a meeting may be convened by the Issuer and shall be convened by the Issuer if required in writing by Noteholders holding not less than five per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50 per cent. in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes or the Coupons (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes or the Coupons), the quorum shall be one or more persons holding or representing not less than two-thirds in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third in nominal amount of the Notes for the time being outstanding. The Agency Agreement provides that (i) a resolution passed at a meeting duly convened and held in accordance with the Agency Agreement by a majority consisting of not less than three-fourths of the votes cast on such resolution, (ii) a resolution in writing signed by or on behalf of the holders of not less than three-fourths in nominal amount of the Notes for the time being outstanding or (iii) consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Agent) by or on behalf of the holders of not less than three-fourths in nominal amount of the Notes for the time being outstanding, shall, in each case, be effective as an Extraordinary Resolution of the Noteholders. An Extraordinary Resolution passed by the Noteholders will be binding on all the Noteholders, whether or not they are present at any meeting and whether or not they voted on the resolution, and on all Couponholders.

The Agent and the Issuer may agree, without the consent of the Noteholders or Couponholders, to any modification of the Notes, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of the law. Any such modification shall be binding on the Noteholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 13 as soon as practicable thereafter.

In addition, the Issuer may, without the consent of the Noteholders or the Couponholders, amend these Conditions to give effect to any Benchmark Amendments in the circumstances and as otherwise set out in Condition 4.2(h)(iv) above.

15. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and the date from which interest starts to accrue and so that the same shall be consolidated and form a single Series with the outstanding Notes.

16. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

17. GOVERNING LAW AND SUBMISSION TO JURISDICTION

17.1 Governing law

The Agency Agreement, the Deed of Covenant, the Notes, the Coupons (and any non-contractual obligations arising out of or in connection with the Agency Agreement, the Deed of Covenant, the Notes and the Coupons) are governed by, and shall be construed in accordance with, English law.

17.2 Submission to jurisdiction

- (a) Subject to Condition 17.2(c) below, the English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with the Notes and/or the Coupons, including any dispute as to their existence, validity, interpretation, performance, breach or termination or the consequences of their nullity and any dispute relating to any non-contractual obligations arising out of or in connection with the Notes and/or the Coupons (a **Dispute**) and accordingly each of the Issuer and any Noteholders or Couponholders in relation to any Dispute submits to the exclusive jurisdiction of the English courts.
- (b) For the purposes of this Condition 17.2, the Issuer waives any objection to the English courts on the grounds that they are an inconvenient or inappropriate forum to settle any Dispute.
- (c) To the extent allowed by law, the Noteholders and the Couponholders may, in respect of any Dispute or Disputes, take (i) proceedings in any other court with jurisdiction; and (ii) concurrent proceedings in any number of jurisdictions.

17.3 Appointment of Process Agent

The Issuer irrevocably appoints Saville & Co. Scrivener Notaries at 11 Old Jewry, London EC2R 8DU as its agent for service of process in any proceedings before the English courts in relation to any Dispute, and agrees that, in the event of Saville & Co. Scrivener Notaries being unable or unwilling for any reason so to act, it will immediately appoint another person as its agent for service of process in England in respect of any Dispute. The Issuer agrees that failure by a process agent to notify it of any process will not invalidate service. Nothing herein shall affect the right to serve process in any other manner permitted by law.

17.4 Waiver of immunity

The Issuer irrevocably and unconditionally with respect to any Dispute (i) waives any right to claim sovereign or other immunity from jurisdiction, recognition or enforcement and any similar argument in any jurisdiction, (ii) submits to the jurisdiction of the English courts and the courts of any other jurisdiction in relation to the recognition of any judgment or order of the English courts or the courts of any competent jurisdiction in relation to any Dispute and (iii) consents to the giving of any relief (whether by way of injunction, attachment, specific performance or other relief) or the issue of any related process, in any jurisdiction, whether before or after final judgment, including without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment made or given in connection with any Dispute.

17.5 Other documents

The Issuer has in the Agency Agreement and the Deed of Covenant submitted to the jurisdiction of the English courts and appointed an agent for service of process in terms substantially similar to those set out above.

TERMS AND CONDITIONS OF THE VPS NOTES

The following are the Terms and Conditions of the VPS Notes. VPS Notes will not be evidenced by any physical note or document of title other than a statement of account made by the VPS. Ownership of VPS Notes will be recorded and transfer effected only through the book entry system and register maintained by the VPS. The applicable Pricing Supplement in relation to any Tranche of VPS Notes which are Exempt Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such VPS Notes. Reference should be made to “Applicable Final Terms” or “Applicable Pricing Supplement”, as applicable, for a description of the content of the Final Terms or Pricing Supplement which will specify which of such terms are to apply in relation to the relevant VPS Notes.

Each VPS Note is one of a Series (as defined below) of VPS Notes issued by Avinor AS (the **Issuer**) and each VPS Note will be issued in accordance with and subject to the trust agreement dated 16 December 2021, as amended by the supplemental trust agreement dated 5 December 2023 (together, the **VPS Trustee Agreement**, as such agreement may be further modified and/or supplemented and/or restated from time to time) each made between the Issuer and Nordic Trustee AS (the **VPS Trustee** and the **Calculation Agent**, as applicable, each of which expression shall include any successor as VPS Trustee or Calculation Agent (as applicable)).

References herein to the **VPS Notes** shall be references to the VPS Notes of this Series and shall mean notes registered in accordance with section 3-1 of the Norwegian Central Securities Depository Act of 15 March 2019 no. 6 in a securities depository approved or acknowledged under the EU central securities depositories (CSD) regulation (Regulation (EU) No 909/2014 of 23 July 2014 on improving securities settlement in the European Union and on central securities depositories and amending Directives 98/26/EC and 2014/65/EU and Regulation (EU) No 236/2012) which, unless otherwise specified in the applicable Final Terms, will be the Norwegian Central Securities Depository, Verdipapirsentralen ASA (the **VPS**), and references herein to the VPS shall (unless the context otherwise requires) include reference to any such other securities depository.

The VPS Notes have the benefit of an agency agreement (such agency agreement as amended and/or supplemented and/or restated from time to time, the **VPS Agency Agreement**) dated 16 December 2021 and made between the Issuer and DNB Bank ASA, Verdipapirservice as VPS agent (the **VPS Agent**, which expression shall include any successor VPS agent).

Each Tranche of VPS Notes will be created and held in uncertificated book entry form in accounts with the VPS. The VPS Agent will act as agent of the Issuer in respect of all dealings with the VPS in respect of VPS Notes as detailed in the VPS Agency Agreement.

The final terms for any Tranche of VPS Notes (or the relevant provisions thereof) are set out in Part A of the Final Terms prepared in connection with the relevant Tranche of VPS Notes, which complete these Terms and Conditions of the VPS Notes (the **VPS Conditions**) or, if the relevant VPS Notes are VPS Notes which are neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Regulation, (an **Exempt Note**), the final terms (or the relevant provisions thereof) are set out in Part A of the Pricing Supplement and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the VPS Conditions, replace or modify the VPS Conditions for the purposes of the relevant VPS Notes. References to the **applicable Final Terms** are, unless otherwise stated, to Part A of the Final Terms (or the relevant provisions thereof) prepared in connection with the relevant Tranche of VPS Notes. Any reference in the VPS Conditions to **applicable Final Terms** shall be deemed to include a reference to **applicable Pricing Supplement** where relevant. The expression **Prospectus Regulation** means Regulation (EU) 2017/1129.

The VPS Trustee acts for the benefit of the holders for the time being of the VPS Notes (the **VPS Noteholders** or the **holders of VPS Notes**), in accordance with the provisions of the VPS Trustee Agreement and these VPS Conditions.

As used herein, **Tranche** means VPS Notes which are identical in all respects (including as to listing and admission to trading) and **Series** means a Tranche of VPS Notes together with any further Tranche or Tranches of VPS Notes which are (a) expressed to be consolidated and form a single series and (b) have the same terms and conditions or terms and conditions which are the same in all respects save for the amount and date of the first payment of interest thereon and the date from which interest starts to accrue.

Copies of the VPS Agency Agreement and the VPS Trustee Agreement are available for inspection during normal business hours at the specified office of the VPS Agent and at the registered office for the time being of the VPS Trustee at the date hereof at Kronprinsesse Märthas plass 1, 0160 Oslo, Norway. If the VPS Notes are to be admitted to trading on the regulated market of the Luxembourg Stock Exchange the applicable Final Terms will be published on the website of the Luxembourg Stock Exchange (www.luxse.com). If the VPS Notes are to be admitted to trading on the regulated market of the Oslo Stock Exchange the applicable Final Terms will be published on the website of the Oslo Stock Exchange (www.euronext.com/en/markets/oslo). If the VPS Notes are Exempt Notes, the applicable Pricing Supplement will only be obtainable by a VPS Noteholder holding one or more VPS Notes and such VPS Noteholder must produce evidence satisfactory to the Issuer and the VPS Agent as to its holding of such VPS Notes and identity.

The VPS Noteholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the VPS Agency Agreement, the VPS Trustee Agreement and the applicable Final Terms which are applicable to them. The statements in the VPS Conditions include summaries of, and are subject to, the detailed provisions of the VPS Agency Agreement and the VPS Trustee Agreement.

Words and expressions defined in the VPS Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in the VPS Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the VPS Trustee Agreement and the VPS Agency Agreement, the VPS Trustee Agreement will prevail, and in the event of inconsistency between the VPS Trustee Agreement or the VPS Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

In the VPS Conditions, **euro** means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended.

1. FORM, DENOMINATION AND TITLE

The VPS Notes are in uncertificated book-entry form in the currency (the **Specified Currency**) and the denominations (the **Specified Denomination(s)**) specified in the applicable Final Terms.

VPS Notes of one Specified Denomination may not be exchanged for VPS Notes of another Specified Denomination. VPS Notes will be registered with a separate securities identification code in the VPS.

This VPS Note may be a Fixed Rate Note, a Floating Rate Note or a Zero Coupon Note, or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

The holder of a VPS Note will be the person evidenced as such by a book entry in the records of the VPS. The Issuer and the VPS Trustee may rely on a certificate of the VPS or one issued on behalf of the VPS by an account-carrying institution as to a particular person being a VPS Noteholder.

Title to the VPS Notes will pass by registration in the VPS between the direct or indirect accountholders at the VPS in accordance with the rules and procedures of the VPS that are in force from time to time. Where a nominee is so evidenced, it shall be treated by the Issuer as the holder of the relevant VPS Note. Each person (other than Euroclear Bank SA/NV (**Euroclear**) or Clearstream Banking S.A. (**Clearstream, Luxembourg**)) who is for the time being shown in the records of the

VPS as the holder of a particular nominal amount of VPS Notes shall be treated by the Issuer, the VPS Trustee and the VPS Agent as the holder of such nominal amount of such VPS Notes for all purposes.

VPS Notes will be transferable only in accordance with the rules and procedures for the time being of the VPS.

2. STATUS OF THE VPS NOTES

The VPS Notes are direct, unconditional, unsubordinated and (subject to the provisions of Condition 3) unsecured obligations of the Issuer and rank *pari passu* among themselves and (save for certain obligations required to be preferred by law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Issuer, from time to time outstanding.

3. NEGATIVE PLEDGE

3.1 Negative Pledge

So long as any of the VPS Notes remains outstanding (as defined below), the Issuer will not, and the Issuer will procure that none of its Subsidiaries will, create or have outstanding any mortgage, charge, lien, pledge or other security interest (each a **Security Interest**) upon, or with respect to, any of the present or future business, undertaking, assets or revenues (including any uncalled capital) of the Issuer and/or any of its Subsidiaries to secure any Relevant Indebtedness (as defined below) unless the Issuer, in the case of the creation of the Security Interest, before or at the same time and, in any other case, promptly, takes any and all action necessary to ensure that:

- (a) all amounts payable by it under the VPS Notes are secured by the Security Interest equally and rateably with the Relevant Indebtedness; or
- (b) such other Security Interest or guarantee or other arrangement (whether or not it includes the giving of a Security Interest) is provided as the VPS Noteholders may approve (in accordance with the meeting provisions in the VPS Trustee Agreement).

3.2 Interpretation

In these VPS Conditions:

- (a) **outstanding** means, in relation to the VPS Notes of any Series, all such VPS Notes issued other than:
 - (i) those VPS Notes which have been redeemed and cancelled pursuant to the VPS Conditions;
 - (ii) those VPS Notes in respect of which the date for redemption in accordance with the VPS Conditions has occurred and the redemption moneys (including all interest (if any) accrued to the date for redemption and any interest (if any) payable under the VPS Conditions after that date) have been duly paid to or to the order of the VPS Agent (and where appropriate notice to that effect has been given to the VPS Noteholders in accordance with the VPS Conditions) and remain available for payment to the holders of the relevant VPS Notes in accordance with their terms and conditions;
 - (iii) those VPS Notes which have been purchased and cancelled in accordance with the VPS Conditions; and

- (iv) those VPS Notes in respect of which claims have become prescribed under the VPS Conditions.
- (b) **Relevant Indebtedness** means (i) any present or future indebtedness (whether being principal, premium, interest or other amounts) for or in respect of any notes, bonds, debentures, debenture stock, loan stock or other securities which are for the time being quoted, listed or ordinarily dealt in on any stock exchange, over-the-counter or other securities market and (ii) any guarantee or indemnity of any such indebtedness; and
- (c) **Subsidiary** means, in relation to the Issuer, any company (i) in which the Issuer holds a majority of the voting rights, (ii) of which the Issuer is a member and has the right to appoint or remove a majority of the board of directors or (iii) of which the Issuer is a member and controls a majority of the voting rights, and includes any company which is a Subsidiary of a Subsidiary of the Issuer.

4. INTEREST

4.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

Except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in the VPS Conditions, **Fixed Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

In the VPS Conditions:

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 4.1:

- (a) if “Actual/Actual (ICMA)” is specified in the applicable Final Terms:
 - (i) in the case of VPS Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (I) the number of days in such Determination Period and (II) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or

- (ii) in the case of VPS Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and
 - (B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (b) if “30/360” is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360;

Determination Period means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

sub-unit means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

4.2 Interest on Floating Rate Notes

(a) Interest Payment Dates

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In the VPS Conditions, **Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date or the relevant payment date if the VPS Notes become payable on a date other than an Interest Payment Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 4.2(a)(ii) above, the Floating Rate Convention, such Interest Payment Date (a) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (ii) below shall apply *mutatis mutandis* or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In the VPS Conditions, **Business Day** means:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and each Additional Business Centre specified in the applicable Final Terms;
- (b) if T2 is specified as an Additional Business Centre in the applicable Final Terms, a day on which the Trans-European Automated Real-time Gross Settlement Express Transfer System or any successor or replacement for that system (**T2**) is open; and
- (c) either (i) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (ii) in relation to any sum payable in euro, a day on which T2 is open.

(b) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified below.

The Rate of Interest for each Interest Period will, subject as provided below and in Condition 4.2(e), be either:

- (i) the offered quotation; or
- (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being either EURIBOR, NIBOR or STIBOR as specified in the applicable Final Terms) which appears or appear, as the case may be,

on the Relevant Screen Page (or such replacement page on that service which displays the information) as at the Specified Time on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of (i) above, no such offered quotation appears or, in the case of (ii) above, fewer than three such offered quotations appear, in each case as at the Specified Time, the Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Calculation Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the Norwegian inter-bank market (if the Reference Rate is NIBOR) or the Stockholm inter-bank market (if the Reference Rate is STIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Calculation Agent with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Calculation Agent it is quoting to leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the Norwegian inter-bank market (if the Reference Rate is NIBOR) or the Stockholm inter-bank market (if the Reference Rate is STIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

In this Condition 4.2(b):

Reference Banks means (x) in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, (y) in the case of a determination of NIBOR, the principal Oslo office of four major banks in the Oslo inter-bank market or (z) in the case of a determination of STIBOR, the principal Stockholm office of four major banks in the Stockholm inter-bank market, in each case selected by the Calculation Agent or as specified in the applicable Final Terms; and

Specified Time means 11.00 a.m. (Brussels time) if the Reference Rate is EURIBOR, 11.00 a.m. (Stockholm time) if the Reference Rate is STIBOR or 12.00 noon (Oslo time) if the Reference Rate is NIBOR.

(c) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(d) Determination of Rate of Interest and calculation of Interest Amounts

The Calculation Agent will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Calculation Agent will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes in respect of each Specified Denomination for the relevant Interest Period by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 4.2:

- (i) if “Actual/Actual (ISDA)” or “Actual/Actual” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if “Actual/365 (Sterling)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if “Actual/360” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (vi) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30;

- (vii) if “30E/360 (ISDA)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30.

(e) Linear Interpolation

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate, one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for the period of time next shorter or, as the case may be, next longer, then the Calculation Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

For the purposes of this Condition 4.2(e) **Designated Maturity** means the period of time designated in the Reference Rate.

(f) Notification of Rate of Interest and Interest Amounts

The Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the VPS Agent, the VPS Trustee and any stock exchange on which the relevant Floating Rate Notes are for the time being listed (by no later than the first day of each Interest Period) and notice thereof to be published in accordance with Condition 11 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will promptly be notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the VPS Noteholders in accordance with Condition 11. For the purposes of this paragraph, the expression **London Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London. The notification of any rate or amount, if applicable, shall be made to the VPS in accordance with and subject to the VPS rules and regulations for the time being in effect.

(g) Determination or Calculation by the VPS Trustee

If for any reason at any relevant time the Calculation Agent defaults in its obligation to determine the Rate of Interest, the VPS Trustee shall determine the Rate of Interest at such rate as (having regard as to the foregoing provisions of this Condition with any consequential amendment it deems, in its reasonable opinion, to be necessary, but subject always to any Minimum Rate of Interest or Maximum

Rate of Interest specified in the applicable Final Terms) it shall deem fair and reasonable in all the circumstances or and each such determination or calculation shall be deemed to have been made by the Calculation Agent.

(h) Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4.2 by the Calculation Agent shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the VPS Agent and all VPS Noteholders and (in the absence of wilful default or bad faith) no liability to the Issuer or the VPS Noteholders shall attach to the Calculation Agent or the VPS Trustee (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(i) Benchmark Discontinuation

(i) *Independent Adviser and Issuer*

If a Benchmark Event occurs in relation to an Original Reference Rate at any time when these VPS Conditions provide for any remaining Rate of Interest (or any component part thereof) to be determined by reference to such Original Reference Rate, then the Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4.2(i)(ii)) and, in either case, an Adjustment Spread (in accordance with Condition 4.2(i)(iii)), and any Benchmark Amendments (in accordance with Condition 4.2(i)(iv)).

An Independent Adviser appointed pursuant to this Condition 4.2(i)(i) shall act in good faith and (in the absence of bad faith or fraud) shall have no liability whatsoever to the Issuer, the VPS Agent, the VPS Trustee, the Calculation Agent or the VPS Noteholders for any determination made by it pursuant to Condition 4.2(i).

(ii) *Successor Rate or Alternative Rate*

If the Independent Adviser determines that:

- (A) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 4.2(i)(iii)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the VPS Notes (subject to the further operation of this Condition 4.2(i)); or
- (B) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 4.2(i)(iii)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the VPS Notes (subject to the further operation of this Condition 4.2(i)).

(iii) *Adjustment Spread*

If any Successor Rate or Alternative Rate is determined in accordance with Condition 4.2(i)(ii), the Independent Adviser shall determine an Adjustment Spread (which may be expressed as a specified quantum or a formula or methodology for determining the applicable Adjustment Spread (and, for the avoidance of doubt, an Adjustment Spread may be positive, negative or zero)), which Adjustment Spread shall be applied to the Successor Rate or the

Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a relevant component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

(iv) *Benchmark Amendments*

If any Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread is determined in accordance with this Condition 4.2(i) and the Independent Adviser determines (A) that amendments to these VPS Conditions are necessary to follow market practice or to ensure the proper operation of such Successor Rate or Alternative Rate and/or (in either case) the applicable Adjustment Spread (such amendments, the **Benchmark Amendments**) and (B) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4.2(i)(v), without any requirement for the consent or approval of VPS Noteholders, vary these VPS Conditions to give effect to such Benchmark Amendments with effect from the date specified in such notice.

(v) *Notices*

The Issuer will promptly notify the VPS Agent, the VPS Trustee, the Calculation Agent and, in accordance with Condition 11, the VPS Noteholders promptly of any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments determined under this Condition 4.2(i). Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

The Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread and the Benchmark Amendments (if any) will (in the absence of manifest error or bad faith in the determination of the Successor Rate or Alternative Rate and the applicable Adjustment Spread and the Benchmark Amendments (if any)) be binding on the Issuer, the VPS Agent, the VPS Trustee, the Calculation Agent and the VPS Noteholders as of their effective date.

(vi) *Survival of Original Reference Rate*

Without prejudice to the obligations of the Issuer under the provisions of this Condition 4.2(i), the Original Reference Rate and the fallback provisions provided for in Condition 4.2(b) will continue to apply unless and until a Benchmark Event has occurred in respect of the Original Reference Rate.

(vii) *Fallbacks*

If, following the occurrence of a Benchmark Event and in relation to the determination of the Rate of Interest (or any component part thereof) on the relevant Interest Determination Date, no Successor Rate or Alternative Rate (as applicable) or (in either case) applicable Adjustment Spread is determined and notified to the VPS Agent, the VPS Trustee and the Calculation Agent, in each case in accordance with this Condition 4.2(i), prior to such Interest Determination Date, the Original Reference Rate will continue to apply for the purposes of determining such Rate of Interest (or any component part thereof) on such Interest Determination Date, with the effect that the fallback provisions provided for in Condition 4.2(b) will (if applicable) continue to apply to such determination.

For the avoidance of doubt, this Condition 4.2(i)(vii) shall apply to the determination of the Rate of Interest (or any component part thereof) on the relevant Interest Determination Date only, and the Rate of Interest (or any component part thereof) applicable to any subsequent Interest Period(s) is subject to the subsequent operation of, and to adjustment as provided in, this Condition 4.2(i).

(viii) *Definitions*

In these Conditions:

Adjustment Spread means either (x) a spread (which may be positive, negative or zero), or (y) a formula or methodology for calculating a spread, which in either case is to be applied to the Successor Rate or the Alternative Rate (as the case may be) in accordance with Condition 4.2(i)(iii), and is the spread, formula or methodology which:

- (A) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or
- (B) in the case of an Alternative Rate or (where (A) above does not apply) in the case of a Successor Rate, the Independent Adviser determines is recognised or acknowledged as being in customary market usage in international debt capital markets transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); or
- (C) (if the Independent Adviser determines that neither (A) nor (B) above applies) the Independent Adviser determines to be appropriate, having regard to the objective, to the extent reasonably practicable in the circumstances, of reducing or eliminating any economic prejudice or benefit (as the case may be) to the VPS Noteholders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate (as the case may be);

Alternative Rate means an alternative to the Original Reference Rate which the Independent Adviser determines in accordance with Condition 4.2(i)(ii) has replaced the Original Reference Rate in customary market usage in the international debt capital markets for the purposes of determining floating rates of interest (or the relevant component part thereof) for debt securities with a commensurate interest period and in the same Specified Currency as the VPS Notes, or if the Independent Adviser determines that there is no such rate, such other rate as the Independent Adviser determines in its sole discretion is most comparable to the Original Reference Rate;

Benchmark Amendments has the meaning given to it in Condition 4.2(i)(iv);

Benchmark Event means, with respect to an Original Reference Rate:

- (A) the Original Reference Rate ceasing to exist or be published or administered; or
- (B) the later of (1) the making of a public statement by the administrator of the Original Reference Rate that it will, on or before a specified date, cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate) and (2) the date falling six months prior to the specified date referred to in (B)(1); or
- (C) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been permanently or indefinitely discontinued; or
- (D) the later of (1) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate will, on or before a

specified date, be permanently or indefinitely discontinued and (2) the date falling six months prior to the specified date referred to in (D)(1); or

- (E) the later of (1) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that means the Original Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences, in each case on or before a specified date and (2) the date falling six months prior to the specified date referred to in (E)(1); or
- (F) it has or will prior to the next Interest Determination Date become unlawful for the Issuer, the VPS Agent or the Calculation Agent to calculate any payments due to be made to any VPS Noteholder using the Original Reference Rate; or
- (G) the making of a public statement by the supervisor of the administrator of such Original Reference Rate announcing that such Original Reference Rate is no longer representative or may no longer be used;

Independent Adviser means an independent financial institution of international repute or an independent financial adviser with appropriate expertise in the international debt capital markets appointed by the Issuer, at its own expense, under Condition 4.2(i)(i);

Original Reference Rate means the benchmark or screen rate (as applicable) originally specified for the purposes of determining the relevant Rate of Interest (or any component part thereof) in respect of any Interest Period(s) (provided that if, following one or more Benchmark Event(s), such originally-specified benchmark or screen rate (or any Successor Rate or Alternative Rate which has replaced it) has been replaced by a (or a further) Successor Rate or Alternative Rate and a Benchmark Event subsequently occurs in respect of such Successor Rate or Alternative Rate, the term **Original Reference Rate** shall include any such Successor Rate or Alternative Rate);

Relevant Nominating Body means, in respect of an Original Reference Rate:

- (A) the central bank for the currency to which the Original Reference Rate relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the Original Reference Rate; or
- (B) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (1) the central bank for the currency to which the Original Reference Rate relates, (2) any central bank or other supervisory authority which is responsible for supervising the administrator of the Original Reference Rate, (3) a group of the aforementioned central banks or other supervisory authorities or (4) the Financial Stability Board or any part thereof; and

Successor Rate means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body.

4.3 Accrual of interest

Each VPS Note (or in the case of the redemption of part only of a VPS Note, that part only of such VPS Note) will cease to bear interest (if any) from the date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such VPS Note have been paid; and

- (b) five days after the date on which the full amount of the moneys payable in respect of such VPS Note has been received by the VPS Agent and notice to that effect has been given to the VPS Noteholders in accordance with Condition 11.

4.4 Calculation Agent

The Issuer shall procure that there shall at all times be one or more Calculation Agents if provision is made for them in respect of the VPS Notes and for so long as any VPS Note is outstanding. Where more than one Calculation Agent is appointed in respect of the VPS Notes, references in these VPS Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the VPS Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Accrual Period or to calculate any Interest Amount, Final Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall (with prior notification to the VPS Trustee) appoint a leading bank or investment banking firm engaged in the inter-bank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

5. PAYMENTS

5.1 Method of payment

Subject as provided below:

- (a) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); and
- (b) payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7 and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 7) any law implementing an intergovernmental approach thereto.

5.2 Payments in respect of VPS Notes

Payments of principal and interest in respect of VPS Notes and notification thereof to VPS Noteholders will be made to the VPS Noteholders shown in the records of the VPS and will be effected through and in accordance with and subject to the rules and regulations from time to time governing the VPS.

The VPS Agent and any Calculation Agent act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any VPS Noteholder. The Issuer reserves the right at any time, with prior notification to the VPS Trustee, to vary or terminate the appointment of the VPS Agent or the Calculation Agent and to appoint additional or other agents, provided that the

Issuer shall at all times maintain (i) a VPS Agent authorised to act as an account operating institution with the VPS, (ii) one or more Calculation Agent(s) where the VPS Conditions so require, and (iii) such other agents as may be required by any stock exchange on which the VPS Notes may be listed.

Notice of any such change or of any change of any specified office shall promptly be given to the VPS Noteholders in accordance with Condition 11.

5.3 Payment Day

If the date for payment of any amount in respect of any VPS Note is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, **Payment Day** means any day which (subject to Condition 8) is:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (i) London;
 - (ii) each Additional Financial Centre (other than T2) specified in the applicable Final Terms;
- (b) if T2 is specified as an Additional Financial Centre in the applicable Final Terms, a day on which T2 is open; and
- (c) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (B) in relation to any sum payable in euro, a day on which T2 is open.

5.4 Interpretation of principal and interest

Any reference in the VPS Conditions to **principal** in respect of the VPS Notes shall be deemed to include, as applicable:

- (a) any additional amounts which may be payable with respect to principal under Condition 7;
- (b) the Final Redemption Amount of the VPS Notes;
- (c) the Early Redemption Amount of the VPS Notes;
- (d) the Optional Redemption Amount(s) (if any) of the VPS Notes;
- (e) the Residual Call Early Redemption Amount (if any) of the Notes; and
- (f) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the VPS Notes.

Any reference in the VPS Conditions to **interest** in respect of the VPS Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7.

6. REDEMPTION AND PURCHASE

6.1 Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below, each VPS Note will be redeemed by the Issuer at its Final Redemption Amount (which, in the case of VPS Notes other than Zero Coupon Notes or Exempt Notes, shall be an amount equal to at least 100 per cent. of its nominal amount) specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

6.2 Redemption for tax reasons

Subject to Condition 6.7, the VPS Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if the VPS Notes are not Floating Rate Notes) or on any Interest Payment Date (if the VPS Notes are Floating Rate Notes), on giving not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the VPS Agent, and, in accordance with Condition 11, the VPS Noteholders (which notice shall be irrevocable), if:

- (a) on the occasion of the next payment due under the VPS Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 7) or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the VPS Notes; and
- (b) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the VPS Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition 6.2, the Issuer shall deliver to the VPS Trustee to make available at its specified office to the VPS Noteholders (i) a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and (ii) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

VPS Notes redeemed pursuant to this Condition 6.2 will be redeemed at their Early Redemption Amount referred to in Condition 6.7 below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

6.3 Redemption at the option of the Issuer (Issuer Call)

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer may, having given not less than the minimum period nor more than the maximum period of notice specified in applicable Final Terms to the VPS Noteholders in accordance with Condition 11 (which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all or (if redemption in part is specified as being applicable in the applicable Final Terms) some only of the VPS Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. If redemption in part is specified as being applicable in the applicable Final Terms, any such redemption

must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms.

In the case of a partial redemption of VPS Notes, the VPS Notes to be redeemed will be selected in accordance with the rules and procedures of the VPS, not more than 30 days prior to the date fixed for redemption.

In this Condition 6.3, **Optional Redemption Amount(s)** means:

- (a) if Reference Bond Basis is specified in the applicable Final Terms, (A) the outstanding principal amount of the relevant Note or (B) if higher, the sum, as determined by the Calculation Agent, of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed (not including any portion of such payments of interest accrued to the date of redemption) discounted to the Optional Redemption Date on an annual basis (assuming a 360 day year consisting of twelve 30 day months) at the Reference Rate plus the Optional Redemption Margin specified in the applicable Final Terms, where:

CA Selected Bond means a government security or securities (which, if the Specified Currency is euro, will be a German *Bundesobligationen*) selected by the Calculation Agent as having a maturity comparable to the remaining term of the Notes to be redeemed that would be utilised, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes;

Calculation Agent means a leading investment, merchant or commercial bank appointed by the Issuer for the purposes of calculating the Optional Redemption Amount, and notified to the Noteholders in accordance with Condition 11;

Reference Bond means (A) if CA Selected Bond is specified in the applicable Final Terms, the relevant CA Selected Bond or (B) if CA Selected Bond is not specified in the applicable Final Terms, the security specified in the applicable Final Terms;

Reference Bond Price means (i) the average of five Reference Market Maker Quotations for the relevant Optional Redemption Date, after excluding the highest and lowest Reference Market Maker Quotations, (ii) if the Calculation Agent obtains fewer than five, but more than one, such Reference Market Maker Quotations, the average of all such quotations, or (iii) if only one such Reference Market Maker Quotation is obtained, the amount of the Reference Market Maker Quotation so obtained;

Reference Market Maker Quotations means, with respect to each Reference Market Maker and any Optional Redemption Date, the average, as determined by the Calculation Agent, of the bid and asked prices for the Reference Bond (expressed in each case as a percentage of its principal amount) quoted in writing to the Calculation Agent at the Quotation Time specified in the applicable Final Terms on the Reference Rate Determination Day specified in the applicable Final Terms;

Reference Market Makers means five brokers or market makers of securities such as the Reference Bond selected by the Calculation Agent or such other five persons operating in the market for securities such as the Reference Bond as are selected by the Calculation Agent in consultation with the Issuer; and

Reference Rate means, with respect to any Optional Redemption Date, the rate per annum equal to the equivalent yield to maturity of the Reference Bond, calculated using a price for the Reference Bond (expressed as a percentage of its principal amount) equal to the Reference

Bond Price for such Optional Redemption Date. The Reference Rate will be calculated on the Reference Rate Determination Day specified in the applicable Final Terms; or

- (b) if Reference Bond Basis is not specified in the applicable Final Terms, such amount(s) as are specified in, or determined in the manner specified in, these VPS Conditions as completed by the applicable Final Terms.

6.4 Issuer Residual Call

If Issuer Residual Call is specified as being applicable in the applicable Final Terms and, at any time, the outstanding aggregate nominal amount of the VPS Notes is 20 per cent. or less of the aggregate nominal amount of the Series issued, the VPS Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this VPS Note is not a Floating Rate Note) or on any Interest Payment Date (if this VPS Note is a Floating Rate Note), on giving not less than 30 and not more than 60 days' notice to the VPS Noteholders in accordance with Condition 13 (which notice shall be irrevocable and shall specify the date fixed for redemption) at the Residual Call Early Redemption Amount together, if appropriate, with interest accrued to (but excluding) the date of redemption.

6.5 Redemption at the option of the VPS Noteholders (Investor Put)

If Investor Put is specified as being applicable in the applicable Final Terms, upon the holder of any VPS Note giving to the Issuer in accordance with Condition 11 not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms, the Issuer will, upon the expiry of such notice, redeem such VPS Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise the right to require redemption of the relevant VPS Note under this Condition 6.5 the holder of the relevant VPS Note must, within the notice period, give notice (a **Put Notice**) to the VPS Agent of such exercise in accordance with the standard procedures of the VPS from time to time.

Any Put Notice given by a holder of any VPS Note pursuant to this Condition 6.5 shall be irrevocable except where, prior to the due date of redemption, an Event of Default has occurred and is continuing, in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this Condition 6.5 and instead to declare such VPS Note forthwith due and payable pursuant to Condition 9.

6.6 Redemption at the option of the VPS Noteholders (Change of Control Put Event)

If Change of Control Put is specified as being applicable in the applicable Final Terms and at any time while any VPS Note remains outstanding a Change of Control occurs, the holder of each VPS Note will have the option (the **Change of Control Put Option**) (unless, prior to the giving of the Change of Control Put Event Notice (as defined below), the Issuer gives notice of its intention to redeem the VPS Notes under Condition 6.2) to require the Issuer to redeem or, at the Issuer's option, to purchase (or procure the purchase of) that VPS Note on the date (the **Optional Redemption Date (Change of Control)**) which is the seventh day after the last day of the Put Period (as defined below) at its principal amount together with (or, where purchased, together with an amount equal to) accrued interest to but excluding the Optional Redemption Date (Change of Control).

A **Change of Control** shall be deemed to occur if the Kingdom of Norway ceases to (a) own, directly or indirectly, 100 per cent. of the issued share capital of the Issuer, or (b) control the Issuer, and for the purposes of this definition **control** means the power to direct the management and policies of the Issuer or to control the composition of its board of directors or other equivalent body, whether through the ownership of share capital, by contract or otherwise.

If a Change of Control occurs the Issuer shall, within 14 days of the occurrence of the Change of Control, give notice (a **Change of Control Put Event Notice**) to the VPS Noteholders in accordance with Condition 11 specifying the nature of the Change of Control and the circumstances giving rise to it and the procedure for exercising the option contained in this Condition 6.6.

To exercise the right to require redemption or, as the case may be, purchase of the relevant VPS Note under this Condition 6.6 the holder of the relevant VPS Note must, within the period (the **Put Period**) of 45 days after that on which a Change of Control Put Event Notice is given, give notice (a **Put Exercise Notice**) to the VPS Agent of such exercise in accordance with the standard procedures of the VPS from time to time.

Any Put Exercise Notice given by a holder of any VPS Note pursuant to this Condition 6.6 shall be irrevocable except where, prior to the due date of redemption or purchase, as applicable, an Event of Default has occurred and is continuing, in which event such holder, at its option, may elect by notice to the Issuer to withdraw the Put Exercise Notice given pursuant to this Condition 6.6 and instead to declare such VPS Note forthwith due and payable pursuant to Condition 9.

6.7 Early Redemption Amounts

For the purpose of Condition 6.2 above and Condition 9:

- (a) each Note (other than a Zero Coupon Note) will be redeemed at its Early Redemption Amount; and
- (b) each Zero Coupon Note will be redeemed at its Early Redemption Amount calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

RP means the Reference Price;

AY means the Accrual Yield expressed as a decimal; and

y is the Day Count Fraction specified in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the VPS Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such VPS Note becomes due and repayable and the denominator will be 360) or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the VPS Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such VPS Note becomes due and repayable and the denominator will be 360) or (iii) Actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the VPS Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such VPS Note becomes due and repayable and the denominator will be 365)

6.8 Purchases

The Issuer or any Subsidiary of the Issuer may at any time purchase VPS Notes at any price in the open market or otherwise.

6.9 Cancellation

All VPS Notes purchased by the Issuer or any of its Subsidiaries may be held, reissued, resold or, at the option of the Issuer, cancelled by the VPS Agent causing such VPS Notes to be deleted from the records of the VPS.

6.10 Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 6.1, 6.2, 6.3, 6.4, 6.5 or 6.6 above or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 6.7(b) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the VPS and notice to that effect has been given to the VPS Noteholders in accordance with Condition 11.

7. TAXATION

All payments of principal and interest in respect of the VPS Notes by or on behalf of the Issuer will be made without withholding or deduction for or on account of any present or future taxes or duties (**Taxes**) of whatever nature imposed or levied by or on behalf of any Tax Jurisdiction unless such withholding or deduction is required by law. In such event, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the VPS Notes after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the VPS Notes in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any VPS Note:

- (a) the holder of which is liable for such taxes or duties in respect of such VPS Note by reason of his having some connection with a Tax Jurisdiction other than the mere holding of such VPS Note; or
- (b) on account of any Taxes that are payable pursuant to the Norwegian Tax Act section 10-80 on payments to related parties (as such term is defined in the Norwegian Tax Act section 10-82) tax resident in a low-tax jurisdiction (as such term is defined in the Norwegian Tax Act section 10-63).

As used herein, **Tax Jurisdiction** means the Kingdom of Norway or any political subdivision or any authority thereof or therein having power to tax.

8. PRESCRIPTION

The VPS Notes will become void unless claims in respect of principal and/or interest are made within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date therefor.

As used in the VPS Conditions, **Relevant Date** means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the VPS Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been

so received, notice to that effect is duly given to the VPS Noteholders in accordance with Condition 11.

9. EVENTS OF DEFAULT

9.1 Events of Default

If any one or more of the following events (each an **Event of Default**) shall occur and be continuing:

- (a) if default is made in the payment in the Specified Currency of any principal or interest due in respect of the VPS Notes or any of them and the default continues for a period of seven days (in the case of principal) or 14 days (in the case of interest); or
- (b) if the Issuer fails to perform or observe any of its other obligations under the VPS Conditions and (except in any case where the failure is incapable of remedy when no such continuation or notice as is hereinafter mentioned will be required) the failure continues for the period of 30 days next following the service by a VPS Noteholder on the Issuer of notice, addressed by the relevant VPS Noteholder to the Issuer and delivered to the Issuer or the VPS Agent, requiring the same to be remedied; or
- (c) if (i) any Indebtedness for Borrowed Money (as defined below) of the Issuer or any of its Material Subsidiaries is declared or otherwise becomes due and repayable prematurely by reason of an event of default (however described); (ii) the Issuer or any of its Material Subsidiaries fails to make any payment in respect of any Indebtedness for Borrowed Money on the due date for payment (after the expiry of any originally applicable grace period); (iii) any security given by the Issuer or any of its Material Subsidiaries for any Indebtedness for Borrowed Money becomes enforceable; or (iv) default is made by the Issuer or any of its Material Subsidiaries in making any payment due under any guarantee and/or indemnity given by it in relation to any Indebtedness for Borrowed Money of any other person; provided that no event described in this Condition 9.1(c) shall constitute an Event of Default unless the relevant amount of Indebtedness for Borrowed Money or other relative liability due and unpaid, either alone or when aggregated (without duplication) with other amounts of Indebtedness for Borrowed Money and/or other liabilities due and unpaid relative to all (if any) other events specified in (i) to (iv) above, amounts to at least €20,000,000 (or its equivalent in any other currency); or
- (d) if any order is made by any competent court or resolution passed for the winding up or dissolution of the Issuer or any of its Material Subsidiaries, save (i) for the purposes of reorganisation on terms previously approved by the VPS Noteholders (in accordance with the meeting provisions in the VPS Trustee Agreement) or (ii) in the case of a Material Subsidiary of the Issuer, in connection with a Permitted Reorganisation; or
- (e) if (i) the Issuer ceases or threatens to cease to carry on the whole or a substantial part of its business, or if any of the Issuer's Material Subsidiaries ceases or threatens to cease to carry on the whole or substantially the whole of its business, save in each case (A) for the purposes of reorganisation on terms previously approved by an Extraordinary Resolution or (B) in connection with a Permitted Reorganisation or a Permitted Disposal, or (ii) the Issuer or any of its Material Subsidiaries stops or threatens to stop payment of, or is unable to, or admits inability to, pay, its debts (or any class of its debts) as they fall due, or is deemed unable to pay its debts pursuant to or for the purposes of any applicable law, or is adjudicated or found bankrupt or insolvent; or
- (f) if (A) proceedings are initiated against the Issuer or any of its Material Subsidiaries under any applicable liquidation, insolvency, composition, reorganisation or other similar laws, or an

application is made (or documents filed with a court) for the appointment of an administrative or other receiver, manager, administrator or other similar official, or an administrative or other receiver, manager, administrator or other similar official is appointed, in relation to the Issuer or any of its Material Subsidiaries or, as the case may be, in relation to the whole or a substantial part of the undertaking or assets of any of them, or an encumbrance takes possession of the whole or a substantial part of the undertaking or assets of any of them, or a distress, execution, attachment, sequestration or other process is levied, enforced upon, sued out or put in force against the whole or a substantial part of the undertaking or assets of any of them and (B) in any case (other than the appointment of an administrator) is not discharged within 45 days; or

- (g) if the Issuer or any of its Material Subsidiaries initiates or consents to judicial proceedings relating to itself under any applicable liquidation, insolvency, composition, reorganisation or other similar laws (including the obtaining of a moratorium) or makes a conveyance or assignment for the benefit of, or enters into any composition or other arrangement with, its creditors generally (or any class of its creditors) or any meeting is convened to consider a proposal for an arrangement or composition with its creditors generally (or any class of its creditors),

then any holder of a VPS Note may, by written notice addressed by the holder of the relevant VPS Note to the Issuer and delivered to the Issuer or the specified office of the VPS Trustee, effective upon the date of receipt thereof by the Issuer or the VPS Trustee, as applicable, declare any VPS Note held by it to be forthwith due and payable whereupon the same shall become forthwith due and payable at its Early Redemption Amount, together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind.

9.2 Definitions

For the purposes of the VPS Conditions:

- (a) **Indebtedness for Borrowed Money** means any indebtedness (whether being principal, premium, interest or other amounts) for or in respect of any notes, bonds, debentures, debenture stock, loan stock or other securities or any borrowed money or any liability under or in respect of any acceptance or acceptance credit;
- (b) **Material Subsidiary** means at any time a Subsidiary of the Issuer:
 - (i) whose total operating income (consolidated in the case of a Subsidiary which itself has Subsidiaries) or whose total assets (consolidated in the case of a Subsidiary which itself has Subsidiaries) represent in each case (or, in the case of a Subsidiary acquired after the end of the financial period to which the then latest audited consolidated accounts of the Issuer and its Subsidiaries relate, are equal to) not less than five (5) per cent. of the consolidated total operating income of the Issuer, or, as the case may be, consolidated total assets, of the Issuer and its Subsidiaries taken as a whole, all as calculated respectively by reference to the then latest audited accounts (consolidated or, as the case may be, unconsolidated) of such Subsidiary and the then latest audited consolidated accounts of the Issuer and its Subsidiaries, provided that in the case of a Subsidiary of the Issuer acquired after the end of the financial period to which the then latest audited consolidated accounts of the Issuer and its Subsidiaries relate, the reference to the then latest audited consolidated accounts of the Issuer and its Subsidiaries for the purposes of the calculation above shall, until consolidated accounts for the financial period in which the acquisition is made have been prepared and audited as aforesaid, be deemed to be a reference to such first-mentioned accounts

as if such Subsidiary had been shown in such accounts by reference to its then latest relevant audited accounts, adjusted as deemed appropriate by the Issuer:

- (ii) to which is transferred the whole or substantially the whole of the undertaking and assets of a Subsidiary of the Issuer which immediately prior to such transfer is a Material Subsidiary, provided that the transferor Subsidiary shall upon such transfer forthwith cease to be a Material Subsidiary and the transferee Subsidiary shall cease to be a Material Subsidiary pursuant to this subparagraph (ii) on the date on which the consolidated accounts of the Issuer and its Subsidiaries for the financial period current at the date of such transfer have been prepared and audited as aforesaid but so that such transferor Subsidiary or such transferee Subsidiary may be a Material Subsidiary on or at any time after the date on which such consolidated accounts have been prepared and audited as aforesaid by virtue of the provisions of subparagraph (i) above or, prior to or after such date, by virtue of any other applicable provision of this definition; or
 - (iii) to which is transferred an undertaking or assets which, taken together with the undertaking or assets of the transferee Subsidiary, generated (or, in the case of the transferee Subsidiary being acquired after the end of the financial period to which the then latest audited consolidated accounts of the Issuer and its Subsidiaries relate, generate operating income equal to) not less than five (5) per cent. of the consolidated total operating income of the Issuer, or represent (or, in the case aforesaid, are equal to) not less than five (5) per cent. of the consolidated total assets of the Issuer and its Subsidiaries taken as a whole, all as calculated as referred to in subparagraph (i) above, provided that the transferor Subsidiary (if a Material Subsidiary) shall upon such transfer forthwith cease to be a Material Subsidiary unless immediately following such transfer its undertaking and assets generate (or, in the case aforesaid, generate operating income equal to) not less than five (5) per cent. of the consolidated total operating income of the Issuer, or its assets represent (or, in the case aforesaid, are equal to) not less than five (5) per cent. of the consolidated total assets of the Issuer and its Subsidiaries taken as a whole, all as calculated as referred to in subparagraph (i) above, and the transferee Subsidiary shall cease to be a Material Subsidiary pursuant to this subparagraph (iii) on the date on which the consolidated accounts of the Issuer and its Subsidiaries for the financial period current at the date of such transfer have been prepared and audited but so that such transferor Subsidiary or such transferee Subsidiary may be a Material Subsidiary on or at any time after the date on which such consolidated accounts have been prepared and audited as aforesaid by virtue of the provisions of subparagraph (i) above or, prior to or after such date, by virtue of any other applicable provision of this definition;
- (c) **Permitted Disposal** means a disposal of **any** or all of the Issuer's air navigation services division on arm's length terms; and
 - (d) **Permitted Reorganisation** means any disposal by any of the Issuer's Subsidiaries or (for the purposes of Condition 9.1(e)(i) only) the Issuer (such entity the disposing entity), to the Issuer or any of other Subsidiary of the Issuer, of the whole or substantially the whole of the disposing entity's business.

10. TRANSFER AND EXCHANGE OF VPS NOTES

10.1 Transfers of Interests in VPS Notes

Settlement of sale and purchase transactions in respect of VPS Notes will take place two Oslo Business Days after the date of the relevant transaction. VPS Notes may be transferred between accountholders

at the VPS in accordance with the procedures and regulations, for the time being, of the VPS. A transfer of VPS Notes which is held in the VPS through Euroclear or Clearstream, Luxembourg is only possible by using an account operator linked to the VPS.

For the purposes of this Condition 10.1, **Oslo Business Day** means a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets are open for general business (including dealing in foreign exchange and foreign currency deposits) in Oslo.

10.2 Registration of transfer upon partial redemption

In the event of a partial redemption of VPS Notes under Condition 6, the Issuer shall not be required to register the transfer of any VPS Note, or part of a VPS Note, called for partial redemption.

10.3 Costs of registration and administration of the VPS Register

VPS Noteholders will not be required to bear the costs and expenses of effecting any registration, transfer or administration in relation to the register maintained by the VPS, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.

11. NOTICES

Notices to the VPS Noteholders shall be valid if the relevant notice is given to the VPS for communication by it to the VPS Noteholders and, so long as the VPS Notes are listed on a stock exchange, the Issuer shall ensure that notices are duly published in a manner which complies with the rules of such exchange (which shall include, if and for so long as the VPS Notes are (a) admitted to trading on, and listed on the Official List of, the Luxembourg Stock Exchange and the rules of that exchange so require, publication in a daily newspaper of general circulation in Luxembourg (expected to be the *Luxemburger Wort* or the *Tageblatt*), and/or on the Luxembourg Stock Exchange's website (www.luxse.com), and/or (b) admitted to trading on, and listed on, the regulated market of the Oslo Stock Exchange and the rules of that exchange so require, publication in a daily newspaper of general circulation in Oslo and/or on the Oslo Stock Exchange's website (www.euronext.com/en/markets/oslo). Any such notice shall be deemed to have been given on the date one day after delivery to the VPS.

12. MEETINGS OF VPS NOTEHOLDERS AND MODIFICATION

12.1 Provisions with respect to holders of VPS Notes

The VPS Trustee Agreement contains provisions for convening meetings of the VPS Noteholders to consider any matter affecting their interests, including sanctioning resolutions relating to the VPS Notes, the VPS Conditions and/or the VPS Trustee Agreement by a majority of votes (or, in the case of any waiver or amendment of certain terms of the VPS Conditions or the VPS Trustee Agreement (as set out in Condition 12.2(a) below), sanctioning by a majority of two thirds of votes). The VPS Trustee Agreement also provides that any resolution that may be sanctioned by the VPS Noteholders at a meeting may also be passed by way of a written resolution (either by way of a written or electronic resolutions), with the same relevant majority that would be valid if such resolution had been passed at a meeting of VPS Noteholders. Such a meeting may be convened or a written resolution may be initiated, as the case may be, by the Issuer, the VPS Trustee, VPS Noteholders holding not less than 10 per cent. of the Voting VPS Notes or, if the VPS Notes are listed on the Oslo Stock Exchange, the Oslo Stock Exchange.

For the purpose of this Condition 12.1, **Voting VPS Notes** means the aggregate nominal amount of the total number of VPS Notes not redeemed or otherwise discharged in the VPS, less the VPS Notes

owned by the Issuer, any party who has decisive influence over the Issuer or any party over whom the Issuer has decisive influence. For these purposes, **decisive influence** means a person having, as a result of an agreement or through the ownership of shares or interest in another person (directly or indirectly):

- (a) a majority of the voting rights in that other person; or
- (b) a right to elect or remove a majority of the members of the board of directors of that other person.

The quorum at a meeting for passing a resolution, or the minimum requirement for a written resolution to be valid, is one or more persons holding or representing at least 50 per cent. of the Voting VPS Notes or at any adjourned meeting one or more persons being or representing holders of Voting VPS Notes whatever the nominal amount of the VPS Notes so held or represented, except that at any meeting the business of which includes any matter set out in Condition 12.2(a) below, the quorum shall be one or more persons holding or representing not less than two-thirds in aggregate nominal amount of the Voting VPS Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third in aggregate nominal amount of the Voting VPS Notes.

A resolution passed at any meeting of the VPS Noteholders, or by way of a written resolution, shall be binding on all the VPS Noteholders, whether or not they are present at such meeting or participated in such written resolution.

12.2 Modification

The VPS Trustee Agreement provides that:

- (a) in order to make the following amendments, a majority of at least two-thirds of the votes cast in respect of Voting VPS Notes is required:
 - (i) modification of the Maturity Date of the VPS Notes specified in the applicable Final Terms, or reduction or cancellation of the nominal amount payable upon maturity;
 - (ii) reduction or calculation of the amount payable, or modification of the payment date in respect of any interest in relation to the VPS Notes or variation of the method of calculating the rate of interest in respect of the VPS Notes;
 - (iii) reduction of any Minimum Rate of Interest and/or Maximum Rate of Interest specified in the applicable Final Terms;
 - (iv) modification of the currency in which payments under the VPS Notes are to be made;
 - (v) any alteration of Clause 4.1(f) of the VPS Trustee Agreement (which sets out the matters for which a majority of two-thirds of votes is required);
 - (vi) the transfer of rights and obligations under the VPS Conditions and the VPS Trustee Agreement to another Issuer; and/or
 - (vii) a change of VPS Trustee; and
- (b) the VPS Trustee may, in certain circumstances, agree to certain amendments to the VPS Trustee Agreement or the VPS Conditions which are binding on all VPS Noteholders, without the prior consent of the VPS Noteholders, including amendments that are, in the VPS Trustee's opinion, either (i) not detrimental to the rights and benefits of the affected VPS Noteholders in any material respect, (ii) made solely for the purpose of rectifying obvious errors and mistakes, or (iii) such amendment is required by applicable law, a court ruling or a decision

by a relevant authority. The VPS Trustee shall as soon as possible notify the VPS Noteholders of any proposal to make such amendments, setting out the date from which the amendment will be effective, unless such notice obviously is unnecessary.

In addition, the Issuer may, without the consent of the VPS Noteholders, amend these Conditions to give effect to any Benchmark Amendments in the circumstances and as otherwise set out in Condition 4.2(i)(iv) above.

13. VPS TRUSTEE

The VPS Trustee Agreement contains provisions for the indemnification of the VPS Trustee and for its relief from responsibility, including provisions relieving it from taking action unless indemnified and/or secured to its satisfaction. VPS Noteholders are deemed to have accepted and will be bound by the VPS Conditions and the terms of the VPS Trustee Agreement.

14. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the VPS Noteholders to create and issue further notes having terms and conditions the same as the VPS Notes or the same in all respects save for the amount and date of the first payment of interest thereon and the date from which interest starts to accrue so that the same shall be consolidated and form a single Series with the outstanding VPS Notes.

15. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any right to enforce any term or condition of this VPS Note under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

16. GOVERNING LAW AND SUBMISSION TO JURISDICTION

16.1 Governing law

The VPS Notes (and any non-contractual obligations arising out of or in connection with the VPS Notes) are governed by, and shall be construed in accordance with, English law, save that VPS Conditions 2, 12, 13 and 14 (and any non-contractual obligations arising out of or in connection with VPS Conditions 2, 12, 13 and 14) are governed by, and shall be construed in accordance with, Norwegian law.

The VPS Trustee Agreement and the VPS Agency Agreement (and any non-contractual obligations arising out of or in connection with the VPS Trustee Agreement and VPS Agency Agreement) are governed by, and shall be construed in accordance with, Norwegian law.

VPS Notes must comply with the Norwegian Securities Depository Act of 15 March 2019 No. 6, as amended from time to time, and the holders of VPS Notes will be entitled to the rights and are subject to the obligations and liabilities which arise under this Act and any related regulations and legislation.

16.2 Submission to jurisdiction

- (a) Subject to Condition 16.2(c) below, the English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with the VPS Notes, including any dispute as to their existence, validity, interpretation, performance, breach or termination or the consequences of their nullity and any dispute relating to any non-contractual obligations arising out of or in connection with the VPS Notes (a

Dispute) and accordingly each of the Issuer and any VPS Noteholders in relation to any Dispute submits to the exclusive jurisdiction of the English courts.

- (b) For the purposes of this Condition 16.2, the Issuer waives any objection to the English courts on the grounds that they are an inconvenient or inappropriate forum to settle any Dispute.
- (c) To the extent allowed by law, the VPS Noteholders may, in respect of any Dispute or Disputes, take (i) proceedings in any other court with jurisdiction; and (ii) concurrent proceedings in any number of jurisdictions.

16.3 Appointment of Process Agent

The Issuer irrevocably appoints Saville & Co. Scrivener Notaries at 11 Old Jewry, London EC2R 8DU as its agent for service of process in any proceedings before the English courts in relation to any Dispute, and agrees that, in the event of Saville & Co. Scrivener Notaries being unable or unwilling for any reason so to act, it will immediately appoint another person as its agent for service of process in England in respect of any Dispute. The Issuer agrees that failure by a process agent to notify it of any process will not invalidate service. Nothing herein shall affect the right to serve process in any other manner permitted by law.

16.4 Waiver of immunity

The Issuer irrevocably and unconditionally with respect to any Dispute (i) waives any right to claim sovereign or other immunity from jurisdiction, recognition or enforcement and any similar argument in any jurisdiction, (ii) submits to the jurisdiction of the English courts and the courts of any other jurisdiction in relation to the recognition of any judgment or order of the English courts or the courts of any competent jurisdiction in relation to any Dispute and (iii) consents to the giving of any relief (whether by way of injunction, attachment, specific performance or other relief) or the issue of any related process, in any jurisdiction, whether before or after final judgment, including without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment made or given in connection with any Dispute.

USE OF PROCEEDS

The net proceeds from each issue of Notes will be applied by the Issuer for its general corporate purposes, which include making a profit. If, in respect of an issue of Notes, there is a particular identified use of proceeds, this will be stated in the applicable Final Terms.

Overview

Avinor was incorporated on 12 December 2002 as a wholly state-owned limited liability company organised under the laws of Norway and under the authority of the Norwegian Ministry of Transport (the **MT**).

Avinor's main responsibility is to own, operate and develop Norway's state-owned airports for the civilian aviation sector and to provide a joint air navigation service for civilian and military aviation. Operations are focused on security, efficiency, sustainability and to ensure good accessibility for all groups of passengers.

Avinor's airports

Norway is a long and narrow country. It extends approximately 1770 km from south to north and has a geography dominated by a 101,000 km long coastline, including mainland and all islands, and mountain masses. Avinor's airports have a key role in ensuring the habitation and commercial activities across the country and the airports are located as shown in this map.

Avinor owns 43 airports which vary by size and traffic volume. Oslo Airport is the largest airport and accounts in a normal year for more than half of Norway's total air traffic and around 70 per cent of total international traffic in Norway and is hence the hub of Norwegian aviation and a transit airport for traffic between Norway and the rest of the world. The profit generated by Oslo Airport is crucial for the financing of the other Avinor airports.

The airports in Stavanger, Bergen, and Trondheim also have significant direct international traffic while the airports in Tromsø, Bodø, Harstad/Narvik, Molde, Ålesund, Haugesund, Kristiansand, Svalbard and Kristiansund have seasonal direct international traffic, however primarily national traffic. The other Avinor airports have regional traffic.

Oslo Airport is the only Norwegian airport with parallel runways, 3600 and 2950 meters respectively. Stavanger has a secondary runway for certain wind conditions. The other large airports have runways between 2600 and 3000 meters which mean they can be used by larger jet aircrafts. The 27 smallest airports have runways between 800 and 1200 meters for smaller aircraft types.

Air navigation service

Avinor Flysikring AS (**ANS**), a subsidiary of Avinor, provides air navigation services e.g, en-route navigation services, approach control services, control tower services, aerodrome flight information services (**AIFS**), and flight navigation services. ANS is responsible for air navigation in Norwegian airspace and provides services to both civilian and military aviation.

ANS has three main business areas: En-route Services, Tower Services and AIFS.

En-route Services provides air traffic control services in Norwegian airspace and in large parts of the North Atlantic. The services are provided by approximately 350 employees at control centres located in Stavanger, Oslo (Røyken) and Bodø. The main customers are the airlines, the Norwegian armed forces, oil companies and the airports for which ANS provides approach control.

The Tower Services provides air traffic control services, and alerting services at 17 control towers. The control towers are responsible for managing air traffic at and in the vicinity of airports, and for ensuring safe and efficient traffic management. Customers for Tower Services are the Group's airports and the Norwegian armed forces and private airports.

AIFS provides aerodrome flight information services for 27 Avinor airports, of which 11 airports are currently operated from the Remote Tower Center in Bodø.

ANS has been appointed by the MT to provide En-route Services until December 2024.

Travel activity

The travel activity in Avinor's airports in 2020 and 2021 was severely impacted by international and national travel restrictions after the outbreak of COVID-19 in March 2020. The reduction in passengers and the suspension of airport fees had a severe financial impact on Avinor. After the end of first quarter 2021, Avinor has experienced a strong recovery in the travelling activity, however the traffic volume in 2022 and for the period ended 30 September 2023 is not yet back at 2019 activity levels (54.1 million passengers in total in 2019 compared to 44.7 million passengers in 2022) and the timeline for returning to the 2019 activity levels is uncertain. Avinor does not consider that the travel activity is currently impacted by COVID-19. Recent traffic volumes have been negatively impacted by factors such as the macro-economic consequences of Russia's invasion of Ukraine, which ultimately have caused diminishing purchasing power for travellers in the private and corporate segment, as well as increasing climate- and environmental- awareness and new use of technologies.

The total number of passengers travelling to, from or via all Avinor airports is set out below:

Year	For the 9 months period ended 30 September 2023	For the year ended 31 December 2022	For the year ended 31 December 2021	For the year ended 31 December 2020
Million passengers	37.2	44.7	22.4	20.8

Drones

Avinor established a drone security programme in 2018 and has worked systematically with drone security issues since then. Flying drones within 5 kilometres of airports is restricted by law in Norway, unless explicit clearance has been given to the operator of the drone from air traffic control.

Avinor has operative drone detection technology in place at a large number of airports providing Avinor with insight and valuable information regarding drones in the vicinity. However, Avinor has only invested in

detection technology as only the Police and Norwegian Armed Forces are authorised to force down drones in Norway. Avinor has a close relationship with the Norwegian government including the Police and Armed Forces regarding all drone activity in Norwegian airspace. In addition, Avinor is regularly advertising in social media, media and directly towards drone operators to inform them about rules and regulations regarding flying drones in the vicinity of airports. During the summer of 2023, more than 1000 unlawful drone flights were detected in the vicinity of Avinor's airports.

Avinor has started testing use of drones at airports to see if they can improve airport operations through improved data quality, cost reductions and eventually generate new revenue streams. Avinor is prepared to accept a controlling role with regards to drone activity in low altitudes outside airport areas. This is also proposed by the Norwegian government but pending an official letter of appointment.

The intention behind Avinor's Ninox drone system is to ease the application process for drone users in controlled airspace around airports and to give air traffic control a better overview of registered drone traffic around the airports. This is the first step towards a more automated and autonomous process of handling drones in the future and is aligned with the European Union vision for handling drone traffic.

Avinor acknowledges eVTOLs (electric Vertical Take Off and Landing aircrafts) in general as a new chapter in Norwegian aviation and drones have a key role in this chapter. First generation eVTOLs are expected to be certified for commercial operations, for example the transportation of passengers and cargo, between 2024 and 2028 based on manual flying with a pilot onboard. Several stakeholders in Norway have taken an interest in bringing eVTOLs to Norway and operating them, and Avinor is in close contact with all of them.

Avinor consider this new chapter in aviation as interesting and promising for integration in Avinor's existing operations and Avinor has an explorative approach to identify new business models and opportunities within the drone space and has integrated this work in the Group's current strategy.

Business

Avinor's primary sources of income are charges from airlines and commercial revenues generated at its airports. (See below sections titled "*Traffic Income – charges from airlines*" and "*Commercial activities at the airports*" for further details).

All of Avinor's airports are organised within the same legal entity, except Svalbard Airport which is a 100 per cent. owned subsidiary of the Issuer. The financially profitable airports finance the unprofitable ones. Avinor's articles of association requires Avinor to maintain a minimum equity ratio of 40 per cent, calculated as equity as a percentage of total equity and net interest-bearing debt, excluding lease liabilities (according to article 5 of Avinor's Articles of Association) (the **equity ratio**), which effectively limits the Group's long-term borrowings for funding of long-term assets. The financial framework, where certain airports are effectively subsidising the other airports and the minimum equity ratio requirement, is referred to as the 'Avinor Model' which is key in understanding the financial aspects of Avinor.

Traffic income - charges from airlines

Airline traffic income encompasses all types of charges related to Avinor's provision of infrastructure and services which are necessary for airlines to carry out flights to/from Norway as well as domestic flights. In addition, en route charges encompass flights across Norwegian air space.

Overview of Avinor's airline charges:

- **Take-off charges:** Related to essential services/infrastructure for operating a departure from any Avinor airport. Calculated based on the weight of the aircraft.

- **Passengers charges:** Related to essential infrastructure and provision of services to passengers on arrival, at departure or during transit. Calculated based on the number of departing passengers.
- **Security charges:** Related to services/infrastructure for carrying out airport security checks in line with applicable regulations. Calculated based on actual number of passengers on a flight, less transit passengers.
- **En route charges:** Services provided between take-off and landing destination in the air space of which Avinor is responsible. Calculated based on the weight of the aircraft and travel distance.
- **Terminal Navigation charges:** Services related to monitoring and control during take-off, landing and movement to/from gate. Calculated based on the weight of the aircraft.

The Take-off-, Passenger-, and Security charges are set in accordance with regulations set by the MT. Please refer to the table in the section “*Commercial activities at the airports*” immediately below for an overview of recent historical total traffic income, which shows that total traffic income is of a similar size to Avinor’s other operating income.

Avinor communicated in its Q2 interim report for 2023 the need for a financially sound framework in relation to Avinor’s social mission, and that an increase of airport charges and/or commercial revenues were a likely part of the solution to maintain the value of Avinor’s assets. Avinor has had a dialogue with the MT on this topic during the autumn of 2023.

The MT concluded the process with Avinor on 16 November 2023 by publishing a letter stating their intention to improve Avinor’s financial framework by increasing airport charges in 2024, with the aim to increase airport fees by NOK 200 million in 2024.

From 2024 to 2025 and beyond, the MT suggested additional measures from the Norwegian government to improve Avinor’s financial situation, as well as setting out certain expectations to Avinor. The selected economic measures include:

- Additional increases of the airport charges,
- Reduction of fiscal passenger charges – (to redistribute contributions from the airlines to Avinor, instead of the state who is current receiver of passenger charges, without increasing the total burden on the airlines.)
- Review of Avinor’s societal mission to identify which activities should be financed by the Norwegian state.
- Potentially other financial grants from the Norwegian state.

The totality of this package is significant and hence it must be made subject to the “normal process” as part of the Norwegian state budget for 2025. The MT also communicated its intention to continue and even strengthen the current Avinor business model and to maintain the current airport structure, and as a consequence indicated a strong signal of commitment to the suggested measures being included in the 2025 state budget process.

Commercial activities at the airports

Avinor’s commercial revenue mix from its airports mainly consists of direct sales to airline passengers and rental income from tenants use of Avinor’s areas, which includes duty-free shopping, parking, shops, services, refreshments, advertising, aviation fuel, handling services, hotels and infrastructure.

Avinor's contracts with commercial tenants have a range of different structures. Lease agreements with tenants on the landside of the airports, within retail and parking, are primarily turnover based. This is also the case for the hotel operators, however normally with a minimum rent in place. Certain contracts combine turnover based and fixed payments lease agreements for different kinds of rented areas, typically where parking areas are associated with fixed payments while the rest of a hotel has a turnover based lease agreement. A few minor external lease contracts are solely based on fixed payments.

Avinor's commercial revenues are dependent on passenger volumes at the airports and Avinor is dependent on the continued stability of commercial revenues over time. In particular, duty-free shopping is an important contributor to the Group's financing of a high-quality nationwide aviation network. The duty-free shopping for airline passengers has been a subject of political discussion in Norway for a number of years and Avinor is prepared for continued discussion going forward. As an example of the political discussion, the Norwegian government proposed in 2022, and subsequently approved in the state budget for 2023, to reduce quotas for tax free purchases of tobacco by 50% with implications for Avinor's turnover based rental income from duty-free sales. Nonetheless, Avinor attaches great importance to managing the opportunity to conduct duty-free sales in a way that is balanced, responsible, and accepted by the owner and the general public.

Breakdown of revenues for the financial years ended 31 December 2020, 2021, 2022 and the financial period ended 30 September 2023 for the Avinor Group:

Non-core commercial activities

Avinor is an owner of large areas of land surrounding its largest airports and as part of an asset management strategy, Avinor, through its subsidiary Avinor Utvikling AS, has historically developed and prepared such real estate for realisation in value adding transactions and will continue to do so, going forward.

Avinor Utvikling AS's portfolio of properties currently includes four hotels and one office building. The hotels are leased to Nordic and international operators, including Choice, Radisson and Scandic. The hotels are all situated adjacent to terminal doors and a maximum of five minutes walking distance to/from check in and arrival halls. The office building is a six-storey building next to the terminal building at Oslo airport, Gardermoen. The office space is primarily owner occupied but also partly let to external tenants operating business and services at the airport.

Governance

The Norwegian state has an ownership policy which divides state owned companies in two categories. Avinor belongs to category 2, where the Norwegian state's goal as an owner is the most sustainable and efficient possible attainment of public policy goals. Most category 2 companies, including Avinor, do not operate in domestic competition with other companies.

The MT is also the highest regulatory authority for Norwegian aviation, and it lays down the Civil Aviation Authority's regulations that have consequences for Avinor's operations and financial framework.

It is an objective for the Norwegian state that Avinor is self-financed without state support or subsidies, and this has historically been the case since Avinor was established, except for the financial government support Avinor received during the COVID-19 pandemic in 2020 and 2021 (see section *“Financial support from owner due to steep decline in travel activity during COVID-19”* below for details.)

Through 2021 to 2023, the MT has granted a waiver from its minimum equity ratio requirement as set out in its Articles of Association. The initial waiver was granted in October 2021 with subsequent extensions in December 2021, March 2022 and most recently in December 2022, the MT decided to allow for a minimum equity ratio of 37 per cent. until 31 December 2023. As of 30 September 2022, Avinor’s equity ratio was 40.5 per cent.

Financial support from owner due to steep decline in travel activity due to COVID- 19

The Group's results and solvency were significantly affected by the COVID-19 pandemic. The operating income of the Group (excluding Government grants) for 2021 and 2020 was NOK 5.5 billion and NOK 4.6 billion, respectively, a reduction of 53 per cent. and 61 per cent. compared to the total operating income (excluding Government grants) of NOK 11.8 billion for the year ended 31 December 2019, the most recent year for normalised travel activity.

In 2020 and 2021, throughout the COVID-19 pandemic, Avinor had an ongoing dialogue with its owner about measures to strengthen the Group's liquidity and equity. Avinor received government grants of NOK 3,600 million and NOK 3800 million in 2020 and in 2021, respectively. The grants were structured as immediate financial support and had no future associated expenses or other conditions attached to them. The Norwegian state also agreed to a one-year deferral of a NOK 444 million instalment due on a state loan. The deferred instalment was then paid in 2021 instead of 2020, with no changes to the timing for payment of future instalments, or the final maturity in 2024. No financial government support was received in 2022.

The dividend policy of Avinor states that it will pay a dividend of 50 per cent. of full-year profit after tax. For the fiscal year 2019 the Norwegian parliament waived the dividend, in order to alleviate the impacts of the COVID-19 pandemic on Avinor. For the fiscal years 2020, 2021 and 2022, no dividend payment was due based on Avinor’s financial results.

Corporate social responsibility

Avinor’s corporate social responsibility efforts are based on the expectations set forth in its Articles of Association, the Norwegian Accounting Act and the Organisation for Economic Co-operation and Development’s (OECD) guidelines for responsible business. Avinor signed up to the United Nations Global Compact in 2014. Avinor’s environmental management system is certified in accordance with ISO 14001.

Avinor’s corporate social responsibility is divided into four areas:

- a) Ensuring good aviation services for the whole of Norway
- b) Being a driving force in climate and environmental efforts within the aviation industry
- c) Being a professional and attractive employer
- d) Ensuring that Avinor conducts its business responsibly

a) Ensuring good aviation services for the whole of Norway

Avinor’s obligation is to own, operate and develop a national network of airports for the civilian aviation sector and a joint air navigation service for the civilian and military sector. There are four objectives:

- Develop competitive airports
- Contribute to the sustainable growth of Norway and its regions
- Create valuable experiences for passengers and visitors
- Maintain a proud and improvement-orientated corporate culture

b) Being a driving force in climate and environmental efforts within the aviation industry

Aviation affects nature, the local environment, and the global environment. Greenhouse gas emissions from air traffic and airport operations have a global impact, while other environmental impacts from airport operations primarily affect local areas.

Effective and systematic environmental management is important for managing these challenges. Avinor's environmental management system is certified in accordance with the ISO 14001:2015 standard. In Q4 2022, the certification company RISE (Research Institutes of Sweden) conducted a certification audit in which Avinor was re-certified for another three-year period to March 2026. A new audit is planned for Q4 2023.

The Act on Sustainable Finance, which implements Regulation 2020/852/EU (the **EU Taxonomy**) into Norwegian law, came into force on 1 January 2023. Reporting in accordance with the EU Taxonomy is not a requirement for Norwegian companies for the 2022 financial year but will become a statutory requirement on and from the 2023 financial year. In 2023 Avinor has carried out an alignment assessment and are preparing financial indicators. Avinor has also continued preparations in accordance with the Corporate Sustainability Reporting Directive, effective as of 2024, and other new requirements and expectations for sustainability reporting. In June 2023, Avinor submitted a commitment letter to Science Based Target initiative (**SBTi**) to work on a climate risk analysis in accordance with the framework set out by the Task Force on Climate Related Financial Disclosure (the **TCFD**).

The below text is a summary of the company's climate and environment activities.

Background

Avinor is committed to achieve the goals set out in the Paris Agreement and has for a number of years been a driving force in the aviation industry in Norway to reduce the total emissions from the sector. Avinor has pioneered several projects for speeding up the transition to Sustainable Aviation Fuels (**SAF**), development of electrified aircraft and aircraft using hydrogen as an energy carrier.

In October 2020, the Norwegian Aviation Industry committed to a goal of fossil free aviation by 2050 by phasing in SAF and electrifying short and regional flights. Hydrogen may play a significant role in decarbonising the future aviation industry. Avinor has pledged to be a driving force in the transition to fossil-free aviation.

Sustainable Aviation Fuels (SAF)

Avinor has – together with the Norwegian aviation industry – been working on SAF for more than 15 years through various projects and initiatives. In the initial stages of development, it was of importance to show that SAF could be used as a drop-in fuel. The first SAF flights in Norway took place in 2014, and in January 2016 Avinor's Oslo Airport became the first hub in the world to blend SAF into the fuel infrastructure at the airport and offer it to all airlines refueling at the airport. Avinor has also led and financed research and documentation projects for SAF in close collaboration with key stakeholders in Norwegian aviation. These projects have examined the potential of Norwegian production of SAF and potential tools for increased production and use of SAF. In 2019, Avinor entered a SAF pre-purchase agreement with the Norwegian company Quantafuel.

QuantaFuel does not currently have any SAF production, however through this pre-purchase agreement they have an obligation to deliver SAF to Avinor in accordance with the contract on or before 2026.

Electrified aviation

Due to many short domestic routes and relatively few passengers per flight, new energy solutions for aviation are of particular interest in Norway. Avinor has been monitoring the development closely since 2015 and has carried out a wide range of projects and initiatives, amongst others, acquired a battery electric aircraft (Pipistrel Velis Electro). Commissioned by the Ministry of Transport, Avinor and the Norwegian Civil Aviation Authorities delivered a proposal in March 2020 for a program for the introduction of electrified aircraft in Norway. Avinor has established an internal project for infrastructure requirements for new energy carriers (electricity and hydrogen) in aviation. In 2023 Avinor is updating the 2020 mapping of future electricity supply and consumption at its airports.

Hydrogen

Awareness of hydrogen as an energy carrier in aviation has been increasing in recent years. Hydrogen can be produced through electrolysis or reforming, for example, natural gas. If the electricity used in electrolysis comes from renewable energy, the production and combustion of hydrogen has no direct greenhouse gas emissions. Hydrogen is a useful energy carrier and can help to reduce greenhouse gas emissions from aviation in the process of the production of biofuel (hydrogenation), as an input factor in the production of e-fuels, by direct combustion in custom jet engines or as part of a propulsion system with fuel cells and electric motors.

Furthermore, in the future, hydrogen may play an important role at airports, for example in reserve power applications, or as an energy carrier in heavier vehicles.

Avinor is following the development of hydrogen as an energy carrier very closely. In 2022 Avinor commissioned a report on the potential to supply hydrogen to Norwegian airports. This work will be developed in 2023 and 2024 to better understand possible future requirements. Avinor aim to facilitate the supply of hydrogen at its airports as needed.

Avinor's operations

Avinor's climate target expired in 2022. It has been decided that Avinor's new climate target will be set according to the SBTi standard. A commitment letter was submitted in June 2023, in which Avinor decided to set both short-term and long-term targets in line with the Paris Agreement. Greenhouse gas (GHG) emissions reduction targets are considered to be "science-based" if they are in line with what the latest climate science says is necessary, to meet the goals of the Paris Agreement - to limit global warming to well-below 2°C above pre-industrial levels and pursue efforts to limit warming to 1.5°C.

Avinor has worked with carbon footprint reports for many years and has good routines in place to retrieve data from scope 1 and 2 emissions. Some scope 3 emissions have been mapped and reported, but to be in accordance with the GHG protocol/SBTi, an extended mapping of the scope 3 emissions is being carried out in Q3 and Q4 2023. The work is extensive, but we aim to have both short-term and long-term goals ready for submission to SBTi towards the end of Q1 2024.

The largest greenhouse gas emissions from Avinor's operation and maintenance of airports comes from energy consumption and the consumption of fuel for its own vehicles. Svalbard Airport stands out in particular in Avinor's climate accounts since the airport's heating and electricity are both provided by a coal-fired power plant in Longyearbyen. Other sources of emissions include the discharge of chemicals for runway de-icing and fuel for use in fire drills.

The greenhouse gas emissions from Avinor's activities depend heavily on weather conditions during the winter season. An important measure for reducing greenhouse gas emissions from Avinor's own operations is the

introduction of advanced biodiesel, as almost half of Avinor's greenhouse gas emissions come from its fleet of vehicles. Advanced biodiesel is used in vehicles that cannot easily be electrified (such as sweepers and ploughs). The biodiesel used by Avinor does not contain palm oil or palm oil products and conforms to the EU's sustainability criteria.

Avinor Air Navigation Services, the airlines and the Norwegian Civil Aviation Authority are continuously working on measures in the airspace that reduce aircraft fuel consumption and greenhouse gas emissions. Over the past 5-6 years, the airspace over Southern Norway has been modernised with a route structure to suit current traffic patterns. Digital aids for efficient air traffic management and information sharing (Collaborative Decision Making) are important tools and are constantly being developed. Approach and departure procedures have been designed for continuous climb and descent. The transition from ground-based navigation to the use of satellites (PBN) gives shorter and more direct routes as well as more energy efficient approaches and takeoffs.

Surface access to the airports

In order to improve the range of services to passengers, reduce greenhouse gas emissions, and improve local air quality, Avinor wants, on a general basis, to facilitate as many journeys as possible to and from the airports to be made by public transportation and other means of transport that do not cause emissions. Most measures for increasing the use of public transportation fall however outside of Avinor's sole areas of responsibility and require co-operation with several other stakeholders. It is important for Avinor to facilitate the charging of electric vehicles in Avinor's parking areas. This work began in 2014, and almost 1,300 charging points have been established which makes Avinor one of the world's largest airport operators when it comes to charging for electric cars. At several airports, for example at Bergen Airport, charging points/ fast charging for taxis has also been implemented.

Impact of climate change on Avinor's operations (Climate adaptation – physical risks)

In Norway, it is expected that climate change will result in a warmer, more volatile, and wetter climate with wide regional and local variations. The inability to make adaptations to infrastructure may have major physical and economic consequences. Since 2001, Avinor – together with the Norwegian Public Roads Administration, the Norwegian Coastal Administration, and the Norwegian Railway Directorate – has assessed the impact of climate change on its own operations through its efforts relating to the National Transport Plan. Avinor has also participated as a partner in the research programme Klima 2050.

Avinor's climate adaptation efforts also extend to co-operation with Airport Council International (ACI), Eurocontrol and the directorate group for climate adaptation under the auspices of the Norwegian Environment Agency.

Most of Avinor's airports are scattered along the rugged Norwegian coastline. Twenty of them are quite exposed and several have runways less than 4 m above sea level. No two airports are the same, so although risks can be identified at a high level according to climate zone and geographical location, the specific impacts they will have to deal with may vary greatly according to operational and infrastructure characteristics. Avinor has carried out several projects to adapt the airport infrastructure to the future climate, including a need for measures to protect the runway at some of Avinor's airports. In Svalbard, the permafrost is melting, so every year actions and measures are required to protect and maintain the runway.

Climate risk assessment

In 2014 Avinor carried out a comprehensive climate risk assessment for all airports. The risk assessment was updated in 2022. Based on the assessment, Avinor will continue to dimension systematic climate adaptation measures based on expected climatic impacts linked to terminal buildings and other infrastructure and has introduced systems for preventive maintenance where climatic variations are taken into account. Internal communication, competence and information is important for further progress. Avinor also has an internal

system of routines and procedures that are essential for preventing risk on a daily basis and has also established procedures and routines to prevent damage in the event of challenging weather and wind conditions.

Climate risks (transition and physical) have been high on Avinor's agenda for two decades and Avinor is currently (in Q4 2023/Q1 2024) implementing the TCFD recommendations to systematise information and policies in Avinor.

Environmental efforts

Background

Systematic efforts are conducted to reduce the risk of Avinor's environmental impact through processes related to management system activities according to ISO 14001 to ensure continuous improvement. Strategic initiatives are in place to address the largest challenges on a higher level and in addition several actions taken at airport level. Special processes are performed in connection with the purchase of chemicals to prevent the use of, and emissions of, harmful substances. Routines are implemented for control and maintenance that reduces the likelihood of emission of chemicals. An emergency readiness procedure to handle sudden emissions and environmental monitoring of water areas around the airports has been established to document that the airport operations do not affect the environment. Annual environmental risk assessments are also carried out at each airport. Even though a comprehensive effort is made to reduce the risk of large incidents, certain significant risks require on-going consideration, e.g: PFAS and De-icing chemicals to fulfill environmental permits.

PFAS

Environmentally hazardous additives per- and polyfluoroalkyl substances (**PFAS**) have previously been detected in fire-extinguishing foam and have been dispersed into the environment around Avinor's airports. Considerable efforts have been made to obtain an overview of PFAS in soil, water and fish close to Avinor's airports. In 2012, Avinor switched to using fluorine-free fire-fighting foam.

Avinor received orders from The Norwegian Environmental Agency in 2020 to conduct further investigations of soil, water and biota at fire training areas at several airports and will conduct investigations in accordance with the requirements. In addition, Avinor has prepared remediation action plans for a minimum of 14 contaminated sites with the intention of implementing measures until 2027. Avinor will further conduct investigations on 16 locations considered as not sufficiently mapped.

Remedial action is completed or ongoing at seven airports, either as treatment of water or as "dig and dump" and such remedial actions will start at two more airports in 2024. The earliest remedial action plans will preferably describe "dig-and-dump"- excavation and landfill. However, through an RFI-process, Avinor seeks knowledge on other remediation technologies for PFAS with the objective to find better methods for cost-efficient removal of the contamination.

European Food Safety Authority (**EFSA**) has set a new safety threshold for the main PFAS that accumulate in the human body. The threshold is significantly lower than before, and the tolerable weekly intake (**TWI**) is part of a scientific opinion on the risks to human health arising from the presence of these substances in food. This may result in restrictions on the intake of fish at some airports.

Avinor has, as per 30 September 2023, made a financial provision of NOK 946.5 million to be able to meet expected requirements for clean-up from The Norwegian Environmental Agency.

De-icing chemicals

To be able to operate safely in winter conditions, de-icing chemicals are used both on airplanes and runway and taxiways systems at airports. The use and emission of these chemicals are strictly regulated by local

emission permissions from the environmental authorities and are not to result in any unacceptable environmental impact on surrounding natural environments. At many Avinor airports, infrastructure has therefore been constructed to collect the chemicals and other measures have also been implemented to handle the chemicals in an acceptable way. Climate change have led to increased winter rainfall and temperature changes which causes an increase in the consumption of such chemicals. Avinor is monitoring the development and is considering the need for certain measures. If this development continues, there is a risk for both increased costs in respect of such measures and operational restraints under demanding winter conditions.

Aircraft Noise

Avinor actively limits the impact of noise from aircraft and helicopter traffic on those living in the vicinity of its airports. Noise is included in the EU taxonomy as a 'pollutant'. Avinor's programme is based on the use of curved approach and departure procedures at airports that direct aircraft and helicopter traffic to areas of lower population density. So far curved procedures are available at 7 airports and several more are scheduled to be designed by 2030. The programme consists of flight path optimisation based on noise, track miles (CO2 emissions), tower/ATC and flight deck workload in addition to safety criteria.

Monitoring of the progress of implementation and status for noise pollution at Avinor's main airports is carried out using a noise and track monitoring system. For Oslo airport monthly reports are produced summarising the status and any deviations from the noise requirements. A significant parameter is the percentage of total flights following the curved approaches and departures. From Oslo airport, departures following the curved tracks are at a very high level but action is in place to increase the percentage of curved approaches as at the date of this Offering Circular, they are below 20% and the aim is to increase to 80% by 2030.

Helicopter noise is a significant issue at the six airports with offshore traffic. Approach and departure procedures at Stavanger and Bergen airports are specifically designed to avoid densely populated areas and preferences for flight levels above 1900ft are being implemented together with airspeed limits of 120 kts. These measures are being implemented in close cooperation with local authorities as well as air traffic control, helicopter airlines and the oil and gas industry.

At Evenes airport, the introduction of the F-35 Quick Reaction Alert aircraft has produced a significant risk of hearing damage to unprotected passengers and staff. Administrative measures are in place and comprehensive physical measures are in planning to reduce the risk of hearing damage.

Circular economy

Avinor aims to be part of the transition to a circular economy for the best possible utilisation of resources and reduced extraction of raw materials. This also involves the prevention of waste and wastage and a vision of zero waste, only using resources in cycles. Avinor has decided goals for the 2021-2025 period related to Zero residual waste, reduction of food waste and recovery and reuse of waste from construction and engineering projects.

Biodiversity

Many of Avinor's airports are located in or around areas rich in biodiversity. These areas include conservation areas with rare species, salmon rivers, and salmon fjords. Several airports host habitats for endangered species, such as the *Bombus distinguendus* bumble bee (critically endangered) at Oslo Airport or the *Carex bigelowii* subsp. *arctisibirica* (vulnerable) at Svalbard Airport. Avinor airports are also home to endangered habitats such as hayfields (critically endangered) at Kristiansand Airport and sea meadows (vulnerable) at Namsos Airport.

Avinor's operations, development and projects affect biodiversity in and around airports in many ways. Abandonment, drainage, discharge of microplastics, use of chemicals, etc. are negative impacts of these. In some instances, we do observe positive influences, for example in areas where sandy, large meadows or similar areas which may be habitats for rare or endangered species are preserved or developed.

In order to maintain an overview of the natural values of Avinor's properties and areas of influences, Avinor conducted biodiversity surveys at all of its airports over the period 2009 – 2014. This information is used in operations, master plans and projects and the administrative advice from the surveys is followed up on within the framework of safe and efficient airport operations. Measures are being implemented in several areas to protect or improve biodiversity. Measures are being introduced against non-native and invasive species.

c) Being a professional and attractive employer

Avinor's objective is to create valuable relationships. This is reflected in a value platform which provides clear requirement for employee performance. Norway in general has a system of labour relations, collective bargaining and employee involvement that is more robust than comparable countries both in Europe and other parts of the world. This is incorporated both in legislation, collective agreements and company-based practice forming a system of worker's rights and privileges. As an EEA member all relevant EU directives are implemented in Norway. A certain number of the members of the Avinor board, must be elected by and among the employees according to Norwegian legislation. Avinor offers a full range of employee and social benefits covering pension schemes, health insurance, life insurance and other benefits for the employees. Avinor also has collective agreements with its employees covering salaries and wages, hours of work and working conditions.

d) Ensuring that Avinor conducts its business responsibly

Avinor is working systematically to combat all forms of corruption, discrimination, environment crime and harassment. The Group's ethics guidelines and effective notification procedures are obligatory for management, employees, suppliers and partners. There is zero-tolerance for all forms of corruption and Avinor works to combat anti-competitive behaviour.

Avinor is subject to the Norwegian Transparency Act which promotes enterprises' respect for fundamental human rights and decent working conditions in connection with the production of goods and the provision of services. It also ensures the general public access to information regarding how enterprises address adverse impacts on fundamental human rights and decent working conditions.

Avinor is subject to regulations for public procurement. On this basis Avinor is obliged to have in place appropriate routines to promote respect for fundamental human rights in public procurement where there is a risk of violation of such rights. Consequently, all of Avinor's suppliers and business partners must sign an agreement on responsible business conduct. Potential suppliers competing for contracts with Avinor must commit to comply with our principles of responsible business conduct, that reflects Avinor's ethical regulations. Our suppliers are also committed to ensure that their suppliers comply with Avinor's ethical regulations. Avinor demands from contracting partners that:

- International human rights are respected and that they do not contribute to violations of these.
- Satisfaction of minimum wage requirements for workers
- Working hours in accordance with applicable national law with adequate opportunities for rest the workers.
- Written employment contracts in a language understood by the workers.

Planned and on-going development projects

Avinor plans to invest approximately NOK 3.1 billion in projects in 2024. The project portfolio mainly consists of large ongoing infrastructure- and technology projects and critical maintenance. Avinor is investing in strategic projects to sustain commercial revenue, support the transition to more sustainable aviation and facilitate civil services carried out at the airports.

In 2024 Avinor's project portfolio will continue to focus on critical maintenance, which was de-prioritised during the COVID-19 pandemic. The largest part of the portfolio is major construction and technology projects that are in the execution phase. The year-on-year increase in the investment in critical maintenance amounts to NOK 0.1 billion in 2024.

Overview of Avinor's investment allocation for the 2024 project portfolio:

- Ongoing construction and development projects: 55 per cent.
- Reinvestments and maintenance projects: 35 per cent.
- Other projects, fulfillment of new requirements imposed by Norwegian and EU authorities, Green Sustainability and strategic innovation: 10 per cent.

Avinor will continue to evaluate the need for new strategic projects considering its financial situation and projected traffic at its airports. Simultaneously, projects that can increase effectiveness, efficiency and positively impact sustainability will be carefully considered going forward.

Examples of large ongoing projects:

Future ATM-system

Together with six other European air control organisations, Avinor is implementing a new air traffic management system which will yield higher efficiency, automated route-guiding and fulfill new mandatory requirements set by European authorities. The first phase is set to be completed in 2026.

Remote Towers

Avinor are implementing remote towers at smaller regional airports. This enables effective clustering of knowledge in larger hubs. A hub is now operational in Bodø and by the end of 2024, will operate fifteen different airports with the projected plan at hand.

Replacement of the baggage handling system (BHS) serving Terminal 1 at Oslo airport

The old baggage handling system has been removed and the installation of the replacement system has begun. Projected to be completed in 2025.

Maintenance projects:

Each year Avinor invests in existing infrastructure to maintain safe and stable operations. The maintenance budget has been significantly reduced during the COVID-19 pandemic years. In 2024, Avinor plans to double investments in maintenance compared to 2022-level. As in 2023, the focus of the maintenance portfolio will be to identify the most critical projects that have been postponed during the COVID-19 pandemic and take necessary measures both when it comes to infrastructure investments and operational adjustments.

State financed investments:

New airport at Mo i Rana

In 2022 the construction of a new airport in Mo i Rana commenced. The project will be financed by the Norwegian government, the local municipality and minor contributions from the local industry and community. The Norwegian Parliament has granted funding of up to NOK 4.6 billion at 2023 prices. Avinor will cover excess costs above NOK 4.6 billion. The planned construction phase is 2022 to 2026. When the new airport is completed, operations at the existing airport will be terminated.

New airport at Bodø

The Avinor Board of Directors approved the construction of the new airport in Bodø on 7 December 2022. The new airport is scheduled for completion in 2029.

The predicted cost to develop the airport is NOK 7.3 billion at 2023 prices, including the purchase of land and excluding financing costs. Avinor's financial contribution to the project is NOK 2.1 billion, with the remainder to be funded by the Norwegian government and by local funds.

Early phase and Planned projects:

New air navigation/tower system at Oslo airport

The current tower system at Oslo airport needs to be replaced and modernized in order to maintain existing operations. There is an end-of-life state on much of the technical equipment and infrastructure, as well as a growing lack of supplier support. The future concept has been chosen and further planning completed.

Shareholders

Ownership

As at the date of this Offering Circular, the share capital of Avinor AS is NOK 5,400,100,000, divided into 540,010 shares, each with a par value of NOK 10,000. Avinor's equity at any given time shall correspond to at least 40 per cent. of the total of the Group's net interest-bearing debt and equity according to Avinor's Articles of Association.

Avinor AS is a wholly state-owned limited company. The Shareholder's rights are safeguarded by the responsible cabinet minister or his deputy at the General Meeting.

Change in control of the Issuer

There are no plans, known to the Issuer, that on a subsequent date will result in a change in control of the Issuer.

Administrative, management and supervisory bodies

Each member of the Board of Directors and the executive management group have the following business address:

TAXATION

NORWEGIAN TAXATION

The following is a summary of certain Norwegian tax consequences for holders of the Notes who are resident in Norway for tax purposes. The summary is based on Norwegian tax legislation as at the date of this document and is intended to provide general information only. The tax treatment of each Noteholder partly depends on the holder's specific situation; this summary does not take into consideration any rules applicable to holders subject to special tax regimes, such as banks, insurance companies or tax-exempt organisations. Each investor should consult a tax adviser as to the tax consequences relating to their particular circumstances resulting from holding Notes. Any changes to applicable tax laws may have a retrospective effect.

Norwegian tax legislation does not currently include statutory legislation relating specifically to the Notes. Instead, the tax treatment must be derived from general tax rules and principles applicable to capital income and capital gains. Norwegian tax law is based on substance over form. If the terms of the Notes include conditions that are common to equity instruments, and that the Notes after an overall assessment are considered to have more characteristics of equity instruments rather than debt, the economic reality may overrule the formalities for income tax purposes. Thus, the applicable terms of the Notes may cause the taxation of the Notes to depart from the taxation treatment described in this summary. In the following, it is assumed that the Notes do not qualify as equity instruments for income tax purposes.

Note that for the purposes of this summary, a reference to the residency of a holder of Notes is a reference to the tax residency and not the nationality of such person.

Non-resident holders of Notes

Payments of principal and interest on the Notes to persons who are not tax resident in Norway and have no connection with Norway other than the holding of Notes are, under present Norwegian tax law, not subject to, and may be made without, any withholding or deduction for or on account of any Norwegian taxes, duties, assessments or governmental charges, provided that the Notes have not been used in or attached to any business activity operated through a permanent establishment; except for withholding tax applicable to interest payments if the payments are made to related parties resident within low tax jurisdictions.

For the purposes of the Norwegian Taxation Act: (a) a “low-tax jurisdiction” encompasses jurisdictions where the ordinary income tax on the combined profits of the company or entity is less than two thirds of the tax which would have been levied on the company or entity had it been resident in Norway; and (b) a “related party” is: (i) a company or entity that, directly or indirectly, is at least 50 per cent. owned or controlled by the paying entity; (ii) a company or entity that, directly or indirectly, owns or controls at least 50 per cent. of the paying entity; or (iii) a company or entity that, directly or indirectly, is at least 50 per cent. owned or controlled by a related party pursuant to item (ii) above.

Gains or profits realised on the sale, disposal or redemption of the Notes by persons who are not tax resident in Norway and have no connection with Norway other than the holding of Notes are not, under present Norwegian law, subject to Norwegian taxes or duties, provided that the Notes have not been used in or attached to any business activity operated through a permanent establishment.

Non-resident holders of Notes are not liable to Norwegian net wealth tax on the holding of the Notes, unless the non-resident holder is an individual and the Notes are effectively connected with a business that the individual holder of the Notes carries out in Norway.

No Norwegian issue tax or stamp duty is payable in connection with the issue of the Notes.

Resident holders of Notes

Any kind of interest payments or similar payments received on the Notes by persons (individuals or companies) tax resident in Norway prior to disposal or redemption is taxable as “ordinary income” subject to the flat rate of 22 per cent. For taxpayers with a statutory obligation to keep accounting records interest is taxed on an accruals basis (i.e. regardless of when the return is actually paid). For other taxpayers accrued interest is as the main rule taxed when the interest is actually paid.

Redemption at the end of the term as well as prior disposal is treated as realisation of the Notes and will trigger a capital gain or loss. Capital gains will be taxable as “ordinary income”, subject to the flat rate of 22 per cent. Losses will be deductible in the Noteholder’s “ordinary income”, at the same tax rate.

Any capital gain or loss is computed as the difference between the amount received by the Noteholder on realisation and the cost price of the Notes. The taxable gain is calculated in Norwegian kroner. The amounts received are converted to Norwegian kroner at the foreign exchange rate at the time of realisation. The cost price is equal to the price for which the Noteholder acquired the Notes, at the foreign exchange rate at the time of acquisition. Costs incurred in connection with the acquisition and realisation of the Notes may be deducted from the Noteholder’s taxable income in the year of the realisation.

Any gains or losses derived from foreign currency exchange are taxable or tax deductible in the income year of realisation of the Note.

The value of the Notes at the end of each income year will be included in the computation of the Noteholder’s taxable net wealth for municipal and state net wealth tax purposes. Listed bonds are valued at their quoted value on 1 January in the assessment year, while non-listed bonds are valued at their estimated market value on 1 January in the assessment year. The marginal tax rate is currently 1.10 per cent. on net wealth in excess of NOK 20 million.

There are currently no Norwegian transfer taxes, stamp duty or similar taxes connected to purchase, disposal or redemption of the Notes. Further, there is no VAT on transfer of the Notes.

FATCA DISCLOSURE

Foreign Account Tax Compliance Act

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, commonly known as FATCA, a **foreign financial institution** (as defined by FATCA) may be required to withhold on certain payments it makes (**foreign passthru payments**) to persons that fail to meet certain certification, reporting or related requirements. The Issuer may be a foreign financial institution for these purposes. A number of jurisdictions (including Norway) have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA (**IGAs**), which modify the way in which FATCA applies in their jurisdictions. Under the provisions of IGAs as currently in effect, a foreign financial institution in an IGA jurisdiction would generally not be required to withhold under FATCA or an IGA from payments that it makes. Certain aspects of the application of the FATCA provisions and IGAs to instruments such as Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payments on instruments such as Notes, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to payments on instruments such as Notes, such withholding would not apply prior to the date that is two years after the date on which final regulations defining foreign passthru payments are published in the U.S. Federal Register and Notes characterised as debt (or which are not otherwise characterised as equity and have a fixed term) for U.S. federal tax purposes that are issued on or prior to the date that is six months after the date on which final regulations defining foreign passthru payments are published generally would be grandfathered for purposes of FATCA withholding unless materially modified after such date. However, if additional Notes (as described under Condition 15 of the Terms and Conditions of the Notes other than the VPS Notes and Condition 14 of the Terms and Conditions

of the VPS Notes) that are not distinguishable from previously issued Notes are issued after the expiration of the grandfathering period and are subject to withholding under FATCA, then withholding agents may treat all Notes, including the Notes offered prior to the expiration of the grandfathering period, as subject to withholding under FATCA. Holders should consult their own tax advisers regarding how these rules may apply to their investment in Notes.

THE PROPOSED EU FINANCIAL TRANSACTIONS TAX (FTT)

On 14 February 2013, the European Commission published a proposal (the **Commission's Proposal**) for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the **participating Member States**). However, Estonia has since stated that it will not participate.

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in the Notes (including secondary market transactions) in certain circumstances. The issuance and subscription of Notes should, however, be exempt.

Under the Commission's Proposal the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT proposal remains subject to negotiation between participating Member States. It may therefore be altered prior to any implementation. Additional EU Member States may decide to participate. Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.

SUBSCRIPTION AND SALE

The Dealers have, in a Programme Agreement (such Programme Agreement as modified and/or supplemented and/or restated from time to time, the **Programme Agreement**) dated 5 December 2023, agreed with the Issuer a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under “*Form of the Notes*”, “*Terms and Conditions of the Notes other than the VPS Notes*” and “*Terms and Conditions of the VPS Notes*”. In the Programme Agreement, the Issuer has agreed to reimburse the Dealers for certain of their expenses in connection with the establishment and any future update of the Programme and the issue of Notes under the Programme and to indemnify the Dealers against certain liabilities incurred by them in connection therewith.

United States

The Notes have not been and will not be registered under the Securities Act, or with any securities regulatory authority of any state or other jurisdiction of the United States, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from or not subject to, the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. Treasury regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and Treasury regulations promulgated thereunder. The applicable Final Terms or, in the case of Exempt Notes, the applicable Pricing Supplement will identify whether TEFRA C rules or TEFRA D rules apply or whether TEFRA is not applicable.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver Notes (a) as part of their distribution at any time or (b) otherwise until 40 days after the completion of the distribution of all Notes of the Tranche of which such Notes are a part, within the United States or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S of the Securities Act. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Until 40 days after the commencement of the offering of any Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Prohibition of sales to EEA Retail Investors

Unless the Final Terms in respect of any Notes (or Pricing Supplement, in the case of Exempt Notes) specifies “Prohibition of Sales to EEA Retail Investors” as “Not Applicable”, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by the Offering Circular as completed by the Final Terms (or Pricing Supplement, as the case may be) in relation thereto to any retail investor in the EEA. For the purposes of this provision:

- (a) the expression **retail investor** means a person who is one (or more) of the following:

- (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, **MiFID II**); or
 - (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or
 - (iii) not a qualified investor as defined in the Prospectus Regulation; and
- (b) the expression an **offer** includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes.

If the Final Terms in respect of any Notes (or Pricing Supplement, in the case of Exempt Notes) specifies “Prohibition of Sales to EEA Retail Investors” as “Not Applicable”, in relation to each Member State of the European Economic Area, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Offering Circular as completed by the final terms in relation thereto to the public in that Member State except that it may make an offer of such Notes to the public in that Member State:

- (a) at any time to any legal entity which is a qualified investor as defined in the Prospectus Regulation;
- (b) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Regulation) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (c) at any time in any other circumstances falling within Article 1(4) of the Prospectus Regulation,

provided that no such offer of Notes referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Regulation, or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation.

For the purposes of this provision:

- the expression an **offer of Notes to the public** in relation to any Notes in any Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes; and
- the expression **Prospectus Regulation** means Regulation (EU) 2017/1129.

United Kingdom

Prohibition of sales to UK Retail Investors

Unless the Final Terms in respect of any Notes (or Pricing Supplement, in the case of Exempt Notes) specifies “Prohibition of Sales to UK Retail Investors” as “Not Applicable”, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Offering Circular as completed by the Final Terms (or Pricing Supplement, as the case may be) in relation thereto to any retail investor in the United Kingdom. For the purposes of this provision:

- (a) the expression **retail investor** means a person who is one (or more) of the following:

- (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (**EUWA**); or
 - (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or
 - (iii) not a qualified investor as defined in Article 2 of the UK Prospectus Regulation; and
- (b) the expression an **offer** includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes.

If the Final Terms in respect of any Notes (or Pricing Supplement, in the case of Exempt Notes) specifies “Prohibition of Sales to UK Retail Investors” as “Not Applicable”, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Offering Circular as completed by the final terms in relation thereto to the public in the United Kingdom except that it may make an offer of such Notes to the public in the United Kingdom:

- (a) at any time to any legal entity which is a qualified investor as defined in Article 2 of the UK Prospectus Regulation;
- (b) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in Article 2 of the UK Prospectus Regulation) in the United Kingdom subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (c) at any time in any other circumstances falling within section 86 of the FSMA,

provided that no such offer of Notes referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to section 85 of the FSMA or supplement a prospectus pursuant to Article 23 of the UK Prospectus Regulation.

For the purposes of this provision:

- the expression **an offer of Notes to the public** in relation to any Notes means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes; and
- the expression **UK Prospectus Regulation** means Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA.

Other regulatory restrictions

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) in relation to any Notes which have a maturity of less than one year, (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (ii) it has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for

the purposes of their businesses where the issue of the Notes would otherwise constitute a contravention of Section 19 of the FSMA by the Issuer;

- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

Norway

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that, unless the Issuer has confirmed in writing to each Dealer that the Offering Circular has been filed with the Financial Supervisory Authority of Norway, it has not, directly or indirectly, offered or sold and will not directly or indirectly, offer or sell any Notes in Norway or to residents of Norway, other than:

- (a) in respect of an offer of Notes addressed to investors subject to a minimum purchase of Notes for a total consideration of not less than €100,000 per investor cf. Article 1 no. 4(d) of the Prospectus Regulation as incorporated into Norwegian law pursuant to Section 7-1 of the Norwegian Securities Trading Act of 29 June 2007 no. 75 (the **Norwegian Securities Trading Act**); or
- (b) to “qualified investors” as defined in Article 2(e) of the Prospectus Regulation, cf. Article 1 no. 4(a), as incorporated into Norwegian law pursuant to Section 7-1 of the Norwegian Securities Trading Act; or
- (c) to fewer than 150 natural or legal persons (other than “qualified investors” as defined in Article 2 (e) of the Prospectus Regulation, cf. Article 1 no. 4 (b), as incorporated into Norwegian law pursuant to Section 7-1 of the Norwegian Securities Trading Act), subject to obtaining the prior consent of the relevant Dealer or Dealers for any such offer; or
- (d) in any other circumstances provided that no such offer of Notes shall result in a requirement for the registration, or the publication by the Issuer or the Dealer or Dealers of a prospectus pursuant to the Norwegian Securities Trading Act.

The Notes shall be registered in accordance with section 3-1 of the Norwegian Securities Depository Act of 15 March 2019 no. 6 in a securities depository authorised or recognised under Regulation (EU) No 909/2014 unless (i) the Notes are denominated in NOK and offered or sold outside of Norway to non-Norwegian tax residents only, or (ii) the Notes are denominated in a currency other than NOK and offered or sold outside of Norway.

Further, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that the Notes will only be sold in Norway to investors who have sufficient knowledge and experience to understand the risks involved with investing in the Notes.

See also the selling restriction “Prohibition of sales to EEA Retail Investors” above.

Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Act No.25 of 1948, as amended; the **FIEA**) and each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer or sell any

Notes, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan (as defined under Item 5, Paragraph 1, Article 6 of the Foreign Exchange and Foreign Trade Act (Act No. 228 of 1949, as amended)), or to others for re-offering or resale, directly or indirectly, in Japan or to, or for the benefit of, a resident of Japan, except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the FIEA and any other applicable laws, regulations and ministerial guidelines of Japan.

Belgium

Other than in respect of Notes for which “Prohibition of Sales to Belgian Consumers” is specified as “Not Applicable” in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Notes), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that an offering of Notes may not be advertised to any individual in Belgium qualifying as a consumer within the meaning of Article I.1 of the Belgian Code of Economic Law, as amended from time to time (a **Belgian Consumer**) and that it has not offered, sold or resold, transferred or delivered, and will not offer, sell, resell, transfer or deliver, the Notes, and that it has not distributed, and will not distribute, any prospectus, memorandum, information circular, brochure or any similar documents in relation to the Notes, directly or indirectly, to any Belgian Consumer.

The Netherlands

Each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree, that any Notes will only be offered in The Netherlands to Qualified Investors (as defined in the Prospectus Regulation), unless such offer is made in accordance with the Dutch Financial Supervision Act (*Wet op het financieel toezicht*).

Singapore

If the Final Terms in respect of any Notes (or Pricing Supplement in respect of any Exempt Notes) specifies “Singapore Sales to Institutional Investors and Accredited Investors only” as “Applicable”, each Dealer has acknowledged, and each further Dealer appointed under the Programme will be required to acknowledge, that this Offering Circular has not been registered as a prospectus with the Monetary Authority of Singapore. Accordingly, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered or sold any Notes or caused any Notes to be made the subject of an invitation for subscription or purchase and will not offer or sell any Notes or cause any Notes to be made the subject of an invitation for subscription or purchase, and has not circulated or distributed, nor will it circulate or distribute, this Offering Circular or any other document or material in connection with the offer or sale, or invitation for subscription or purchase, of any Notes, whether directly or indirectly, to any person in Singapore other than (i) to an institutional investor (as defined in Section 4A of the SFA) pursuant to Section 274 of the SFA or (ii) to an accredited investor (as defined in Section 4A of the SFA) pursuant to and in accordance with the conditions specified in Section 275 of the SFA.

If the Final Terms in respect of any Notes (or Pricing Supplement in respect of any Exempt Notes) specifies “Singapore Sales to Institutional Investors and Accredited Investors only” as “Not Applicable”, each Dealer has acknowledged, and each further Dealer appointed under the Programme will be required to acknowledge, that this Offering Circular has not been registered as a prospectus with the Monetary Authority of Singapore. Accordingly, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered or sold any Notes or caused the Notes to be made the subject of an invitation for subscription or purchase and will not offer or sell any Notes or cause the Notes to be made the subject of an invitation for subscription or purchase, and has not circulated or distributed, nor will it circulate or distribute, this Offering Circular or any other document or material in connection with the offer or sale, or invitation for subscription or purchase, of the Notes, whether directly or indirectly, to any person in Singapore other than (i) to an institutional investor (as defined in Section 4A of the SFA) pursuant to Section 274 of the SFA (ii) to a relevant person (as defined in Section 275(2) of the SFA) pursuant to Section 275(1) of the SFA, or any person pursuant to Section 275(1A) of the SFA, and in accordance with the

conditions specified in Section 275 of the SFA or (iii) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the SFA.

Where Notes are subscribed or purchased under Section 275 of the SFA by a relevant person which is:

- (a) a corporation (which is not an accredited investor (as defined in Section 4A of the SFA)) the sole business of which is to hold investments and the entire share capital of which is owned by one or more individuals, each of whom is an accredited investor; or
- (b) a trust (where the trustee is not an accredited investor) whose sole purpose is to hold investments and each beneficiary of the trust is an individual who is an accredited investor,

securities or securities-based derivatives contracts (each term as defined in Section 2(1) of the SFA) of that corporation or the beneficiaries' rights and interest (howsoever described) in that trust shall not be transferred within six months after that corporation or that trust has acquired the Notes pursuant to an offer made under Section 275 of the SFA except:

- (i) to an institutional investor or to a relevant person as defined in Section 275(2) of the SFA, or to any person arising from an offer referred to in Section 275(1A) or Section 276(4)(c)(ii) of the SFA;
- (ii) where no consideration is or will be given for the transfer;
- (iii) where the transfer is by operation of law;
- (iv) as specified in Section 276(7) of the SFA; or
- (v) as specified in Regulation 37A of the Securities and Futures (Offers of Investments) (Securities and Securities-based Derivatives Contracts) Regulations 2018 of Singapore.

Any reference to the **SFA** is a reference to the Securities and Futures Act 2021 of Singapore and a reference to any term as defined in the SFA or any provision in the SFA is a reference to that term as modified or amended from time to time including by such of its subsidiary legislation as may be applicable at the relevant time.

In connection with Section 309B of the SFA and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the **CMP Regulations 2018**), unless otherwise stated in the Final Term in respect of any Notes (or Pricing Supplement in respect of any Exempt Notes), all Notes to be issued under the Programme shall be prescribed capital markets products (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

General

Each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that it will (to the best of its knowledge and belief) comply with all applicable securities laws and regulations in force in any jurisdiction in which it purchases, offers, sells or delivers Notes or possesses or distributes this Offering Circular and will obtain any consent, approval or permission required by it for the purchase, offer, sale or delivery by it of Notes under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, offers, sales or deliveries and neither the Issuer nor any of the other Dealers shall have any responsibility therefor.

None of the Issuer and the Dealers represents that Notes may at any time lawfully be sold in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant to any exemption available thereunder, or assumes any responsibility for facilitating such sale.

GENERAL INFORMATION

Authorisation

The update of the Programme and the issue of Notes have been duly authorised by a resolution of the Board of Directors of the Issuer dated 7 December 2022. The Issuer has obtained and will obtain from time to time all necessary consents, approvals and authorisations in connection with the issue and performance of the Notes.

Listing of Notes and admission to trading

Application has been made to the Luxembourg Stock Exchange for Notes issued under the Programme to be admitted to trading on the Luxembourg Stock Exchange's regulated market and to be listed on the Official List of the Luxembourg Stock Exchange. The Luxembourg Stock Exchange's regulated market is a regulated market for the purposes of MiFID II. The listing of the Programme in respect of Notes is expected to be granted on or around the date of this Offering Circular.

In the case of VPS Notes, application will be made to the Oslo Stock Exchange for such VPS Notes to be admitted to trading on the Oslo Stock Exchange's regulated market.

Documents Available

For the period of 12 months following the date of this Offering Circular (save in respect of the documents set out in paragraph (c) below, which will be available for a period of 10 years following the date of this Offering Circular), copies of the following documents will, when published, be available for inspection on the website of the Issuer (see <https://avinor.no/en/corporate/investors/funding/emtn-programme>):

- (a) the constitutional documents (with an English translation thereof) of the Issuer;
- (b) the Agency Agreement, the Deed of Covenant and the forms of the Global Notes, the Notes in definitive form, the Coupons and the Talons; and
- (c) this Offering Circular, any future offering circulars, prospectuses, information memoranda, supplements to this Offering Circular and Final Terms and any other documents incorporated herein or therein by reference.

A Pricing Supplement will only be available for inspection by a holder of such Note and such holder must produce evidence satisfactory to the Issuer and the Paying Agent as to its holding of Notes and identity.

Clearing Systems

The Notes have been accepted for clearance through Euroclear and Clearstream, Luxembourg (which are the entities in charge of keeping the records). The appropriate Common Code and ISIN for each Tranche of Notes allocated by Euroclear and Clearstream, Luxembourg will be specified in the applicable Final Terms or, in the case of Exempt Notes, the applicable Pricing Supplement. If the Notes are to clear through an additional or alternative clearing system (including the VPS) the appropriate information will be specified in the applicable Final Terms or, in the case of Exempt Notes, the applicable Pricing Supplement.

The address of Euroclear is Euroclear Bank SA/NV, 1 Boulevard du Roi Albert II, B-1210 Brussels. The address of Clearstream, Luxembourg is Clearstream Banking S.A., 42 Avenue JF Kennedy, L-1855 Luxembourg. The address of the VPS is Tollbugata 2, N-0152 Oslo.

Conditions for determining price

The price and amount of Notes to be issued under the Programme will be determined by the Issuer and each relevant Dealer at the time of issue in accordance with prevailing market conditions.

Yield

In relation to any Tranche of Fixed Rate Notes, an indication of the yield in respect of such Notes will be specified in the applicable Final Terms. The yield is calculated at the Issue Date of the Notes on the basis of the relevant Issue Price. The yield indicated will be calculated as the yield to maturity as at the Issue Date of the Notes and will not be an indication of future yield.

Significant or Material Change

There has been (i) no significant change in the financial performance or position of the Issuer or the Group since 30 September 2023; and (ii) no material adverse change in the financial position or prospects of the Issuer since 31 December 2022.

Litigation

Neither the Issuer nor any of its subsidiaries is or has been involved in any governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened of which the Issuer is aware) in the 12 months preceding the date of this document which may have or have in such period had a significant effect on the financial position or profitability of the Issuer.

Independent Auditors

The elected independent auditors of the Issuer are Ernst & Young AS. The address of Ernst & Young AS is Stortorvet 7, NO-0155 Oslo, Postboks 1156 Sentrum, NO-0155 Oslo, Norway. The partners in Ernst & Young AS are members of the Norwegian Institute of Public Accountants who have audited the Issuer's consolidated financial statements, without qualification, in accordance with IFRS for each of the two financial years ended 31 December 2021 and 31 December 2022.

Dealers transacting with the Issuer

Certain of the Dealers and their affiliates have engaged, and may in the future engage, in financing, in investment banking and/or commercial banking transactions with, and may perform services for, the Issuer and its affiliates in the ordinary course of business.

Certain of the Dealers and their affiliates may have positions, deal or make markets in the Notes issued under the Programme, related derivatives and reference obligations, including (but not limited to) entering into hedging strategies on behalf of the Issuer and its affiliates, investor clients, or as principal in order to manage their exposure, their general market risk, or other trading activities.

In addition, in the ordinary course of their business activities, the Dealers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or its affiliates. Certain of the Dealers or their affiliates that have a lending relationship with the Issuer routinely hedge their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of positions in securities, including potentially the Notes issued under the Programme. Any such positions could adversely affect future trading prices of Notes issued under the Programme. The Dealers and their affiliates may also make investment recommendations

and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

For the purposes of the above three paragraphs, the term **affiliates** also includes parent companies.
